Preamble:
A Shared Commitment
to Educational Achievement

The Challenge

The Parties to this agreement share a fundamental and abiding commitment to the education of the children of the City of Boston. They recognize and greatly appreciate the extraordinary commitment of teachers and administrators in the system. They take pride in knowing that the Council of Great City Schools has rated Boston’s public schools as among the best urban schools in the nation.

Yet the parties to this agreement believe that being the best, in this case, is not good enough. They recognize that the Boston Public School system as a whole must do more to meet the needs and expectations of the community. In absolute terms, dropout rates are high, graduation standards and college matriculation rates are low, and the skills and prospects of many students in the system are well below their potential.

This contract is dedicated to doing better.

A commitment to change, however, is not enough. Our 1989 – 1992 contract was also intended to promote change, and it accomplished less than was hoped. There are lessons in that experience, and they are reflected in this agreement. Change will not come of its own accord; it requires intensive, carefully planned, and skillfully executed implementation. Strong, consistent leadership and widespread training is needed to transform the traditional labor management culture. To achieve real educational improvement, the parties and the community will have to work together collaboratively.

The challenge is great. Many students arrive in school hungry and with serious health and nutritional problems. Many lack a stable home environment. Some are victims of neglect or abuse; many require counseling. Their trip to and from school is often dangerous and fraught with deadly temptations. Many must work at after-school and weekend jobs to help support their families.

While most parents are deeply committed to their children’s education, many are unsure of how best to support their children’s performance. Many parents seek out contact with teachers and are effective advocates for their children, but others avoid contact, finding schools intimidating.

Teacher training programs seldom address such problems, and as a result some teachers may feel overwhelmed and unprepared for dealing with them. Teachers may also be unsure about how most effectively to communicate support and encouragement to students and parents whose linguistic, ethnic, or economic background differs from their own.

In the face of these challenges, urban schools are often offered fewer resources than suburban schools to achieve their educational goals. When their results in absolute terms are less, they are labeled “failures,” even when they achieve enormous improvement over their starting point. No party benefits from this situation.

However great the challenge may be educating a Boston student to his or her full potential, the parties to this agreement are determined to tackle it. This agreement is designed to facilitate whatever change and experiments may be needed. The parties to this agreement invite the rest of the community to join the in this effort. Working together, success is possible.

Some Basic Educational Principles

In pursuing their shared goal of education achievement, the Committee and the Union share certain fundamental assumptions about education philosophy and the nature of their joint task that should inform the interpretation and implementation of this Agreement:

The Importance of School-Based Decision-Making. The school is the point of delivery for the services provided by the school system. Within the bounds of law and economic efficiency, decisions affecting the educational process and the delivery of services can and should be made at the local level, with corresponding accountability for the results achieved. The staff on the scene have the most information about the situation, and are therefore best positioned to craft appropriate and effective strategies for the tasks at hand.

The Importance of Flexibility. The background and skills of staff, students, parents, and administrators vary widely, as do the dynamics of groups. Likewise, facilities and programmatic objectives vary from school to school. The experience of educators in this and other systems demonstrates that there is no one best way to organize a school, a classroom, or any educational activity. Therefore,
consistent with the philosophy of local decision-making, each school should have as much flexibility as possible to work out its own structures for governance and education.

**The Importance of Professional Development.** Professional development programs need to prepare our teachers and administrators adequately to deal with the challenges of urban education in a multicultural and multilingual environment. And as in many other fields, staff and administrators need help in developing effective collaboration that does not founder in either adversarial battling or endlessly protracted decision-making by committee.

**The Importance of Parent Involvement.** Schools cannot do the job of educating children without the full support and involvement of parents in their child’s education. Much needs to be done to organize and restructure schools and the school-home connection so that parents and teachers become effective teams in working actively and long-term to develop, monitor, and stimulate the implementation of a personal growth plan for each child.

**The Importance of Accountability for Quality and Performance.** In their 1989 – 1992 agreement the parties greatly strengthened the accountability of participants in the school system by requiring that each school create an Annual Education Plan, by offering detailed guidelines for school performance assessment, and by creating School Intervention Teams to assist and, if necessary, make recommendations to restructure schools in trouble. As these measures have been implemented, they have increasingly demonstrated powerful potential for driving school improvement.

This agreement builds on the existing structure to further increase the accountability of participants in the school system, recognizing that there are some challenges and dilemmas inherent in this goal. For example, teachers should be accountable for the progress of their students. Yet students should also be accountable for their progress. Students who know there is no firm commitment to standards for either behavior or achievement are less likely to take such standards seriously. Likewise, family involvement and support is strongly linked to student success; therefore parents should also be accountable for the behavior and progress of their children. Teachers should be accountable for encouraging and facilitating parental participation and support of their children.

The community should also be held accountable for making available the resources needed to meet the health, nutrition, social, parenting, and other needs of Boston’s children and their families, as well their educational needs with time, staff, and facilities adequate to the task. It is unrealistic to expect urban schools to achieve results without the resources to create a level playing field with their wealthy suburban counterparts.

While competition and incentives can motivate performance, the parties do not want to do anything that would inhibit staff and schools from working together cooperatively and learning from each other. It is not necessary, and in fact not acceptable to structure an incentive system that requires there to be “winners” and “losers.” We want all students and staff whose efforts earn it to be winners. Therefore, for example, the emphasis in this agreement is on school accountability, although there are also mechanisms to recognize outstanding staff and to improve or terminate unsatisfactory staff.

**A Shared Commitment to Diversity.** Recognizing the diverse and multicultural nature of Boston and the families involved with its schools, the parties each renew their commitment to maintaining a school system that treats each student, parent, and employee with respect, dignity, and sensitivity to their unique needs and culture. Each party encourages the other to pursue initiative within their purview to meet this goal and to make suggestions for how the other might do so.

**The Inadequacy of Available Resources.** The parties firmly believe that whatever progress can be made with the resources currently available to children in the Boston public schools and their families, those resources are inadequate to the task of educating children to their full potential. An appropriate level of funding could support the hiring of more teachers, a longer school day and year, the creation of alternative schools, including residential programs, greater family support services, and an enriched and more in-depth curriculum, including many more activities beyond the school site.

The parties nevertheless accept their responsibility for doing as well as possible with the resources now available, for demonstrating achievement as part of persuading the community that additional resources will make an important difference, and for diligently seeking a more adequate and secure source of revenue. They recognize that such an attitude and performance will enhance the possibility of additional resources being made available.

**The Need for a Collaborative Working Relationship.** Historically, the Committee, the School Department, and the Union have had an adversarial relationship. Despite considerable improvement in recent years, the challenge remains to overcome vestiges of a litigious and suspicious culture focused on work rules, hierarchical power, and resistance to change by both parties. This consumes scarce resources and gets in the way of educational innovation and achievement.
The parties are committed to developing a collaborative working relationship at all levels of the system during the life of this contract. An effective working relationship is one in which the parties work together with mutual respect; clear and direct communication; a willingness to listen, understand, and consider a differing point of view; a habit of checking out assumptions before reaching conclusions about another party; a commitment to integrity, reliability and solving each problem on its merits; and in general the ability to resolve differences effectively while working to achieve a common goal or vision – to disagree without being disagreeable.

Developing or maintaining such a relationship does not require any party to give up their right to differ or their role as advocates for those they represent. It does require a willingness on each side occasionally to do what makes sense, even thought it is painful. Mostly, however, it requires parties to change how they deal with each other, seeking to persuade and solve problems jointly, rather than to attack, disadvantage, and coerce each other. Rather than being seen as adversaries, teachers and administrators should be seen by the public and themselves as professional colleagues who sometimes disagree, but who share a common purpose and dedication to educational achievement.

Respect and Dignity. The BPS and the BTU recognize the dignity and worth of every person. The aim of this policy is to create a workplace climate of understanding and mutual respect for the dignity and worth of every person so that each person is able to contribute fully to the development and well being of the students of the City of Boston.

AGREEMENT
BETWEEN
THE SCHOOL COMMITTEE
OF THE CITY OF BOSTON
AND
THE BOSTON TEACHERS UNION,
LOCAL 66, AFT, AFL-CIO

(Ratified by Boston Teachers Union, October 16, 2012)

Article I
Purpose and Scope of Agreement

A. Recognition and Duration

This Agreement is made and entered into on the 16th day of October, 2012 by and between the School Committee of the City of Boston (hereinafter referred to as the "Committee") and the Boston Teachers Union, Local 66, American Federation of Teachers, AFL-CIO (hereinafter referred to as the "Union"). The Committee recognizes the Union as the exclusive bargaining representative for all those persons in the bargaining unit which consist of those covered by Groups I, 2A-2B of the salary schedule (1963-1964) of the Boston School Committee, excluding Assistant Principals and Coordinators, but including nurses and supervising nurses, provisional teachers and nurses, substitute teachers and nurses on a one-year's assignment, teacher-coaches, teachers and nurses in Summer and Evening Schools, swimming instructors, E.T.F.s, certain employees from the Department of Implementation, investigative counselors, security specialists, supervisors of attendance, clinical coordinators and lead sign language interpreters. The jurisdiction of the Union shall include those persons now or hereafter who perform the duties or functions of the categories of employees in the bargaining unit, regardless of whether these duties or functions are performed by present, or modified, or new processes or equipment.

This agreement and each of its provisions shall be in effect as of September 1, 2010, unless otherwise so stated, and shall continue in full force and effect through August 31, 2016. Negotiations for a subsequent agreement will commence on or after January 2, 2016 upon the request of either party.

This agreement and each of its provisions shall be in full force and effect from the period of September 1, 2010 through August 31, 2016 and continuing thereafter until such time as the parties have a successor to the 2010-2016 agreement.

B. Purpose

The purpose of this agreement is to promote the parties' joint goal of achieving the best possible education of the children in the Boston Public Schools by structuring an effective and professional working relationship between the parties. That relationship should help the school system achieve maximum benefit from the combined expertise and coordinated efforts of the parties. It should also
ensure fair and equitable compensation and fair and professional treatment for those employees represented by the Union.

C. Scope

The Committee and the Union agree that they have a common public and educational area of concern in addition to economic matters such as salary and working conditions. This wider area of professional concern is to be approached constructively toward the goal of educational excellence.

To this end, the Union will from time to time present to the Committee or its designated representatives views and suggestions on certain school problems clearly within its knowledge and province as the agency in the school system having the closest overall contact with the classroom teacher. Subjects considered to be within the scope of such initiation and discussion are: recruitment of qualified teachers, class size, operation of difficult schools, standards of physical and housekeeping environment and amenities on school premises, relief from nonteaching tasks, all matters related to school-based management, and an increasingly effective curriculum. Periodic consultation will take place without trespass or interference upon the distinct and special powers and duties of either party in the process.

It is hoped that this continuing consultation throughout the school year will contribute to the enhancement of public education in the City of Boston.

D. Management Rights

Except as otherwise provided in this Agreement, the Committee and the Superintendent retain all powers, rights, duties, and authority that they had prior to entering into this Agreement or its predecessors. Such rights of the Committee and the Superintendent include but are not limited to the right:

- to establish educational policy;
- to establish the standards and qualifications for hiring and promotion;
- to determine the size of the work force consistent with the terms of this Agreement;
- to establish job duties for new or substantially changed positions (except that changing the duties of existing positions shall be subject to collective bargaining to the extent required by law);
- to determine which textbooks shall be used in the schools;
- to prescribe curricula and rules governing student discipline; and
- to establish educational programs and to determine the number, age, and qualifications of pupils to be served by any such programs.

E. Handling of New Issues

Matters of collective bargaining import not covered by this Agreement may, during the life of the Agreement, be handled in the following manner:

By the Committee: Except as any change may be commanded by law, the Committee will continue its policies as outlined herein. With respect to matters not covered by this Agreement which are mandatory subjects for collective bargaining, the Committee agrees it will make no changes without prior consultation and negotiation with the Union.

By the Union: In any matter not covered in this Agreement which is a mandatory subject for collective bargaining, the Union may raise such issue with the Committee for consultation and negotiation; except that (other than as set forth later in this section E) the Union shall not renew or seek to renew any question introduced, debated, and settled, either negatively or affirmatively, during the bargaining prior to final settlement. This restriction shall not apply to the areas outlined in section C above as subjects for continuing consultation.

Being a mutual Agreement, this instrument may be amended at any time by mutual consent.

F. Savings Clause

If any provision of this Agreement is or shall at any time be contrary to law, then such provision shall not be applicable or performed or enforced, except to the extent permitted by law, and substitute action shall be subject to appropriate consultation and negotiation with the Union.

In the event that any provision of this Agreement is or shall at any time be contrary to law, all other provisions of this Agreement
shall continue in effect.

G. Preservation of Existing Laws and Regulations

The rights and benefits of persons provided herein are in addition to those provided by City, State, or Federal law, rule, or regulation, including without limitation all applicable tenure, pension, or education laws and regulations.

The School Department shall identify by February 1 of each year those bargaining unit members who are affected by the School Committee's policy on the employment of relatives. The Department and the Union shall meet to discuss the appropriate reassignment of affected members.

Any reference in this Agreement to any provision, section, or other part of the Agreement intends to refer to the entire provision or other part unless specifically stated to be otherwise.

Article II
Developing and Maintaining Effective Working Relationships

A. Governing Philosophy

To achieve the goals of this Agreement, more effective working relationships must be forged between and among parents, teachers, students, building administrators, the Superintendent, other School Department personnel, the Union, the School Committee, and the community at large.

B. Mechanisms to Insure Joint Problem-Solving

1. Consultation

Whenever possible, the parties agree to consult before deciding on any issue that impacts the other. The goal of this provision is effective communication, preventing surprises, and more informed decision-making. It does not require either party to give up any right to act autonomously that they might otherwise have, nor does it require either party to approve of any action the other proposes to take. The leadership of each party shall seek to set an example in achieving this goal and to encourage others in the system at all levels to
incorporate such an approach into their ways of working.

The Superintendent and the President of the Union together with appropriate members of their respective staffs agree to meet regularly (at least monthly) to monitor the progress of the mutual goals espoused here and the operation of the school system in general, and to consult about the inevitable issues that will arise in the operation of this Agreement.

2. Steering Committee

A joint BTU/BPS/Parent/Student Steering Committee will develop and implement policies and guidelines and generally oversee the implementation and operation of school-based/shared decision-making and all other joint committees established under this Agreement. This Steering Committee shall be composed of the Superintendent of Schools and the President of the Teachers Union, who shall serve as co-chairs, up to five additional members who shall be representative of the diverse and ethnic constituencies of the parties, and shall include five parents and two students who shall be representative of the diverse racial, ethnic, and Program (including Special Education and English Language Learners) constituencies of the District. Decisions of the Steering Committee shall require the concurrence of the Superintendent and the President of the Union.

The Steering Committee may appoint subcommittees, designate alternate members for tasks involving special expertise, and otherwise adopt whatever procedures further its smooth, effective, and efficient operation. It shall endeavor to operate by consensus as a role model for school-based shared decision-making groups.

The Union and the School Department recognize that the provisions of this agreement reflect a tentative consensus on a direction to move in improving the schools. Both sides recognize that school-based management ("SBM") represents a new way of doing business with which they still have limited experience. Success is likely to require much flexibility and continued learning from experience. Therefore the School Department and the Union agree to work together during the period of this agreement to assess and improve the structures established here for school-based management and shared decision-making in light of experience.

3. Faculty Senates

Faculty Senates may be formed in each school building and shall meet once every month after the close of the normal school day with the Principal or Headmaster concerned. Faculty Senates will be recognized by the administration of that school as having an advisory voice in the operation of that school and having an advisory voice in the formation of educational policy.

Faculty Senates representing Music Teachers, Guidance Counselors, Nurses, School Psychologists, Evaluation Team Leaders, Kindergarten teachers, Bilingual teachers, and Pupil Adjustment Counselors shall meet once every month after the close of the normal school day with the director or administrator concerned.

These Faculty Senates will be recognized by the administrator of the department as having an advisory voice in the formation of educational policy.

Faculty Senate Chairpersons will meet twice each year on the elementary, middle, and high school levels during days of regularly scheduled in-service meetings.

C. Training

To succeed in developing effective and collaborative working relationships, a core group of principals, parents, teachers, and other staff in each school must receive training to acquire the new roles and relationships this Agreement envisions. Skills are needed in consensus building, teamwork, conflict resolution, effective meeting skills, active listening, new models of learning, teaching, and so on. The parties pledge to seek the funding necessary to provide each school with the training needed to achieve its educational goals.

D. Leadership

To achieve the goals of this Agreement, strong, sustained, and visionary leadership is required. The parties need to help each other educate their constituents and the community at large about the need for a new kind of relationship and what it entails operationally. The Union agrees to make a special effort to communicate the need for this kind of change to its Building Representatives and to monitor and maintain steady encouragement of progress. The Superintendent agrees to do the same with Principals/Headmasters and other key administrators.
Article III
School-Based Management
and Shared Decision-Making

A. Governing Philosophy

The Committee, the Union, and the Superintendent agree that the school site is the appropriate place for most decision-making affecting the education of children in that school. The parties also agree that the best quality decisions at the local level are likely to result from the process of shared decision-making.

The purpose of shared decision-making is to create a climate in the schools where the faculty, parents, administration, students (at the high school level), and other community participants working together share the responsibility and accountability for school improvement, better student performance, increased satisfaction among professional educators, greater involvement by and with parents, and stronger support from the community.

The parties recognize that the overriding goal of school-based management and shared decision-making is to improve the quality of our public schools and the instruction and learning of our students.

The parties agree that Principals and Headmasters are the educational leaders at the school site. The building administrator is a key person in creating the environment necessary to bring about positive change. The Principal or Headmaster shares with teachers and parents (and students at the high school level) through their representatives on the School Site Council the responsibility to create an environment where learning and teaching are enhanced.

The parties recognize that the most important interactions affecting student performance take place daily between teachers and students. Teachers, therefore, must be given a shared voice in decisions at the school site. The parties recognize that with this increased role in the decision-making process the teachers at the school site assume more responsibility and accountability for the success of the school.

The parties recognize that parental involvement is essential in achieving educational success for students. Therefore, parents shall also be given a voice in decisions at the school site.

The parties realize that to achieve effective shared decision making at the school level a significant restructuring of schools must occur, and the parties agree to work cooperatively in an effort to bring about these necessary changes. Significant changes in school governance, instructional practices, staff roles, and community involvement will require a substantial commitment from the leadership of the Union, the School Committee, and the Superintendent of Schools. The parties pledge to provide this commitment.

B. School Site Councils

1. Composition

(a) Represented Groups

Each Boston public school shall elect a School Site Council for the purposes enumerated in this Article. Members of a School Site Council should be elected by October 15th of each year to serve until a successor Council is elected.

The School Site Council shall be composed of the Principal/Headmaster, members of the bargaining unit who work more than 50% of their work week at that school elected using a secret ballot from the pool of bargaining unit members similarly qualified, parents elected by the parents of children at that school, and, in high schools, two voting high school student members elected by the student body.

Each school shall also elect each year alternate parent and teacher members of the School Site Council to substitute for absent members of their group. Alternate members may also be used to fill vacancies created by the resignation or removal of a Council member.

School Site Councils may also have associate, nonvoting members, for example additional high school students, representatives from the business or university community, or representatives of other employee groups in the school.
Upon formation or change in membership, each School Site Council shall report the names of its members to the School Department.

(b) Bargaining Unit Members

(1) In General. The number of members of the bargaining unit to be elected to a School Site Council shall be determined as follows, using enrollment figures as of October 1 of the year of the election:

   Schools with less than 30 bargaining unit members: 4, Schools with at least 31 bargaining unit members but not more than 60 bargaining unit members: 5, Schools with 61 or more bargaining unit members: 6.

(2) Goal of Diversity. The Union and the Committee believe that School Site Councils will be less effective if any constituency groups are left out of the process. Therefore each represented group should endeavor to elect individuals who are representative of the racial and ethnic and program diversity of their constituents including Special Education and English Language Learners and the Steering Committee will strongly encourage this.

(3) Definition. Racial groups referred to in this section include: African American/Black, Asian American/Pacific Islander, Hispanic, Native American, and White.

(4) Election Procedures. Any racial group that constitutes at least 5% of the BTU membership at a school site and which has candidates who run for a seat on the School Site Council shall have the candidate with the highest number of votes seated on the Council. All other seats shall be filled by candidates who received the highest number of votes.

If the highest vote-getting candidate from any racial group is not among the highest overall vote-getting candidates, the number of seats of the School Site Council shall be as follows: the highest vote-getting candidate from each eligible racial group and all of the highest overall vote-getting candidates shall be seated.

(c) Parent Members

The number of parents elected to the School Site Council shall equal the number of professional educators, including the principal, on the Council.

(d) Change in Composition

After at least one year of operation as a shared decision-making school, a School Site Council may change its composition with the consent of a majority of the representatives of each represented group, except that no represented group can agree to the elimination of its representation.

(e) Rotation of Membership

At least one of the bargaining unit members and one of the parents on a School Site Council should change each year to insure that a growing segment of the school community develops a deeper understanding of the shared decision-making process.

2. Role of the School Site Council, the Personnel Subcommittee and the Instructional Leadership Team

The parties agree that 1) the School Site Council shall remain the central governing body of the school under the school-based management/shared decision making model; 2) the Instructional Leadership Team is an advisory body to the principal/headmaster on issues related to teaching, learning, assessment, and professional development; and 3) the decisions of the Personnel Subcommittee are not subject to the approval of the School Site Council.

(a) The Role of the School Site Council shall be:

• to review and approve the Whole School Improvement Plan within guidelines established by the Superintendent
• to approve the budget for discretionary school materials, supplies, textbooks and equipment, including the use of school improvement award funds
• to develop and approve plans for increasing parent involvement in the school
• to approve waivers
• to review and approve recommendations of the Instructional Leadership Team that will have a major effect on the school community. Such recommendations need not be forwarded to the School Site Council unless they are endorsed by the principal/headmaster
• to review and approve recommendations from any other committee or group that is established to recommend changes that will have a major effect on the school community
• to receive information about all outside programs or outside professionals that come into the school
• to review and comment on the entire school budget, including the General Fund and External Funds budgets, in a timely fashion. Upon written request, school site council members shall be provided with written or electronic copies of school budgets.

(b) The Role of the Personnel Subcommittee of the School Site Council shall be:
• to approve the hiring of new BTU teachers' bargaining unit staff and in-transfer of BTU teachers' bargaining unit staff from other schools in the system and the choice of teachers from the excess pools
• to approve the selection of Lead Teachers, Mentor Teachers, and new athletic coaches
• to determine the schedule and procedures for reviewing candidates for positions

(c) The Role of the Instructional Leadership Team:
• An Instructional Leadership Team shall be established at each school and shall be a representative body of the professional staff at the school. It shall be composed of administrators and teachers from the various grade levels, disciplines, and programs of the school.
• The Team shall serve as an advisory board to the principal/headmaster on issues related to teaching, learning, assessment and professional development.
• It shall be the responsibility of the principal/headmaster to give a report each month to the School Site Council on the activities of the Instructional Leadership Team.
• Any recommendation of the ILT that alters the Whole School Improvement Plan or may have a major effect on the school community and which is supported by the principal/headmaster shall be subject to the approval of the School Site Council before being implemented.

Each School Site Council is responsible for finding ways to implement the intent of the provisions governing school-based management in ways that do not violate outstanding court orders or state and federal laws and regulations.

C. Shared Decision-Making

1. Orientation Program

The Steering Committee will be responsible for maintaining an orientation program on school-based management and shared decision-making for presentation to all new employees of the School Department, interested parents, and high school students.

2. Operation of the School Site Council

(a) General Policy

The parties expect the members of a School Site Council to operate as a single decision-making team, not as a group of spokespersons representing constituent groups. Their role is to work together to find good solutions to educational problems confronting the school. Members are chosen from various groups to insure that decisions reflect the expertise and input of important affected groups.

(b) Voting

Formally, decisions of a School Site Council will be by majority vote with the Principal/Headmaster voting with the majority. The Principal/Headmaster may not delegate his or her vote except in emergency situations. The Principal/Headmaster is required to account in writing and in person (at a subsequent meeting) for any vote in contravention of a majority of the Council. In the event that a school has no sitting or acting Principal/Headmaster, the appropriate Cluster Leader or his or her designee shall be substituted.

(c) Monitoring of School Site Council Operation

The Steering Committee may request that School Site Councils provide information on the dates of School Site Council meetings and who attended.
The Steering Committee will monitor the operation of School Site Councils and may recommend action to deal with Councils that do not operate in compliance with the terms of this collective bargaining agreement or where Councils are frequently unable to reach decisions by consensus, or where the principal/headmaster repeatedly exercises a veto over the votes of a majority of council members.

To accomplish this monitoring role, the Steering Committee will establish a subcommittee for the purpose of reviewing and responding to complaints arising from schools that SBM/SDM is not implemented in accordance with the terms of the collective bargaining agreement. The subcommittee will consist of two members of the Steering Committee appointed by the BTU President, two members of the Steering Committee appointed Superintendent, two parent members of the Steering Committee appointed by CPC and two student members appointed by BSAC.

A notice of all actions taken by the School Site Councils will be distributed to all BTU Building Representatives, the President of the Faculty Senate, and to the Chairs of the Parent and Student Councils, within five school days following a council meeting.

Any member of a School Site Council may file a complaint with his Steering Committee concerning the operation SBM/SDM at his/her school. All such complaints will be forwarded to the subcommittee that shall acknowledge receipt of the complaint within five days and place the matter on the agenda of the next Steering Committee meeting. A recommendation by the Sub committee on any complaint must be reported to the Steering Committee no later than the second Steering Committee meeting following receipt of the complaint.

It is expected that complaints submitted to this Subcommittee should involve serious breaches of the established guidelines for the implementation of SBM/SDM and that there has been a good faith effort at the school level to resolve these problems prior to filing the complaint.

Recommendations from the Subcommittee must be voted on by the full Steering Committee and such recommendations may include, but are not limited to, providing the services of a mediator/facilitator, calling for new Council elections for all or a portion of the School Site Council members, urging the Superintendent to send a letter of reprimand, if appropriate, or calling for the replacement of a building administrator.

(d) Elections and Meetings

Elections for new School Site Council members shall be conducted as early in the school year as possible, and a first meeting of the new council shall be held no later than October 31st.

At this first meeting a calendar of the meetings for the school year shall be established and any change to that calendar must be approved by the Site Council with at least one week's notice to all staff and parents.

The "out-going" School Site Council shall continue to meet and conduct the business of the Council until such time as the "new" Council holds its first meeting of the school year.

(e) Voting by Alternate Members

Alternate members of a School Site Council shall be voting members of the Council at meetings where their presence is necessary to have a quorum.

Provided that the alternative members of the School Site Council are not available, a teacher, parent, and student representatives on the personnel subcommittee may designate temporary replacement representatives to the personnel subcommittee. Before the summer recess, personnel subcommittee members who will be representing the teachers, parents and students shall leave contact information with school leaders, who will contact participants prior to the hiring or interviewing of any teacher applicants.

(f) Quorum Requirements

To constitute a quorum of members at a School Site Council meeting, the Principal/Headmaster must be present as well as at least two teachers and two parents for site councils with 9 to 12 members, or three parents and three teachers for site councils with 13 or more members.

(g) Bylaws
Each Council shall be required to pass bylaws to govern its School Site Council. The bylaws must be approved or amended by two-thirds of the members of the bargaining unit in the school eligible to vote for the School Site Council and by two-thirds of the parents who come to a parent meeting. There must be at least two weeks notice for the parent meeting. The bylaws may be approved the same night that elections are held. Copies of the bylaws will be distributed to all members at the first meeting of each newly elected council.

The by-laws must at least include provisions which address the following matters:
- How will elections be held?
- When will meetings be held?
- What are the notice procedures for announcing meeting?
- Who is responsible for co-chairing the Council and for recording minutes?
- What is the system for selecting alternates who have the same racial identity as the members they would be representing?
- What are the terms of office and how will they be staggered?
- What is the policy in regards to members who fail to attend regularly?

(b) Agenda

Any member of a School Site Council may place an item on the agenda so long as it is within the scope of authority of the School Site Council.

(i) Co-chairs

There shall be co-chairpersons of all School Site Councils. The co-chairs shall be the Principal/Headmaster and one other voting member elected by the Site Council.

(j) Minutes

A notice of all actions taken by the School Site Councils will be distributed to all BTU Building Representatives and the President of the Faculty Senate within five school days following a council meeting.

(k) Information

All available information concerning the school budget and/or any other matter over which the School Site Council has authority must be shared with members of the School Site Council at least five school days before they are expected to vote on these issues.

3. Training

The BPS and BTU agree to offer training to all School Site Council members.

The BTU shall provide adequate facilities and materials for this training. The training should be a shared responsibility between the BPS and the BTU, and the School Department shall allocate $50,000 annually for the training of School Site Council members. Upon request, the School Department shall provide the BTU, CPC, and BSAC with a list of all School Site Council members.

4. Scope of Authority

(a) Compliance with Law

In managing a school, the School Site Council must comply with all applicable federal and state laws, regulations, and court orders, unless the school has sought and received a proper waiver from appropriate authorities. Absent such a waiver, the Superintendent shall have the power to order specific measures at the school site to enforce such compliance. The School Department and the Union will cooperate through the Steering Committee in aggressively seeking appropriate approvals or waivers of state or federal policies or regulations or to seek statutory change to allow at least a demonstration project.

The actions of a School Site Council must also adhere to the standard of sound educational policy equitably applied to all students. Consistent with her or his statutory responsibilities, it is ultimately up to the Superintendent, in consultation with the Steering Committee, to determine what is inequitable or clearly beyond the bounds of sound educational policy.

This section serves to limit the application of sections (b) through (d) below. Any decision under this section to disallow the action of a School Site Council shall be reported to the Steering Committee.
(b) Discretionary Powers

To the greatest extent possible, decisions affecting the educational process at an individual school shall be made at the school level. Where a decision cannot be made at that level, schools should be free to communicate their views and concerns related to that decision to the relevant decision-maker. School Site Councils shall have primary authority to make decisions affecting those matters listed in Section III(B)(2) above.

(c) School Staffing

Decisions on the voluntary in-transfer of teachers, the hiring of new teachers for “real” vacancies, and consistent with the terms of the current contract the choice of teachers from the excess pool will be made by a Subcommittee of the School Site Council composed of two teachers, one parent, one student in high schools and the Principal/Headmaster, with a majority required for decision and with the Principal/Headmaster voting with the majority. Teacher and parent representatives on this subcommittee may designate temporary replacement representatives appropriate to the position being filled.

In addition to permanent teachers who apply for transfer, a School Site Council may consider a provisional teacher with a letter of reasonable assurance for a position which appears on the transfer list and that the provisional currently holds within that school.

Decisions on the voluntary in-transfer of teachers may be made without regard to teacher seniority. In the event that the School Site Council is unable to reach a decision, the contract provisions in effect prior to the universal implementation of shared decision-making school-based management shall apply.

After interviewing candidates for a vacancy at a school that results from the transfer process, or if a vacancy at a school occurs after the completion of the regular transfer process, a school may choose to advertise or re-advertise the position.

BTU members on the School Site Council shall select the BTU representatives to serve on any screening committee convened to make recommendations for permanent appointments to administrative positions within the school consistent with screening committee guidelines and policies distributed by the School Department.

(d) Waivers

A School Site Council may waive any provision of this Agreement or any School Committee rule or regulation or Superintendent’s policy provided that:

1. The Principal/Headmaster approves the waiver;

2. The school’s Parent Council approves the waiver (in the case of School Committee rules or regulations or Superintendent’s policies);

3. At least 66 2/3% of the members of the bargaining unit who work more than 50% of their work week at that school and who are present and voting approve the waiver; such vote shall be conducted by the Union representative using a secret ballot after five (5) days’ notice to all those eligible to vote;

4. No waiver vote may alter any bargaining unit member’s salary and benefits, seniority rights involving transfer, excessing, or layoff procedures, due process rights, or right to file a grievance, nor the Union’s jurisdiction; and

5. No waiver vote may affect the operation of another school or incur costs to the School Department beyond the school’s allocated budget without the approval of the School Department;

6. The Steering Committee shall be notified in writing of all waivers within five (5) days of their adoption.

In particular, a School Site Council may waive provisions of this Agreement and School Committee or Superintendent’s policies and regulations that involve:

- Timing and length of the school day and year, consistent with clause (5) above (for example, a school might propose to meet from 3 p.m. to 10 p.m.).
A school seeking permission from the Steering Committee to waive some provision of this Agreement or of a School Committee or School Department policy should be prepared to explain concretely their proposed alternative approach, the educational needs motivating the change, and in the case of a policy waiver, how that approach will meet the educational interests motivating the present policy.

If a teacher at a school waiving a provision of this contract as described above objects to the impact of that waiver on his or her job responsibilities, he or she shall be afforded an opportunity to transfer to another position in the system without loss of seniority or benefits. The implementation of any such waiver shall be delayed until such transfer opportunity has been provided or the impact of the waiver on this teacher has been eliminated. Any dispute arising out of the provisions of this paragraph shall be referred to the Steering Committee for resolution and shall not be arbitrable, provided that the Steering Committee reaches a decision on the matter within 30 days.

D. Pilot Schools

The Boston Public Schools and the Boston Teachers Union are sponsoring the establishment of innovative pilot schools within the Boston Public School system. The purpose of establishing pilot schools is to provide models of educational excellence that will help to foster widespread educational reform throughout all Boston Public Schools. The parties hope to improve dramatically the educational learning environment and thereby improve student performance.

There will be up to six pilot schools in the 1995-96 school year and in subsequent years, unless both parties agree to establish more.

Pilot Schools will be open to students in accordance with the Boston Public Schools controlled choice plan. Pilot Schools will operate with an average school-based per pupil budget, plus a startup supplement, and will have greatly increased decision-making authority, including exemptions from all Union and School Committee work rules. The actual establishment of such schools will be pursuant to the issuing of Requests for Proposals (RFP). The RFP will be developed and reviewed by the BPS/BTU Steering Committee. No pilot school shall be established without the approval of the Joint BTU/BPS Steering Committee and the School Committee.

Teachers, paraprofessionals, nurses, guidance counselors, substitutes, and all other employees at pilot schools who fall under the jurisdiction of the BTU contract throughout the school system will be members of the appropriate BTU bargaining unit. These employees shall accrue seniority in the system and shall receive, at a minimum, the salary and benefits established in the BTU contract.

Employees in pilot schools will be required to work the full work day/work year as prescribed by the terms of the individual pilot school proposal. Further, they shall be required to perform and work in accordance with the terms of the individual pilot school proposal.

All BTU members who apply for positions at pilot schools shall receive the following information at the time of their application:

- the length of the school day and school year;
- the amount of required time beyond the regular school day;
- any additional required time during the summer or school vacations; and
- any other duties or obligations beyond the requirements of the BTU contract.

BTU members who are employed at a pilot school shall receive, prior to the end of the school year, the same information as stated above.

The Governing Board of each pilot school shall develop an internal appeals process to allow any staff member to raise issues, concerns, or problems. The internal appeals process shall be submitted to the Joint BTU/BPS Steering Committee for approval. The internal appeals process shall be provided in writing to all BTU staff members.

Issues not resolved at the school level may go to mediation under Article X-C of this agreement. Final resolution will be made by the Superintendent of Schools and the President of the Boston Teachers Union.

The School Department will be allowed to open two new schools as pilot schools. Further, the parties agree to engage in a collaborative effort to establish, during the life of the contract, a pilot alternative secondary school with a minimum capacity of 200 students.

Employees shall work in Pilot Schools on a voluntary basis and may exceed themselves on or before February 1st. No BTU member may be laid off as a result of the existence of Pilot Schools.

The specifications for the RFP on Pilot Schools is agreed to by the parties and is hereby incorporated by reference.

Pilot school positions will be posted on the BPS web page.

**E. Pilot School Agreement**

The parties agree that a minimum number of seven pilot schools, provided there are sufficient proposals to consider, will be created through September 09 under this agreement. The new Pilot schools may result from conversions, newly-created schools, and/or charter schools that opt to become pilot schools. There shall be a union-sponsored, teacher-run pilot school at the site of the Thompson Middle School, effective 9/2009 or as soon as the Thompson building is available for such use. This school shall be run exclusively by the BTU bargaining unit members on staff. This pilot at the Thompson shall be counted as one of the seven schools. Nothing described in this paragraph shall supercede the Contract language found in Article III D, specifically, the language that gives the BTU president or superintendent veto power over any particular pilot school.

The parties agree that a teacher work year schedule (including length of work year, length of work day, professional development time in and out of school, and summer work) shall be created by the Governing Board and shall be given to affected staff no later than January 15 of the previous school year. By a 66 2/3% vote, affected BTU Bargaining Unit Staff may vote to override the proposed schedule, sending it back to the Governing Board for possible re-working. If a schedule for an upcoming school year has not been approved by February 15th, the previous year’s schedule shall remain in place. Staff wishing to excess may do so on February 1st. If, after the start of the school year, the Governing Board of a pilot school wishes to change the teacher work year schedule, as referenced in sentence 1 of this paragraph, the change must be approved by a 66 2/3rds vote of the affected BTU Bargaining Staff. The following paragraph, currently found in Article III D of the 2002-2006 CBA, shall be deleted: “Nothing in this agreement shall prevent pilot school governing bodies from making changes to their programs and schedules during the year.”

i. Bargaining Unit members who work in a pilot school shall get paid at the contractual hourly rate for hours scheduled in accordance with the above paragraph as follows: For all hours scheduled in excess of the traditional teacher work day and year (as mentioned in the first sentence in section 2) for their respective school levels (elementary 6:30 per day; secondary 6:40 per day) of 183 days and 18 hours, the following schedule shall be in effect:

- In 2006-2007, excess hours up to 105 per school year shall not be compensated. Compensation for hours from 105-155 shall be paid by the school department. Compensation for hours beyond 155 shall be the responsibility of the individual pilot school.
- In 2007/2008, excess hours up to 100 per school year shall not be compensated. Compensation for hours from 100-150 shall be paid by the school department. Compensation for hours beyond 150 shall be the responsibility of the individual pilot school.
- In 2008/2009, excess hours up to 95 per school year shall not be compensated. Compensation for hours from 95-145 shall be paid by the school department. Compensation for hours beyond 145 shall be the responsibility of the individual pilot school.

ii. All pay, regardless of the source of funding, will be annualized and retirement-worthy.
There shall be created Discovery Schools, after a jointly-designed process. The BTU, BPE, and the School Department shall create a committee of up to 6 people, evenly distributed, who will design and implement an RFP process. The superintendent shall have veto power over the creation of any particular Discovery School. It is envisioned that this program will be fully operational effective the 2007-8 school year, but nothing herein shall prevent the establishment of a Discovery School prior to that time. Discovery Schools shall be able to apply for the sameautonomies, which could include fiscal and curricular autonomies, as pilot schools and their creation shall be a joint collaboration between the BTU, BPE, and the School Department.

The parties agree that there will be established an intervention process that can be invoked under certain conditions to be established. Either party will be able to initiate an intervention process. The process will be parallel the process as found in Article IV C of the CBA.

Each pilot school’s governing board shall include no less than four teachers.

Disputes over the interpretation or application of Article III E 2i, 2, and 3, shall be resolved in accordance with the arbitration procedure, waiving all immediate steps, of the parties’ collective bargaining agreement unless the superintendent and the union president can agree on a resolution.

The two Boston Horace Mann Charters, The Day and Evening Academy and the Health Careers Academy, will fall under this newly named article III E of the CBA.

Teachers in pilot schools must exceed themselves by February 1 of a given school year. Pilot school principals and headmasters must exceed teachers by February 1 of any given school year.

The parties agree that sections 2i, 1, 2, and 3 and section 6, if applicable, apply to paraprofessionals.

Article III E in the CBA will be renamed Article III F.

F. Local Decision-Making About a School’s Budget

The School Committee will seek to maximize the percentage of a school’s budget that is expended by the decision of the building administrator or School Site Council and to maximize the percentage of all central allocations — the GSP budget, the External Funds budget, the special grants — that are allocated directly to schools and expended by decision of the school. The Steering Committee should offer suggestions for achieving these goals and seek to measure their achievement over the course of this agreement.
Article IV
School Assessment

A. Whole School Improvement Plans

1. Scope

Whole-school evaluation is the cornerstone of the quality assurance system in schools. It enables a school and external supervisors to provide an account of the school's current performance and to show to what extent it meets school district goals. This approach provides the opportunity for acknowledging the achievements of a school and for identifying areas that need attention.

Each school in the Boston Public School system will adopt a written Whole School Improvement Plan each year that sets specific educational goals for the school year. The primary purpose of this plan is to provide the leadership of each school with a process to help guide its decision-making regarding instructional improvement and programmatic options offered to students. The development of this plan is the responsibility of each school's Instructional Leadership Team (ILT).

2. Approval

Each school’s proposed Whole School Improvement Plan shall be submitted to the appropriate Deputy Superintendent. The Deputy Superintendent will either approve the plan or return it for revision. If the plan is returned for revision, the Deputy Superintendent shall provide a written explanation of the decision and specific recommendations for revision of the Plan. The school will then have to submit a revised plan according to the Deputy Superintendent's given timelines.

3. Content

The Whole School Improvement Plans are designed to enable those in schools, supervisors and support services to identify to what extent the school is adding value to learners’ prior knowledge, understanding and skills. The underlying philosophy of that plan should be guided and built on the following six essentials for whole school improvement:

1) Use effective instructional practices and create a collaborative school climate to improve student learning
2) Examine student work and data to drive instruction and professional development
3) Invest in professional development to improve instruction
4) Share leadership to sustain instructional improvement
5) Focus resources to support instructional improvement and improved student learning
6) Partner with families and community to support student learning

B. School Performance Assessment

1. Collection of Data

Careful analysis of student performance data is critical to that improvement and to developing a good school plan. The evaluation of both qualitative and quantitative data is essential when deciding how well a school is performing. The Instructional Leadership Team (ILT) at each school shall conduct a thorough analysis of a wide range of data associated with leadership and management, teaching and learning and family and community engagement. Through this process, the ILT is encouraged to have staff, parents and the school community reflect on the effectiveness of existing school policies and practices. The range of performance related data may include, among other criteria:

- MCAS scores
- Formative assessments
- Learning Walk reviews
- Samples of student work
- Collaborative Coaching and Learning inquiry

2. Annual Assessment

Schools will continue to be assessed annually. Each school will undergo a rigorous external review by the Deputy Superintendent comparing the goals outlined in the Whole School Improvement Plan to performance. A School whose performance is unsatisfactory may
be subject to further review by the Superintendent. The Superintendent may request a joint labor/management intervention process for those schools that have been identified as under performing. This Intervention Team can recommend appropriate improvement measures, including but not limited to:

- Reassignment of some or all members of the bargaining unit and/or administration
- Reallocation of staff duties
- Additional time to attempt improvement, but not more than one year
- Intensive monitoring
- Assignment of part-time or full-time in-school specialists or consultants
- Specialized staff development
- Replacement of some or all of the leadership team including Principal-Headmaster and members of the School Site Council.

A school’s annual assessment is not subject to a grievance by any member of the bargaining unit. A School Site Council may request a review of an unsatisfactory assessment by the Deputy Superintendent, but an annual assessment may be changed only by the Superintendent.

C. School Intervention Teams

The School Intervention Team will be composed of three members chosen by the Union, three members selected by the Superintendent, and a seventh member who is jointly agreed to by the Superintendent and the President of the Union. To the extent possible, an appropriately qualified substitute will be assigned to cover the classes of a teacher when the teacher is working as part of a school intervention team. This team will initiate an assessment of the reasons for the under-performance and present a remedial plan for improvement after spending time at the school and talking with school staff, parents, and community members. The remedial plan will be completed up to four months after the team is appointed. The plan will then be submitted to the Superintendent for appropriate action.

D. Superintendent’s Schools

Vision

The Boston Public Schools seeks to transform low or under-performing schools to schools of excellence through a comprehensive slate of supports, incentives, collaborations, resources, flexibilities, structural improvements, and accountability measures. These schools will be known as the Superintendent’s Schools. All members of the community (teachers, parents, students, administrators, universities, businesses, community groups, and neighbors) must work together to ensure that all students achieve academic success, and that gaps in achievement defined by race, income, language and/or program are eliminated.

Core Beliefs

Boston’s plan for improving low- and under-performing schools focuses on five core beliefs:

- All students can meet high standards of academic achievement in the Boston Public Schools.
- Quality instruction is the key factor affecting student learning.
- Strong and effective leadership at the school site is a key component to whole school improvement.
- The district must position resources to support principals’ development as instructional leaders.
- Incentives and accountability around measurable goals at all levels must be aligned toward improving student learning.

By embracing these five core beliefs in all aspects of school life, by instituting policies and building practices around these beliefs in these schools, and by building coalitions of support around these beliefs, Boston will help build the capacity necessary to enable high student achievement in its neediest schools.

Schools become eligible to be selected as Superintendent’s School status if they meet one of two criteria.

The school is on track to be, or has been, designated as “Chronically Under Performing” by the Massachusetts Department of Education.
The school is on track to be, or has been, designated as "Restructuring" under the Federal No Child Left Behind regulations.

In the first year of this intervention, the Superintendent, under the advisement of the Boston Teachers Union, will select up to 10 schools for this program. The Superintendent may designate five (5) more schools in the second year and five (5) additional schools in the third year for this status.

Once schools lose their state or federal designation they will be removed from the list of Superintendent’s Schools, to be replaced by another following the procedures outlined above.

Each school year, the principal or headmaster of a Superintendent’s School will have sole discretion in filling 75% of personnel vacancies.

All teachers and staff in Superintendent Schools will be required to work one additional hour per school day with the stipulation that a minimum of 80% of this additional time be used for direct instructional time. The balance of the time can be used for professional development (in addition to the 50 hours), meetings, advisory, common planning time, or class time. The specific allocation, scheduling, and content of this additional time will be stipulated in the School Reform Plan (SRP) and must be approved by the Superintendent or his designee. Teachers compensation shall be paid on a pro-rata basis, annualized and retirement worthy. Paraprofessionals will be compensated at their regular hourly rate, retirement worthy.

All teacher Individual Professional Development Plans (IPDP) and school wide professional development plans must be submitted to and approved by the Superintendent or his designee.

The provisions found in Article V A(3)(d) “Normal Teaching Load” that limit teachers from teaching no more than 160 minutes without a lunch break, Planning and Development Period or an administrative duty shall be increased to 180 for Superintendent’s Schools; in addition, teachers in Superintendent’s Schools, to accommodate the additional hour of instructional time, will be permitted to teach up to 300 minutes per day.

Teachers in Superintendent Schools receive an additional 20 hours of professional development per year (in addition to the 30 existing required hours). The first twelve hours can be scheduled as two days during the week before school starts on a Tuesday, Wednesday, or Thursday, or as two days scheduled on Saturdays or other non-pupil school days. The remaining eight hours can be scheduled in the same manner as the current eighteen hours of professional development (see Article V(E)). Teachers participating in these twenty hours shall be compensated on a pro rata basis on their annual salary for this additional time. The faculty will vote to decide the schedule for the additional twenty hours. The vote will be conducted with five school days’ notice to staff and with using a secret ballot. The twenty hours will receive retirement credit.

Teachers will have the option of excessing themselves from a newly-designated Superintendent School by February 1 of the previous school year provided that such notice is given before the beginning of the transfer process.

In each Superintendent School, a Joint Labor-Management Committee (made up of 2 BTU members, 2 chosen by the Superintendent and 1 jointly agreed upon member) will be convened to make recommendations to the Superintendent regarding school staff. The principal or headmaster can recommend to the Joint Committee that teachers, administrators, or other staff be reassigned from the school. The Joint Committee shall vote on any recommendation made by the principal or headmaster to reassign any staff member from the school. A vote in the affirmative by a simple majority shall result in the recommendation being forwarded to the Superintendent for approval and implementation. The Joint Committee may also make their own recommendations regarding the reassignment of additional school staff and/or the principal or headmaster to the Superintendent for approval and implementation. The Joint Committee must make staff reassignment recommendations to the Superintendent by January 15.

Recognizing that many of these schools are hard to staff schools, the district will offer an incentive to encourage individual or teams of experienced, excellent teachers to work in these schools. With additional curricular, leadership, professional development, or other responsibilities, these teachers may receive up to 5% above their base salary.

The scheduling of Tier 2 and 3 schools is an ongoing function of the BPS. Where possible, the BPS will attempt to accommodate a request for Superintendent’s Schools in Tier 3 to move to Tier 2 or Tier 1.

When a principal asks a teacher currently working at a superintendent’s school to fill a vacancy in another grade at the school, and the teacher objects to the assignment, the teacher may appeal the assignment to the BTU President and the Superintendent for resolution. Both must concur for the teacher to be reassigned.

The class size maxima in all regular education classes in Superintendent Schools shall be two students fewer than those maxima identified Article V, Section A(1)(a).

### Article V

**Staffing**

#### A. Teachers

1. **Class Size**

   (a) The Committee and the Union recognize the desirability of achieving optimum teaching-learning conditions by assuring workable class size. To this end the Committee recognizes that it is desirable to attempt to reach the following class size maxima:
- 20 pupils in classes of academically talented or slow academic achievers
- 12 pupils in industrial arts classes composed of special class students

To achieve these class size targets, the Committee and the Union agree that the following class size maxima shall be in effect:

- 20 pupils in industrial classes
- 35 pupils in physical education in the middle and the high schools
- 20 pupils in Structured English Immersion (SEI) classes, Bilingual Classes, and ESL classes.
- 25 pupils in Structured English Immersion (SEI) classes, Bilingual Classes, and ESL classes with a paraprofessional.

In rooms with specific student stations (shops, typing rooms, laboratories) the number of pupils assigned to such rooms should not exceed the number of student stations available.

An appropriate number of regular teachers shall be hired to make possible the aforementioned class size maxima.

Class size for program prototypes 502.2, 502.3 and 502.4 shall conform with Regulations published by the State Department of Education.

The class size maxima during this Agreement shall be as follows:

<table>
<thead>
<tr>
<th>Grade</th>
<th>9/1/2010-8/31/2016</th>
</tr>
</thead>
<tbody>
<tr>
<td>K1, K2, and Grade 1 and 2</td>
<td>22</td>
</tr>
<tr>
<td>Grade 3</td>
<td>25</td>
</tr>
<tr>
<td>Grade 4</td>

</tr>
<tr>
<td>Grade 5</td>

<td>25</td>
</tr>
<tr>
<td>Grades 6-8</td>
<td>28</td>
</tr>
<tr>
<td>Grades 9-12</td>
<td>31</td>
</tr>
</tbody>
</table>

Notwithstanding the above-listed class size maxima table, effective September 1, 2013, the class size maximum in Grade 6 at schools designated as “Level 3” and “Level 4” by the Department of Elementary and Secondary Education shall be twenty-six (26) and the class size maximum in Grade 9 at schools designated as “Level 3” and “Level 4” by the Department of Elementary and Secondary Education (“DESE”) shall be thirty (30). Additionally, each of following schools shall be treated as a “Level 3” school until such time as such school(s) receive a designation from DESE: King K-8, Higginson Lewis, Mildred Ave., Tech-Boston.

(b) Effective September 1, 2001

In elementary schools where there is only one regular education class in a grade level, the School Department may exceed the class size maxima by one or two students. For one student over the class size maxima the teacher will receive $1,500 and for two students $3,000.

In secondary schools where there is a singular regular education course offering, the School Department may exceed the class size maxima by one or two students. For one student in excess, the teacher will receive $300 per class and for two students, $600 per class.

Compensation under this section will be on a pro rata basis and will be subject to retirement deductions.

(c) No compensation shall be owed for class size grievances resolved within fifteen school days of the filing of the grievance.

(d) In the event the maximum class size is exceeded, the building administrator and the classroom teacher will discuss in good faith appropriate educational solutions. These might include the assignment of a Para-professional to assist the teacher, a reduction in the teacher’s nonteaching duties, insuring the teacher an overall average class size that is no more than 85% of the maximum, and similar measures. Ultimately, the classroom teacher may insist that the class size maximum be enforced.

(e) Caseloads

The maximum caseloads for “non-classroom” personnel shall be as follows:

**Speech/Language Pathologists** - Speech and language pathologists shall have a maximum average annual system wide caseload
of one pathologist to forty-three (43) assigned students. The maximum individual caseload shall not exceed fifty-five (55). Effective 9/1/07, the BPS will increase its allocation of speech and language therapists by a net number of 2 in each year of the collective bargaining agreement that expires on August 31, 2010 for a total of six (6).

**Occupational Therapists** - Occupational therapists shall have a maximum average annual system wide caseload of one occupational therapist to thirty-four (34) assigned students. The maximum individual caseload shall not exceed forty-five (45). Effective 9/1/07, the BPS will increase its allocation of occupational therapists by a net number of three in each year of the Agreement that expires on August 31, 2010 for a total of nine (9).

Effective 9/1/07, BPS maintains flexibility to contract as needed in order to address compliance, caseload, leave, vacancies and any other unanticipated need not met by the staffing model in the preceding two paragraphs.

**Physical Therapists** - Physical therapists shall have a maximum average annual system wide caseload of one physical therapist to thirty-two (32) assigned students. The maximum individual caseload shall not exceed forty (40).

**Guidance Counselors** - The citywide ratio of Guidance Counselors shall be 1:300 (high schools); 1:400 (middle schools); and 1:250 (bilingual).

**Nurses** - The system wide ratio of school nurses to students shall be 1 to 700. No nurse will be assigned to more than two schools. In the 2007-2008 school year the School Committee shall add 0.5 Nurses for each exam school.

A joint union/management committee for Unified Student Services will establish a review for itinerants who believe they have inequitable caseloads.

During the course of the 2012-2013 school year, the Committee will add six full-time nurses to the current allotment of nurses and shall maintain such complement of nurses through August 31, 2016. The Committee will designate these six (6) full-time nurses as “coverage nurses” and the Office of Special Education and Student Services shall deploy coverage nurses to address students’ needs in the District including, but not limited to covering for school-based nurses who are absent and supplementing current nursing services.

**Social Workers** - No later than the beginning of the 2013-2014 school year, the Committee shall add eight (8) social workers and shall maintain such complement of social workers through August 31, 2016.

2. **Inclusion**

(a) **Definition and Purpose**

Inclusion is moving a child or children with identified special needs into a general or regular educational setting for the amount of time deemed appropriate for the child’s success.

To maximize student learning and effective teaching, the parties agree to the following provisions regarding the inclusion of SPED students into regular classrooms.

(b) **Teacher Input**

Teacher members of the school-site inclusion planning teams shall be chosen by the school’s faculty. Each Principal/Headmaster shall notify teachers of any inclusion plan to be implemented in their school during next school year prior to February 15, so that:

- teachers and paraprofessionals have an opportunity to plan and prepare for its implementation, and
- teachers who wish to may exercise their contractual right to excess themselves or transfer.

(c) **SPED Placement**

Prior to assigning a student to a specific class for purposes of inclusion:

1. At elementary schools, in accordance with the regulations, the Evaluation Team Leader will convene a meeting of the Evaluation Team plus the SPED and/or regular education teachers who currently have the student and the regular education and/or SPED teacher who is to receive the student.
(2) At middle and high school level schools, in accordance with the regulations, the Evaluation Team Facilitator shall convene a meeting of the evaluation team, including the special education teacher and the regular education teacher who has been designated as the liaison teacher for the student in question. Teachers who volunteer to be liaison teachers will gather information and input from the other regular education teachers to bring to that meeting. They may use two of their administrative periods to perform this task.

(3) When a student moves from an elementary school to a middle school or from a middle school to a high school, whenever possible, Cluster offices from the receiving school cluster will provide a transition person to meet with the sending school teams when they are preparing IEPs.

Decisions about classroom placement shall be made in those meetings in accordance with the regulations which govern placement.

(4) The BPS Special Education Department will clarify in writing for all personnel the policies concerning progress reports, 504 plans, service plans, and the goals addressing the new standards, and any other policies regarding the implementation of special education and support programs.

(d) Appeal of SPED Placement

When a teacher has concerns about the placement of a student, that teacher shall make a request to the Principal or Headmaster to reconvene the team to reconsider the placement in accordance with the regulations. The evaluation team shall respond to the appeal within two weeks. If, upon reconsideration, the team finds the placement inappropriate, it shall present an IEP which contains an appropriate placement option to the parent.

(e) Common Planning Time

Whenever possible, teachers teaching in inclusion classrooms at a school site shall be scheduled so that they have joint planning time at least two periods per week to plan activities in the inclusion setting.

(f) Class Size and Staffing

At each school site, teachers, in consultation with the Principal or Headmaster, will decide how best to configure their inclusion classrooms. However:

(1) In no instance shall an inclusion classroom exceed the ratio of 20 students to one teacher. The 20:1 ratio assumes a maximum of 6 SPED students, however, teachers in consultation with the Principal/Headmaster may exceed this maximum if they determine it is in the best interest of the students to do so.

(2) The staffing of inclusion programs at all schools shall be in a ratio of one special education teacher to one regular education teacher where a full complement of 502.4 students are part of the student body.

(3) The model currently in effect at the O’Hearn School shall be grandfathered and is not subject to this section.

(Note: The parties agree to continue the class size settlement outlined below in sections (4), (5), (6), and (7) as part of the 1997-2000 agreement.)

(4) Article VA(2)(f) Class Size and Staffing of the parties 1994-97 collective bargaining agreement addresses the situation where two classes, one regular education and one special education, have been combined, resulting in an inclusion classroom. Schools which are adopting other models or other integration of classes must consult with their school site councils and follow the procedures for and obtain a waiver consistent with Article III C(4)d under school based management.

Schools which adopt an inclusion model which changes the way that resource rooms are configured or changes the way that resource room services are delivered must follow the procedures for and obtain a waiver through the school based management provisions, referred to in paragraph 1 above. Classrooms with mainstreamed SPED students who continue to receive resource room services which are not changed by the school’s inclusion plan will continue to fall under the provisions of Article V(A)1.

(5) Schools are reminded that the planning process referred to in Article V A2(b) and (h) is vital to the success of any inclusion program.
(7) Article V A2(g) Paraprofessionals and Other Support, ensures that the paraprofessional support assigned to the classes at a school will not be reduced as a result of the inclusion. The article neither entitles teachers to additional paraprofessionals as a result of inclusion, that is, more paraprofessionals than the number assigned to the students prior to inclusion, nor does it allow a reduction because of the inclusion model. Article V A2(g) gives schools flexibility in allocation of their paraprofessional support. Schools with inclusion models which vary from this must obtain a waiver through the school based management process.

(g) Paraprofessionals and Other Support

Principals/Headmasters, with input from the evaluation team, will decide how best to allocate paraprofessional support. In all inclusion classrooms to which 502.4 students are assigned, paraprofessionals shall be provided as well as other support required by that student's IEP.

(b) Training

(1) Teacher Training. School-site inclusion planning teams shall meet with teachers teaching in inclusion classrooms at least twice yearly to determine what training, professional development, and support are needed. The Central and Cluster office personnel responsible for supporting inclusion shall arrange for such training to be provided.

(2) Paraprofessional Training. School-site inclusion planning teams shall meet with paraprofessionals teaching in inclusion classrooms at least twice yearly to determine what training, professional development, and support are needed. The Central and Cluster office personnel responsible for supporting inclusion shall arrange for such training to be provided.

When appropriate, paraprofessionals shall attend professional development training designed to support the inclusion process.

(i) SPED Teacher Retention

No teacher shall be excessed or laid off as a result of a school-site inclusion plan.

(1) Teachers who choose not to teach in an inclusion classroom may exercise their voluntary contractual right to excess themselves or to transfer.

(2) Positions to be filled in inclusion classrooms shall be offered first to teachers and para-professionals in the affected classrooms, then to others within the school according to the terms of the contract.

(3) Positions which are not filled by existing school staff shall be posted on the March transfer list and, if necessary, on the excess pool vacancy list, and on subsequent postings.

3. Scheduling and Teaching Load

(a) General Policy

The teaching schedule and assignments of teachers shall be determined at the school level to meet the best interests of children. To facilitate various educational goals, including coordinated teacher planning and professional development, and consistent with sound educational policy, the length of classes, class size, staffing levels, and daily and weekly schedules of teachers and students need not be uniform.

Whatever master schedule (e.g., six period day, seven period day, block schedule) is in effect in a middle or high school for the 2000-01 school year shall remain in effect in subsequent years unless a new type schedule is approved through the waiver provisions under school-based management by a vote of 55% of the BTU staff.

The Arbitration concerning the schedule at English High School shall be held in abeyance until January 31, 2001, and the BPS and the BTU shall co-sponsor meetings at EHS to discuss scheduling issues.

(b) Planning and Development Periods

(1) Definition and Purpose. “Planning and development periods” are those periods during which a teacher is not assigned to a
regularly programmed responsibility. Planning and development periods shall be teacher directed and it is expected of teachers that these periods will be used primarily for educational planning, team meetings, and parental contact.

(2) Elementary Teachers. All teachers in elementary schools, including specialists and itinerant specialists, will be scheduled for four 48-minute planning and development periods per week. No teacher shall be scheduled for more than two such periods per day.

Effective September 1, 1995, elementary teachers shall receive a 48-minute common planning period each week.

This common planning period may be used for such purposes as common planning time; group, cluster, or departmental planning; team teacher planning; meeting with mentor or consulting teachers; modeling of lessons by demonstration teachers; staff meetings; parent/teacher meetings; or workshops sponsored by the Center for Leadership Development.

Effective January 1, 2001 the weekly common planning period shall be administratively directed.

So long as SPED teachers continue to receive the SPED 96-minute administrative period, such period shall count as two (2) planning and development periods in compliance with this section (1).

A teacher not receiving any such period will be paid 1/5 of the per diem substitute teacher rate.

(3) Middle and High School Teachers. All teachers in middle and high schools will be scheduled for 240 planning and development minutes per week. Teachers will have planning and development time each day and will be scheduled in blocks/periods of continuous time that are no less than 40 minutes in duration.

(c) Administrative Periods

“Administrative periods” are those periods during which a teacher is programmed for an activity other than teaching. "Homeroom classes" are those in which children assemble in the morning, during the school day, and at the close of the day for administrative purposes. The time involved is of short duration. Home room periods of other than short duration are considered administrative periods. Administrative periods shall be distributed as widely as possible among teachers not scheduled for teaching or other duties at a given time. Every effort shall be made to relieve a teacher of an administrative period if a teacher covers a class during one of his or her planning and development periods.

(d) Normal Teaching Load

In order to meet the new State Requirement of 990 instructional hours per year, the maximum teaching time at the secondary level shall be increased to 240 minutes per day. Teachers shall not be required to teach more than 160 minutes without a lunch break, planning and development period, or an administrative duty. Teachers shall receive a minimum of 240 minutes of planning and development time each week.

(e) Duty-Free Lunch

(1) Elementary Schools. The parties agree to provide for every elementary teacher an adequate duty-free lunch period of at least 40 minutes. This was and shall continue to be effectuated within a teaching day beginning at 8:30 and not extending beyond 2:30 p.m. with a 40-minute lunch period and a 15-minute recess. Elementary teachers’ duty-free lunch will be held at regularly-scheduled lunch periods.

(2) All secondary school schedules shall provide for a minimum of a twenty-five minute duty free lunch for teachers.

(3) Leaving School Premises. Staff shall be permitted to leave the building during their duty-free lunch period with the approval of the Headmaster or Principal or Assistant Principal or Teacher-in-Charge.

(f) Limits on Additional Work

Except as otherwise provided in this Agreement, a teacher shall not be required to be present at a school for more than the regular working day for that level, unless they agree to do so voluntarily.

(g) Cooperating Teachers
Any teacher requested to accept a trainee shall have at least one week's advance notice, and may refuse.

**(b) Flexible Workdays for Non-classroom Professionals**

The Headmaster/Principal can develop a flexible work year or work day for Guidance Counselors, Librarians, or any other non-classroom professional so long as the bargaining unit member agrees.

**4. Relief from Non-teaching Tasks**

The parties agree that the present practice of requiring teachers to perform non-teaching tasks is uneconomical; further it has a deteriorating effect on the vitality and effectiveness of the teacher in the practice of his or her profession. It is therefore agreed as follows:

**(a) Elementary Schools**

The Committee and the Union recognize the desirability of relieving teachers of non-teaching duties such as lunch duty, traffic duty, duplicating of materials, collecting money for purposes such as milk, insurance, pictures and school banking. As a first step in effectuating these principles, the parties agree that elementary teachers shall have no bus duty before or after school.

**(b) Middle Schools**

A person will not be required to perform street duty where police protection is considered necessary but it is not available. A person is not required to perform traffic patrol.

(c) Teachers relieved by school paras of administrative assignments shall not be assigned to teaching duties in lieu of such administrative assignments.

(d) No industrial arts, vocational education, or home economics teacher shall be required to perform work that is not part of the pupil instructional program or part of the teacher's job duties.

Teachers are encouraged to cooperate in meeting reasonable requests made with reasonable lead time prior to events related to school activities.

**5. Teacher Assignment Procedures**

**(a) High and Middle Schools**

(1) No later than February 1st, programming preference sheets shall be distributed to all teachers. Programming preferences will be honored to the extent consistent with the provisions of this Agreement. All preference sheets shall be returned by March 1. No later than ten (10) school days prior to the end of the school year, teachers shall be given the following information on their programs for the next school year:

- Subjects and grades of subject to be taught.

- Any special information about particular classes teachers may be required to teach and the grade and particular type of home room.

No later than five (5) school days before the end of the school year, teachers should receive their total program for the following school year, which shall include the periods and rooms where their assignments are scheduled. Programs may be considered subject to change if necessary because of changes in subject enrollments, faculty changes, or programming conflicts. Reasons for any such change shall be given by the Principal or Headmaster to any teacher affected. No teacher shall be required to teach out of certificate and no teacher will teach out of certificate if it prevents others from being appointed from the rated list.

A teacher may consent to teach outside of his or her primary program area to avoid being involuntarily excessed, provided the teacher is state certified and the assignment does not cause the layoff or prevent the recall of another teacher.

(2) Whenever possible teacher programs should follow these guidelines:
– Teachers shall be programmed so as to have a minimum of lesson preparations. Program requests of teachers shall be taken into consideration in determining this minimum. This policy shall be followed especially for beginning teachers and teachers having home room classes with maximum teaching loads.
– Teachers should be assigned to teach in their area of certification.
– There should be no more than three consecutive teaching assignments and no more than four consecutive working assignments except for teachers normally programmed for double periods.
– The number of different rooms in which assignments occur should be kept to the absolute minimum.
– Equitable standards should be applied within each school for exemption from home rooms and building assignments.

(b) Elementary Schools

No later than February 1st preference sheets shall be distributed to teachers. Teachers should indicate their preferences in order of priority of grade level and type of class, with the understanding that if an opening exists, such preferences will be honored where it is consistent with the educational needs and requirements of the particular school.

Teachers should be given an opportunity to discuss their assignment request with their principal. All preference sheets should be returned to the principal on or before March 1.

Where there is a vacancy and more than one qualified internal candidate desires the position, the principal or headmaster has the right to select an individual to fill a particular grade and/or assignment.

With regard to requests as to grade level or special assignments, teachers with the highest seniority should be given preference if the teachers’ qualifications for the position are the same.

Looping at the Elementary Level: If the principal with a majority of the teaching staff at an elementary school adopts a “looping model,” the principal shall be allowed to assign teachers to implement this program. Kindergarten classes will be excluded from any looping program.

(c) Rotation

The policy of equitable assignment of teachers for all teaching duties should be followed insofar as possible. The policy of equitable rotation of teachers for all non-teaching duties (including home room classes) should be followed insofar as possible, provided, however, no teacher shall be required involuntarily to perform a specific non-teaching assignment for a period in excess of two (2) school years.

On or before February 1, a list of all non-teaching assignments for which administrative periods are given in a teachers’ program shall be posted in each school. These assignments may be applied for in the teacher’s program preference sheet as herein provided.

An applicant for such a non-teaching assignment who does not receive the assignment shall, upon his/her request, be given the reasons for not having been selected by the Principal or Headmaster.

(d) Granting Permanent Status To Provisional Teachers:

Principals will be required to make recommendations as to which provisional teachers they want to make permanent teachers by February 1st of each year. Principals will be notified by February 15th if their recommendations have been approved. The Superintendent shall make permanent appointment of provisional teachers by March 27th.

6. Project Promise

(a) All Project Promise positions will be posted as more desirable positions under Article V(1)(2)(a) and filled by teachers who voluntarily apply and are selected.

(b) Faculty members in designated Project Promise schools who are interested in participating in Project Promise shall so inform their principals in writing. No such teacher shall be required to fill out a formal application or submit resumes, transcripts, or letters of recommendation.
(c) At any school which is designated a Project Promise type school as, for example, the Timilty and Thompson Schools in the 1986-87 school year, a teacher who does not apply for Project Promise or who applies but is not selected may be excessed or otherwise involuntarily assigned elsewhere in the system.

(d) Hours

Notwithstanding any contrary provisions of Article V(E), all teachers selected for Project Promise shall be required to work two hours beyond the regular work day on Monday through Friday and may be required to work three hours on Saturdays.

(e) Work Schedule and Assignments

The teaching schedules and assignments of Project Promise teachers shall be determined by the individual clusters established at each school; however, all Project Promise teachers shall be entitled to contractual provisions regarding lunch time, administrative periods, and planning and development time.

(f) Compensation

The extra hours of work, Monday through Friday, shall be compensated at the contractual hourly rate and the annual salary of Project Promise teachers shall be increased to annualize this premium. Each Saturday actually worked will be paid at one-half the teacher's actual per diem rate.

(g) No teacher will be laid off or denied recall rights as a consequence of the Project Promise program.

7. Summer Program

A voluntary summer program may be available for students in certain of the Boston Public Schools. The purposes of the summer program shall include enrichment of the educational experience of students, to provide opportunities for student remediation, to integrate work and community service opportunities with educational experience, and to allow for greater opportunities for sports, arts, and vocational education.

The School Department shall determine the summer program curriculum, all aspects of operation and administration of the program, including employment in the program, salary, hours, and conditions of employment. Employee participation in the summer program shall be voluntary. Selection of employees shall be as determined by the Department.

8. Hiring of Substitutes: Class Coverage

(a) Teachers having an instructional program who are allowed to attend an educational convention, or are called for a full-day professional conference or meeting by the Superintendent or a vote of the Committee, shall be relieved by a per diem substitute and the teacher shall be compensated.

A teacher shall lose no compensation for participation in case conference(s), home visit(s), attendance at council meeting(s), or attendance at any other approved meeting(s) which take one-half (1/2) or more of the day.

(b) It is the policy of the Committee that substitutes shall be hired to cover classes of regularly assigned teachers when they are absent.

(c) In the event the Committee, after a good faith effort is unable to hire a substitute for a classroom teacher who regularly works with a paraprofessional, that paraprofessional may be requested to serve as a substitute teacher under the following conditions:

(1) The paraprofessional has a teaching certificate or five or more years of service.

(2) The paraprofessional is requested to substitute only in those classes in which he or she normally works.

(3) The paraprofessional is paid $6.00 per hour in addition to his or her regular salary.

(d) The Department will make a good-faith effort to hire a substitute when a regularly assigned nurse is absent for more than one day. In any event, a substitute will be provided whenever a nurse is absent for three or more days.

The parties further agree that notwithstanding anything in this Agreement or the prior contract to the contrary the system wide ratio of nurses to students shall be 1 to 700. A joint labor management committee of four administrators appointed by the Superintendent and four nurses appointed by the BTU shall be established. The first objective of this committee shall be to develop a workable coverage plan for absences. No nurse shall be assigned to more than two schools.

The total budget will be $15,000 for each of the following school years: 2007-2008, 2008-2009, 2009-2010. The funds will be divided proportionally among the different groups. The BTU and administrative members of the joint union management committee will plan the allocation of these funds for discipline specific professional development. Schools can choose Reading Recovery Teachers from applicants who are licensed as reading teachers or elementary or both so long as no reading teacher is currently on lay off and provided the teacher successfully completes the Reading Recovery Training.

20. JROTC

There will be a Joint Labor/Management Committee for JROTC that will submit a recommendation for this program by July 1, 2007.

C. Alternative Service Providers

1. Educational Contracts

Before the School Department enters into any outside educational contracts that directly affect the teaching-learning situation in the classroom, the contract shall be submitted for discussion by the Steering Committee.

Prior to the bringing of any grievance resulting from such a contract to arbitration, the Union shall submit the dispute for consideration by the Steering Committee. If within thirty (30) days of its presentation the Steering Committee reaches a decision on how to resolve the grievance, it shall be considered resolved and shall not be appealable to arbitration.

2. Volunteers

The Union shall continue its policy of not filing grievances against the use of volunteers in the school system, provided such volunteerism does not result in the layoff of or failure to recall any member of the bargaining unit, nor the exceeding of any member of the bargaining unit from a school that has not adopted shared decision-making.

Notwithstanding any other provision of this Agreement or prior arbitration decisions affecting voluntary programs as defined herein, the School Department may make any contract or arrangement for the provision of voluntary programs or services which
enhance the educational output of the schools with organizations or individuals who are not part of the bargaining unit, provided that such contracts or arrangements have the effect of augmenting services and personnel rather than replacing them, and provided further, that such contracts or arrangements shall not result in the layoff or excessing of unit personnel or preclude the recall of unit personnel. The term ‘voluntary’ as used in this paragraph means that the School Committee shall not pay directly or indirectly for the services or programs.

D. **Affirmative Action**

The parties agree that in situations where the School Department is under a Federal Court Order to reach a specified percentage of black or other minority teachers by a time certain, such compliance shall be attained through annual incremental progress. In situations where the percentage of black or other minority teachers within a school building is significantly less than the system-wide percentage for that particular level, the Union and the Department will jointly identify schools in need of such effort and will develop an agreed-upon procedure to address this problem.

The School Department will advertise and target all bargaining unit positions at the examination schools for minorities until those schools meet their court-ordered percentages for minority representation on the faculty. Circulars will clearly state that these procedures are undertaken to comply with federal court orders. The Union agrees not to grieve these postings.

The School Department agrees that if it is unable to reach the court-mandated percentages of minority faculty by the 1990 deadline, it will not undertake involuntary excessing to meet the goals at that time. Instead, both parties agree to petition the court for an extension of time to achieve compliance.

The School Department will identify schools where minority representation among teachers is significantly less than the systemwide percentage for that particular level and will work in cooperation with the Union and the School Site Council (or Principal/Headmaster if there is no School Site Council) to increase that percentage.

E. **Length of School Year/School Day and Calendar**

1. **Length of School Year**

   (a) In General

   1. Effective for the 1997-1998 school year and thereafter, the work year of teachers, other than new teachers who may be required to attend three (3) days of orientation, will begin the day after Labor Day and will terminate no later than June 30, but will in no event exceed one hundred eighty-three (183) days. The “work year” will include days when pupils are in attendance, orientation days at the beginning of the school year, conference days, in-service training days, curriculum development days, and any other days on which teacher attendance is required.

   2. The three days in excess of the 180 days required by law shall be scheduled on the school calendar (or any revision thereof with appropriate notice) during the work year, but not on a day on which pupils are scheduled, and not on a Saturday, Sunday, or holiday, or during a normal intercession. These additional three days shall be used for in-service training, curriculum development, or other programmed professional purposes.

   3. The Union shall be allowed to participate in orientation programs for new teachers.

   4. The teacher and paraprofessional work year will begin the day after the Labor Day holiday. The activities for the first thirty minutes of this first day will be determined at the discretion of the building administrator. Teachers and paraprofessionals will spend the remainder of the first day organizing and preparing their classrooms. The activities for the first thirty minutes of the second day will be determined at the discretion of the building's union representative. Teachers will spend the remainder of the second day engaged in professional development.

   5. The student year will begin on the Thursday after Labor Day.

   6. Classes for kindergarten students shall not commence until the Monday following Labor Day.

   7. Eighteen hours of professional development activities beyond the regular school day hours shall be scheduled annually. These eighteen hours shall focus on advancing the goals and objectives of the individual school's Whole School Improvement Plan.
For all professional development hours, the ILT in each school shall hold a meeting with the faculty each April to solicit ideas for the content of professional development in the following school year.

8. The building administrator may establish the professional development schedule provided that the meeting schedule be provided to the staff no later than the end of school for the preceding year, none of the time be scheduled over the summer unless there is a waiver vote under CBA, and provided that no professional development time be scheduled on the 2nd Wed. of month, and must be at least two hours in length.

9. Professional development schedules should be finalized by the end of the preceding school year. For the 1997-98 school year this deadline will be extended to October 15th if necessary. If the administrator and the faculty fail to agree on a professional development schedule, three six-hour professional development days shall be added to the end of the school year.

10. Teachers shall be required to participate in eighteen hours of professional development plus one full day of professional development which shall be scheduled on the work day following the Christmas vacation or the April vacation, at the discretion of management. This full day of professional development may be converted to professional development hours by a majority vote of the faculty. Teachers will receive a PDP certificate at the end of the school year for all time spent in professional development activities. Teachers may combine PDP activities year-to-year to comply with state requirements.

The professional development schedule for a school year shall be finalized before the end of the previous school year and the schedule shall be distributed to the staff. In the event that more than 25% of the staff is new to the building the following September, the faculty may re-vote. The vote must be completed by 9/15. The vote will be held by secret ballot with five days’ notice to staff.

11. If a principal/headmaster so determines the need, up to ten additional hours of professional development can be required for the whole staff or some portion of the staff. The teachers required to engage in this professional development will schedule these hours and the principal/headmaster will determine the content. Teachers will be paid on a pro rata basis on their annual salary for this additional time. Such payment will be subject to retirement deductions.

2. Length of the School Day

(a) The length of the teacher day at all levels will increase by ten minutes.

(b) The fifteen minutes before and fifteen minutes after school time for teachers shall be reduced to a total of twenty minutes, ten minutes before and ten minutes after school. The faculty, by a majority vote and with the approval of the principal, may change the allocation of the twenty minutes before and after school time.

(c) Group II Personnel

The work year for Group II personnel shall be up to three (3) days in excess of the regular teacher work year. Such days will be scheduled during the week before or after the regular teacher work year. Group I personnel who work in the same positions may also be scheduled up to three (3) days in excess of the regular teacher work year, during the week before or after the regular teacher work year, in which case they shall be paid extra at their regular per diem rate.

3. School Calendar

The School calendar prepared and promulgated by the School Department in advance of the beginning of a school year shall provide for three (3) one-week intercessions in December, February, and April.

Sessions of the day schools shall be suspended on Saturdays, Sundays, and the following named holidays and vacations: the Columbus Day holiday, the Veterans Day holiday, from Thanksgiving Day until the following Monday, from the first school day immediately preceding Christmas to and including the first day of the following January, Martin Luther King, Jr. Day, the week in which the twenty-second of February falls, Good Friday the week in which the nineteenth of April falls, and Memorial Day. Whenever any of the aforesaid holidays falls on Sunday, the schools shall not be in session on the following Monday.

4. Length of Pupil Day

The length of the pupil school day shall not be less than the time required by the State Board of Education.
5. School Adjustment Counselors

Hours for School Adjustment Counselors shall be as are required by them to complete their case load, but in no event shall their work day terminate prior to 2:30 p.m.

6. School Nurses

School Nurses shall not be required to remain in the building after administrative personnel leave.

7. The Day Before Thanksgiving and the Last Two Days of School

On the day before Thanksgiving and the last two days of the school year pupils shall be dismissed at not later than 12:30 p.m. provided that permission for such dismissals is granted by the State Department of Education.

8. Parent-Teacher Meetings

Teachers will be available to attend two (2) evening parent-teacher meetings during the school year. Such meetings shall be planned by the building administrator in cooperation with the faculty senate and the parent council with one (1) month’s advance notice. Such meetings shall not be scheduled to exceed two (2) hours each. Adequate security will be provided by the School Department.

On or before October 1 of each year, each School Site Council will schedule a parent orientation session. School Site Councils may use at least one of the school’s two-hour parent conference time slots for this parent orientation session.

Each teacher in a school will notify the Principal/Headmaster of the weekly non-instructional time period during which it is convenient for that teacher to be available to meet with parents.

In September of each year all teachers shall prepare a brief outline or syllabus (one to three pages) which includes: the student learning objectives for the year, the curriculum materials they plan to cover, and any student learning products or projects which students are expected to produce during the school year.

This outline may be supplemented with information about the amount of time students are expected to spend on homework; student attendance requirements; what students are expected to bring to class (or not bring to class); and any other information that the teacher deems appropriate to help parents understand what is expected of students. Teachers shall not be required to repeat any information which is distributed by the school to all parents, e.g., code or discipline, homework policy, school handbook.

Two copies of this outline or syllabus shall be given to parents at the first parent teacher meeting of the school year. One copy must be signed by the parent and returned to the teacher indicating the parent's understanding of the curriculum and expectations and agreeing to cooperate with the teacher in meeting the educational objectives set for the year. Parents who do not attend the meeting shall have copies mailed to them by the principal at School Department expense with a stamped return envelope to return the signed copy to the school.

All K-5 elementary homeroom teachers will arrange for individual parent/teacher conferences in the fall.

The school will include along with the outline or syllabus given to parents each September a schedule of times that the teachers are available to meet with parents for an individual conference about their children.

Individual parent/teacher conferences shall be held at the school at a time that is mutually agreed upon by the parent and the teacher. If a parent is unable to come to a conference at the school, the teacher/parent conference regarding the child’s school performance shall be conducted by telephone.

Follow-up individual conferences with all parents in the spring shall be encouraged; however, teachers shall schedule a second individual conference with any parent whose child is in danger of not being promoted to the next grade.

F. Performance Evaluation, 9/1/10 through 8/31/12

1. Formal Evaluation
All staff shall be formally evaluated using factors reasonably related to a teacher’s professional performance, with a mark for each factor and an overall rating. Overall ratings shall be: Satisfactory or Unsatisfactory and shall be transmitted to teachers prior to May 15.

Staff will generally be evaluated formally every two years, except as set forth in section 3(h) below. During each school year, each Principal/Headmaster or Director will identify approximately one-half of the staff for which that administrator is responsible to be evaluated during that year. The process of identifying the evaluatees will be determined by the responsible administrator. An administrator may also evaluate a staff member not originally identified, if assistance, supervision, or intervention are deemed appropriate based on informal observation.

2. Evaluators

(a) No supervisor shall supervise or evaluate a relative.

(b) Technical aspects of professional nursing or psychological services shall be evaluated only by a professional nurse or other health care expert designated by the School Department or, in the case of psychologists, by a certified school psychologist or other mental health professional designated by the School Department.

(c) The headmaster, principal, the superintendent’s designee, or other administrator outside the bargaining unit will be responsible for all evaluations. However, they may be assisted by other qualified persons (who are not members of the bargaining unit) designated by the School Department.

(d) Principals/headmasters, the Superintendent, and their designees may at their discretion, enter teachers’ classrooms to observe, for purposes of support, supervision, and evaluation. Designees will be administrative employees of the Boston Public Schools and not members of the Boston Teachers Union.

3. Schedule, Meetings, and Procedures

(a) At the beginning of each school year, the responsible administrator or his or her designee shall meet with teachers for the purpose of explaining the evaluation program and instrument and answering questions. The building administrator may be assisted by other qualified persons designated by the School Department. Classroom visits may be a combination of announced and unannounced visits.

(b) Within ten (10) school days during which the teacher is present following the last observation to be used as a basis of the evaluation, regardless of the rating mark, the responsible administrator or designee shall meet with the teacher for the purpose of discussing the evaluation. The teacher will be notified in writing when the observation has ended for the purposes of counting the ten school days. At this meeting the teacher will be given two (2) copies of the written evaluation, signed and dated by the responsible administrator. The teacher shall sign and return one (1) copy to indicate having received it, but not to indicate agreement or disagreement. No teacher shall be asked to sign an incomplete evaluation form. Teachers shall be allowed to attach their written comments to the evaluation form. A teacher whose overall performance has been judged unsatisfactory at any point during the school year shall be so notified in writing and shall meet directly with the responsible administrator.

(c) In any area where the responsible administrator or designee indicates a need for improvement, he or she will provide the teacher with a written prescription. The teacher may attach comments to the prescription. If a teacher’s performance results in an interim or yearend overall evaluation of unsatisfactory, the evaluation prescription may contain a requirement that a teacher take advantage of additional professional development training or other opportunities offered by or through the School Department to correct a weakness or deficiency which caused the unsatisfactory rating. For purposes of this contract, interim means evaluations that at a minimum are 20 school days apart. If, after allowing adequate time to improve, the teacher continues to need improvement, the responsible administrator may include in the evaluation prescription that the teacher may voluntarily take advantage of professional development courses or in-service training to correct a deficiency.

(d) If the responsible administrator has adjudged a teacher as overall Does Not Meet Standards on at least four (4) interim overall evaluations within a twelve (12) month period during which a teacher is present or on at least two (2) interim overall evaluations plus an end of the year overall evaluation in a school year, the responsible administrator may initiate termination by recommending to the Superintendent that such teacher be terminated. Evaluations with an overall rating of Does Not Meet Standards need not be consecutive. If a teacher who receives an overall Does Not Meet Standards takes a leave or is absent for any reason, the current evaluation timeframe is suspended. The time periods in this paragraph will not run during the teacher’s absence. Upon return from leave or absence, the current evaluation cycle will resume and the teacher must meet with the responsible administrator within five (5) school days. An end of year overall unsatisfactory evaluation must be preceded by at least two interim overall unsatisfactory evaluations during that school
year. A teacher may be removed from the classroom, dismissed, or suspended for just cause prior to the completion of the prescriptive period specified in this paragraph.

(e) After each of the first three interim overall Does Not Meet Standards evaluations that is based in whole or in part upon classroom performance, the responsible administrator shall conduct a follow-up evaluation. This evaluation shall include observation(s) of classroom performance that are separated by a minimum of 20 school days during which the teacher is present and a maximum of 50 school days during which the teacher is present after the previous "unsatisfactory" evaluation, except after the first Does Not Meet Standards evaluation in a school year when a subsequent evaluation may not be conducted any earlier than 30 school days during which the teacher is present and no later than 60 school days during which the teacher is present. Subsequent evaluation cycles will be subject to the 20 to 50 day timeline. However, in any case where an overall unsatisfactory evaluation occurs within 50 school days from the end of the school year, the evaluator will perform a follow-up evaluation by November 15th of the subsequent school year.

If an interim overall "unsatisfactory" is based upon other than classroom performance, then the responsible administrator must clearly convey the reasons in writing to the teacher and follow prescribed procedures for progressive discipline.

(f) Factor marks, less than annual overall ratings, and comments on an annual overall evaluation form are neither grievable nor arbitrable. An annual overall unsatisfactory rating shall be maintained as a permanent part of the employee's personnel record and may be grievable and arbitrated. Any such grievance shall be dealt with expeditiously. In the event of a concurrent dismissal, the grievances shall be merged and treated as a single grievance.

(g) Teachers newly assigned to program areas for which strict compliance with the qualification requirements has been waived will be held to the same performance standards as all other personnel.

(h) The following individuals shall be evaluated annually, prior to November 15 if at all possible:

(1) Staff who were evaluated during the previous school year as Unsatisfactory overall or in a particular area.

(2) All permanent teachers with less than three years seniority.

(3) All intern and provisional teachers.

(4) All staff new-to-building.

(i) Evaluation Cycles:

(a) Intern and Provisional teachers will receive annual "year end" evaluations.

(b) Permanent teachers will receive "year end" evaluations every two years.

(j) Evaluation Ratings:

All evaluation ratings on both "interim" and "year end" evaluations will be "satisfactory" or "unsatisfactory."

4. Evaluation Instrument

(a) The BPS and the BTU are committed to establishing a teacher evaluation system which is based on evaluators providing a written narrative evaluation of teachers.

(b) The current summative evaluation instrument will be amended to include descriptors for each of the eight "performance areas."

(c) A fourth standard for evaluation - "The teacher cooperates in implementing the Whole School Improvement Plan" - shall be added to the teacher evaluation instrument under the performance area entitled "School Responsibilities."

5. Plan and Mark Books

The BPS shall provide all teachers with plan and mark books. Teachers shall maintain up-to-date written evidence of adequate prior lesson preparation. These plan and mark books will be available for review by the principal or the designated supervisor during classroom observation or at other reasonable times during the school day when the teacher is not using the plan and mark books.

6. Student Performance and Student Progress

(a) Beginning in September, 1997, and in each subsequent June, all classroom teachers shall be provided by the BPS with data indicating how their students compare on standardized achievement tests with similar students in similar classrooms throughout the
school system, including relative gain data where possible.

(b) When the statewide assessment tests begin in the 4th, 8th, and 10th grades in English, math, history, and science, comparative data on these tests will also be provided to teachers.

Also, when the BPS develops criterion reference tests or other district wide performance assessments, teachers will also be provided with comparative data. Where possible, this data will be provided on a pupil gain basis.

(c) Where students progress is consistently low, principals and administrators or their designees will discuss personally these test results with each of their teachers and work with these teachers to develop appropriate strategies for improving student performance.

(d) Each school’s Whole School Improvement Plan shall include guidelines for assessing and improving the annual academic progress of all students.

7. Informal Evaluations

Principals/headmasters, the superintendent and their designees may from time to time visit classrooms to observe informally the classroom management and instructional practices of teachers. If the observer notes need for improvement in any area, the observer will provide written feedback to the classroom teacher within five school days of the informal visit.

Performance Evaluation, effective 9/1/12

Purpose of Educator Evaluation

This contract language is locally negotiated and based on M.G.L., c.71, § 38; M.G.L. c.150E; the Educator Evaluation regulations, 603 CMR 35.00 et seq; and the Model System for Educator Evaluation developed and which may be updated from time to time by the Department of Elementary and Secondary Education. See 603 CMR 35.02 (definition of model system). In the event of a conflict between this collective bargaining agreement and the governing laws and regulations, the laws and regulations will prevail.

The regulatory purposes of evaluation are:

To promote student learning, growth, and achievement by providing Educators with feedback for improvement, enhanced opportunities for professional growth, and clear structures for accountability, 603 CMR 35.01(2)(a);

To provide a record of facts and assessments for personnel decisions, 35.01(2)(b);

To ensure that every school committee has a system to enhance the professionalism and accountability of teachers and administrators that will enable them to assist all students to perform at high levels, 35.01(3); and

To assure effective teaching and administrative leadership, 35.01(3).

Definitions (* indicates definition is generally based on 603 CMR 35.02)

*Artifacts of Professional Practice: Products of an Educator’s work and student work samples that demonstrate the Educator’s knowledge and skills with respect to specific performance standards.

Caseload Educator: Educators who teach or counsel individual or small groups of students through consultation with the regular classroom teacher, for example, school nurses, guidance counselors, speech and language pathologists, and some reading specialists and special education teachers.

Classroom teacher: Educators who teach preK-12 whole classes, and teachers of special subjects as such as art, music, library, and physical education. May also include special education teachers and reading specialists who teach whole classes.

Categories of Evidence: Multiple measures of student learning, growth, and achievement, judgments based on observations and artifacts of professional practice, including unannounced observations of practice of any duration; and additional evidence relevant to one or more Standards of Effective Teaching Practice (603 CMR 35.03).

*District-determined Measures: Measures of student learning, growth and achievement related to the Massachusetts Curriculum Frameworks, Massachusetts Vocational Technical Education Frameworks, or other relevant frameworks, that are comparable across grade or subject level district-wide. These measures may include, but shall not be limited to: portfolios approved commercial assessments and district-developed pre and post unit and course assessments, and capstone projects.

*Educator(s): Inclusive term that applies to all classroom teachers and caseload educators, unless otherwise noted.

*Educator Plan: The growth or improvement actions identified as part of each Educator’s evaluation. The type of plan is
determined by the Educator's career stage, overall performance rating, and the rating of impact on student learning, growth and achievement. There shall be four types of Educator Plans:

**Developing Educator Plan** shall mean a plan developed by the Educator and the Evaluator for one school year or less for an Educator without Professional Teacher Status (PTS); or, at the discretion of an Evaluator, for an Educator with PTS in a new assignment.

**Self-Directed Growth Plan** shall mean a plan developed by the Educator for one or two school years for Educators with PTS who are rated proficient or exemplary.

**Directed Growth Plan** shall mean a plan developed by the Educator and the Evaluator of one school year or less for Educators with PTS who are rated needs improvement.

**Improvement Plan** shall mean a plan developed by the Evaluator of at least 30 calendar days and no more than one school year for Educators with PTS who are rated unsatisfactory with goals specific to improving the Educator's unsatisfactory performance. In those cases where an Educator is rated unsatisfactory near the close of a school year, the plan may include activities during the summer preceding the next school year.

*ESE: The Massachusetts Department of Elementary and Secondary Education.

**Evaluation:** The ongoing process of defining goals and identifying, gathering, and using information as part of a process to improve professional performance (the "formative evaluation" and "formative assessment") and to assess total job effectiveness and make personnel decisions (the "summative evaluation").

**Evaluator:** Any person designated by a superintendent who has primary or supervisory responsibility for observation and evaluation. The superintendent is responsible for ensuring that all Evaluators have training in the principles of supervision and evaluation. Each Educator will have one primary Evaluator at any one time responsible for determining performance ratings.

**Primary Evaluator** shall be the person who determines the Educator's performance ratings and evaluation.

**Supervising Evaluator** shall be the person responsible for developing the Educator Plan, supervising the Educator's progress through formative assessments, evaluating the Educator's progress toward attaining the Educator Plan goals, and making recommendations about the evaluation ratings to the primary Evaluator at the end of the Educator Plan. The Supervising Evaluator may be the primary Evaluator or his/her designee.

**Teaching Staff Assigned to More Than One Building:** Each Educator who is assigned to more than one building will be evaluated by the appropriate administrator where the individual is assigned most of the time. The principal of each building in which the Educator serves must review and sign the evaluation, and may add written comments. In cases where there is no predominate assignment, the superintendent will determine who the primary evaluator will be.

**Notification:** The Educator shall be notified in writing of his/her primary Evaluator and supervising Evaluator, if any, at the outset of each new evaluation cycle. The Evaluator(s) may be changed upon notification in writing to the Educator.

**Evaluation Cycle:** A five-component process that all Educators follow consisting of 1) Self-Assessment; 2) Goal-setting and Educator Plan development; 3) Implementation of the Plan; 4) Formative Assessment/Evaluation; and 5) Summative Evaluation.

**Experienced Educator:** An educator with Professional Teacher Status (PTS).

**Family:** Includes students’ parents, legal guardians, foster parents, or primary caregivers.

**Formative Assessment:** The process used to assess progress towards attaining goals set forth in Educator plans, performance on standards, or both. This process may take place at any time(s) during the cycle of evaluation, but typically takes place at mid-cycle.

**Formative Evaluation:** An evaluation conducted at the end of Year 1 for an Educator on a 2-year Self-Directed Growth plan which is used to arrive at a rating on progress towards attaining the goals set forth in the Educator Plan, performance on Standards and Indicators of Effective Teaching Practice, or both.

**Goal:** A specific, actionable, and measurable area of improvement as set forth in an Educator's plan. A goal may pertain to any or all of the following: Educator practice in relation to Performance Standards, Educator practice in relation to indicators, or specified improvement in student learning, growth and achievement. Goals may be developed by individual Educators, by the Evaluator, or by teams, departments, or groups of Educators who have the same role.

**Measurable:** That which can be classified or estimated in relation to a scale, rubric, or standards.

**Multiple Measures of Student Learning:** Measures must include a combination of classroom, school and district assessments, student growth percentiles on state assessments, if state assessments are available, and student MEPA gain scores. This definition may be revised as required by regulations or agreement of the parties upon issuance of ESE guidance expected by July 2012.
*Observation:* A data gathering process that includes notes and judgments made during one or more classroom or worksite visits(s) of any duration by the Evaluator and may include examination of artifacts of practice including student work. An observation may occur in person or through video. Video observations will be done openly and with knowledge of the Educator. The parties agree to bargain the protocols of video observations should either party wish to adopt such practice. Classroom or worksite observations conducted pursuant to this article must result in feedback to the Educator. Normal supervisory responsibilities of department, building and district administrators will also cause administrators to drop in on classes and other activities in the worksite at various times as deemed necessary by the administrator. Carrying out these supervisory responsibilities, when they do not result in targeted and constructive feedback to the Educator, are not observations as defined in this Article.

**Parties:** The parties to this agreement are the local school committee and the employee organization that represents the Educators covered by this agreement for purposes of collective bargaining (“Employee Organization/Association”).

*Performance Rating:* Describes the Educator’s performance on each performance standard and overall. There shall be four performance ratings:

- **Exemplary:** the Educator’s performance consistently and significantly exceeds the requirements of a standard or overall. The rating of exemplary on a standard indicates that practice significantly exceeds proficient and could serve as a model of practice on that standard district-wide.

- **Proficient:** the Educator’s performance fully and consistently meets the requirements of a standard or overall. Proficient practice is understood to be fully satisfactory.

- **Needs Improvement:** the Educator’s performance on a standard or overall is below the requirements of a standard or overall, but is not considered to be unsatisfactory at this time. Improvement is necessary and expected.

- **Unsatisfactory:** the Educator’s performance on a standard or overall has not significantly improved following a rating of needs improvement, or the Educator’s performance is consistently below the requirements of a standard or overall and is considered inadequate, or both.

*Performance Standards:* Locally developed standards and indicators pursuant to M.G.L. c. 71, § 38 and consistent with, and supplemental to 603 CMR 35.00. The parties may agree to limit standards and indicators to those set forth in 603 CMR 35.03.

*Professional Teacher Status:* PTS is the status granted to an Educator pursuant to M.G.L. c. 71, § 41.

**Rating of Educator Impact on Student Learning:** A rating of high, moderate or low based on trends and patterns on state assessments and district-determined measures. The parties will negotiate the process for using state and district-determined measures to arrive at an Educator’s rating of impact on student learning, growth and achievement, using guidance and model contract language from ESE, expected by July 2012.

**Rating of Overall Educator Performance:** The Educator’s overall performance rating is based on the Evaluator’s professional judgment and examination of evidence of the Educator’s performance against the four Performance Standards and the Educator’s attainment of goals set forth in the Educator Plan, as follows:

- **Standard 1:** Curriculum, Planning and Assessment
- **Standard 2:** Teaching All Students
- **Standard 3:** Family and Community Engagement
- **Standard 4:** Professional Culture

**Attainment of Professional Practice Goal(s)**

**Attainment of Student Learning Goal(s)**

*Rubric:* A scoring tool that describes characteristics of practice or artifacts at different levels of performance. The rubrics for Standards and Indicators of Effective Teaching Practice are used to rate Educators on Performance Standards, these rubrics consists of:

- **Standards:** Describes broad categories of professional practice, including those required in 603 CMR 35.03
- **Indicators:** Describes aspects of each standard, including those required in 603 CMR 35.03
- **Elements:** Defines the individual components under each indicator
- **Descriptors:** Describes practice at four levels of performance for each element

*Summative Evaluation:* An evaluation used to arrive at a rating on each standard, an overall rating, and as a basis to make
personnel decisions. The summative evaluation includes the Evaluator’s judgments of the Educator’s performance against Performance Standards and the Educator’s attainment of goals set forth in the Educator’s Plan.

*Superintendent: The person employed by the school committee pursuant to M.G.L. c. 71 §59 and §59A. The superintendent is responsible for the implementation of 603 CMR 35.00.

*Teacher: An Educator employed in a position requiring a certificate or license as described in 603 CMR 7.04(3)(a, b, and d) and in the area of vocational education as provided in 603 CMR 4.00. Teachers may include, for example, classroom teachers, librarians, guidance counselors, or school nurses.

*Trends in student learning: At least two years of data from the district-determined measures and state assessments used in determining the Educator’s rating on impact on student learning as high, moderate or low.

Evidence Used In Evaluation
The following categories of evidence shall be used in evaluating each Educator:

Multiple measures of student learning, growth, and achievement, which shall include:

Measures of student progress on classroom assessments that are aligned with the Massachusetts Curriculum Frameworks or other relevant frameworks and are comparable within grades or subjects in a school;

At least two district-determined measures of student learning related to the Massachusetts Curriculum Frameworks or the Massachusetts Vocational Technical Education Frameworks or other relevant frameworks that are comparable across grades and/or subjects district-wide. These measures may include: portfolios, approved commercial assessments and district-developed pre and post unit and course assessments, and capstone projects. One such measure shall be the MCAS Student Growth Percentile (SGP) or Massachusetts English Proficiency Assessment gain scores, if applicable, in which case at least two years of data is required.

Measures of student progress and/or achievement toward student learning goals set between the Educator and Evaluator for the school year or some other period of time established in the Educator Plan.

For Educators whose primary role is not as a classroom teacher, the appropriate measures of the Educator’s contribution to student learning, growth, and achievement set by the district. The measures set by the district should be based on the Educator’s role and responsibility.

Judgments based on observations and artifacts of practice including:

Unannounced observations of practice of any duration.

Announced observation(s) for non-PTS Educators in their first year of practice in a school, Educators on Improvement Plans, and as determined by the Evaluator.

Examination of Educator work products.

Examination of student work samples.

Evidence relevant to one or more Performance Standards, including but not limited to:

Evidence compiled and presented by the Educator, including:

Evidence of fulfillment of professional responsibilities and growth such as self-assessments, peer collaboration, professional development linked to goals in the Educator plans, contributions to the school community and professional culture;

Evidence of active outreach to and engagement with families;

Evidence of progress towards professional practice goal(s);

Evidence of progress toward student learning outcomes goal(s).

iv) Student and Staff Feedback – see # 23-24, below; and

v) Any other relevant evidence from any source that the Evaluator shares with the Educator. Other relevant evidence could include information provided by other administrators such as the superintendent.

Rubric
The rubrics are a scoring tool used for the Educator’s self-assessment, the formative assessment, the formative evaluation and the summative evaluation. The districts may use either the rubrics provided by ESE or comparably rigorous and comprehensive rubrics developed or adopted by the district and reviewed by ESE.
Evaluation Cycle: Training

Prior to the implementation of the new evaluation process contained in this article, districts shall arrange training for all Educators, principals, and other evaluators that outlines the components of the new evaluation process and provides an explanation of the evaluation cycle. The district through the superintendent shall determine the type and quality of training based on guidance provided by ESE.

By November 1st of the first year of this agreement, all Educators shall complete a professional learning activity about self-assessment and goal-setting satisfactory to the superintendent or principal. Any Educator hired after the November 1st date, and who has not previously completed such an activity, shall complete such a professional learning activity about self-assessment and goal-setting within three months of the date of hire. The district through the superintendent shall determine the type and quality of the learning activity based on guidance provided by ESE.

Evaluation Cycle: Annual Orientation

At the start of each school year, the superintendent, principal or designee shall conduct a meeting for Educators and Evaluators focused substantially on educator evaluation. The superintendent, principal or designee shall:

- Provide an overview of the evaluation process, including goal setting and the educator plans.
- Provide all Educators with directions for obtaining a copy of the forms used by the district. These may be electronically provided.
- The faculty meeting may be digitally recorded to facilitate orientation of Educators hired after the beginning of the school year.

Evaluation Cycle: Self-Assessment

Completing the Self-Assessment

The evaluation cycle begins with the Educator completing and submitting to the Primary or Supervising Evaluator a self-assessment by October 1st or within four weeks of the start of their employment at the school.

The self-assessment includes:

- An analysis of evidence of student learning, growth and achievement for students under the Educator’s responsibility.
- An assessment of practice against each of the four Performance Standards of effective practice using the district’s rubric.
- Proposed goals to pursue:
  - At least one goal directly related to improving the Educator’s own professional practice.
  - At least one goal directed related to improving student learning.
- Proposing the goals

Educators must consider goals for grade-level, subject-area, department teams, or other groups of Educators who share responsibility for student learning and results, except as provided in (ii) below. Educators may meet with teams to consider establishing team goals. Evaluators may participate in such meetings.

For Educators in their first year of practice, the Evaluator or his/her designee will meet with each Educator by October 1st (or within four weeks of the Educator’s first day of employment if the Educator begins employment after September 15th) to assist the Educator in completing the self-assessment and drafting the professional practice and student learning goals which must include induction and mentoring activities.

Unless the Evaluator indicates that an Educator in his/her second or third years of practice should continue to address induction and mentoring goals pursuant to 603 CMR 7.12, the Educator may address shared grade level or subject area team goals.

For Educators with PTS and ratings of proficient or exemplary, the goals may be team goals. In addition, these Educators may include individual professional practice goals that address enhancing skills that enable the Educator to share proficient practices with colleagues or develop leadership skills.

For Educators with PTS and ratings of needs improvement or unsatisfactory, the professional practice goal(s) must address specific standards and indicators identified for improvement. In addition, the goals may address shared grade level or subject area team goals.

Evaluation Cycle: Goal Setting and Development of the Educator Plan

Every Educator has an Educator Plan that includes, but is not limited to, one goal related to the improvement of practice; one goal
for the improvement of student learning. The Plan also outlines actions the Educator must take to attain the goals established in the Plan and benchmarks to assess progress. Goals may be developed by individual Educators, by the Evaluator, or by teams, departments, or groups of Educators who have the similar roles and/or responsibilities. See Sections 15-19 for more on Educator Plans.

To determine the goals to be included in the Educator Plan, the Evaluator reviews the goals the Educator has proposed in the Self-Assessment, using evidence of Educator performance and impact on student learning, growth and achievement based on the Educator’s self-assessment and other sources that Evaluator shares with the Educator. The process for determining the Educator’s impact on student learning, growth and achievement will be determined after ESE issues guidance on this matter. See #22, below.

Educator Plan Development Meetings shall be conducted as follows:

Educators in the same school may meet with the Evaluator in teams and/or individually at the end of the previous evaluation cycle or by October 15th of the next academic year to develop their Educator Plan. Educators shall not be expected to meet during the summer hiatus.

For those Educators new to the school, the meeting with the Evaluator to establish the Educator Plan must occur by October 15th or within six weeks of the start of their assignment in that school.

The Evaluator shall meet individually with Educators with PTS and ratings of needs improvement or unsatisfactory to develop professional practice goal(s) that must address specific standards and indicators identified for improvement. In addition, the goals may address shared grade level or subject matter goals.

The Evaluator completes the Educator Plan by November 1st. The Educator shall sign the Educator Plan within 5 school days of its receipt and may include a written response. The Educator’s signature indicates that the Educator received the plan in a timely fashion. The signature does not indicate agreement or disagreement with its contents. The Evaluator retains final authority over the content of the Educator’s Plan.

Evaluation Cycle: Observation of Practice and Examination of Artifacts – Educators without PTS

In the first year of practice or first year assigned to a school:

The Educator shall have at least one announced observation during the school year using the protocol described in section 11B, below.

The Educator shall have at least four unannounced observations during the school year.

In their second and third years of practice or second and third years as a non-PTS Educator in the school:

The Educator shall have at least three unannounced observations during the school year.

Evaluation Cycle: Observation of Practice and Examination of Artifacts – Educators with PTS

The Educator whose overall rating is proficient or exemplary must have at least one unannounced observation during the evaluation cycle.

The Educator whose overall rating is needs improvement must be observed according to the Directed Growth Plan during the period of Plan which must include at least two unannounced observations.

The Educator whose overall rating is unsatisfactory must be observed according to the Improvement Plan which must include both unannounced and announced observation. The number and frequency of the observations shall be determined by the Evaluator, but in no case, for improvement plans of one year, shall there be fewer than one announced and four unannounced observations. For Improvement Plans of six months or fewer, there must be no fewer than one announced and two unannounced observations.

Observations

The Evaluator’s first observation of the Educator should take place by November 15. Observations required by the Educator Plan should be completed by May 15th. The Evaluator may conduct additional observations after this date.

The Evaluator is not required nor expected to review all the indicators in a rubric during an observation.

Unannounced Observations

Unannounced observations may be in the form of partial or full-period classroom visitations, Instructional Rounds, Walkthroughs, Learning Walks, or any other means deemed useful by the Evaluator, principal, superintendent or other administrator.

The Educator will be provided with at least brief written feedback from the Evaluator within 3-5 school days of the observation. The written feedback shall be delivered to the Educator in person, by email, placed in the Educator’s mailbox or mailed to the Educator’s
Any observation or series of observations resulting in one or more standards judged to be unsatisfactory or needs improvement for the first time must be followed by at least one observation of at least 30 minutes in duration within 30 school days.

Announced Observations

All non-PTS Educators in their first year in the school, PTS Educators on Improvement Plans and other educators at the discretion of the evaluator shall have at least one Announced Observation.

The Evaluator shall select the date and time of the lesson or activity to be observed and discuss with the Educator any specific goal(s) for the observation.

Within 5 school days of the scheduled observation, upon request of either the Evaluator or Educator, the Evaluator and Educator shall meet for a pre-observation conference. In lieu of a meeting, the Educator may inform the Evaluator in writing of the nature of the lesson, the student population served, and any other information that will assist the Evaluator to assess performance.

The Educator shall provide the Evaluator a draft of the lesson, student conference, IEP plan or activity. If the actual plan is different, the Educator will provide the Evaluator with a copy prior to the observation.

The Educator will be notified as soon as possible if the Evaluator will not be able to attend the scheduled observation. The observation will be rescheduled with the Educator as soon as reasonably practical.

Within 5 school days of the observation, the Evaluator and Educator shall meet for a post-observation conference. This timeframe may be extended due to unavailability on the part of either the Evaluator or the Educator, but shall be rescheduled within 24 hours if possible.

The Evaluator shall provide the Educator with written feedback within 5 school days of the post-observation conference. For any standard where the Educator’s practice was found to be unsatisfactory or needs improvement, the feedback must:

- Describe the basis for the Evaluator’s judgment.
- Describe actions the Educator should take to improve his/her performance.
- Identify support and/or resources the Educator may use in his/her improvement.
- State that the Educator is responsible for addressing the need for improvement.

Evaluation Cycle: Formative Assessment

A specific purpose for evaluation is to promote student learning, growth and achievement by providing Educators with feedback for improvement. Evaluators are expected to make frequent unannounced visits to classrooms. Evaluators are expected to give targeted constructive feedback to Educators based on their observations of practice, examination of artifacts, and analysis of multiple measures of student learning, growth and achievement in relation to the Standards and Indicators of Effective Teaching Practice.

Formative Assessment may be ongoing throughout the evaluation cycle but typically takes places mid-cycle when a Formative Assessment report is completed. For an Educator on a two-year Self-Directed Growth Plan, the mid-cycle Formative Assessment report is replaced by the Formative Evaluation report at the end of year one. See section 13, below.

The Formative Assessment report provides written feedback and ratings to the Educator about his/her progress towards attaining the goals set forth in the Educator Plan, performance on Performance Standards and overall, or both.

No less than two weeks before the due date for the Formative Assessment report, which due date shall be established by the Evaluator with written notice to the Educator, the Educator shall provide to the Evaluator evidence of family outreach and engagement, fulfillment of professional responsibility and growth, and progress on attaining professional practice and student learning goals. The educator may provide to the evaluator additional evidence of the educator’s performances against the four Performance Standards.

Upon the request of either the Evaluator or the Educator, the Evaluator and the Educator will meet either before or after completion of the Formative Assessment Report.

The Evaluator shall complete the Formative Assessment report and provide a copy to the Educator. All Formative Assessment reports must be signed by the Evaluator and delivered face-to-face, by email or to the Educator’s school mailbox or home.

The Educator may reply in writing to the Formative Assessment report within 5 school days of receiving the report.

The Educator shall sign the Formative Assessment report by within 5 school days of receiving the report. The signature indicates that the Educator received the Formative Assessment report in a timely fashion. The signature does not indicate agreement or
disagreement with its contents.

As a result of the Formative Assessment Report, the Evaluator may change the activities in the Educator Plan.

If the rating in the Formative Assessment report differs from the last summative rating the Educator received, the Evaluator may place the Educator on a different Educator Plan, appropriate to the new rating.

**Evaluation Cycle: Formative Evaluation for Two Year Self-Directed Plans Only**

Educators on two year Self-Directed Growth Educator Plans receive a Formative Evaluation report near the end of the first year of the two year cycle. The Educator's performance rating for that year shall be assumed to be the same as the previous summative rating unless evidence demonstrates a significant change in performance in which case the rating on the performance standards may change, and the Evaluator may place the Educator on a different Educator plan, appropriate to the new rating.

The Formative Evaluation report provides written feedback and ratings to the Educator about his/her progress towards attaining the goals set forth in the Educator Plan, performance on each performance standard and overall, or both.

No less than two weeks before the due date for the Formative Evaluation report, which due date shall be established by the Evaluator with written notice provided to the Educator, the Educator shall provide to the Evaluator evidence of family outreach and engagement, fulfillment of professional responsibility and growth, and progress on attaining professional practice and student learning goals. The Educator may also provide to the Evaluator additional evidence of the educator’s performance against the four Performance Standards.

The Evaluator shall complete the Formative Evaluation report and provide a copy to the Educator. All Formative Evaluation reports must be signed by the Evaluator and delivered face-to-face, by email or to the Educator’s school mailbox or home.

Upon the request of either the Evaluator or the Educator, the Evaluator and the Educator will meet either before or after completion of the Formative Evaluation Report.

The Educator may reply in writing to the Formative Evaluation report within 5 school days of receiving the report.

The Educator shall sign the Formative Evaluation report by within 5 school days of receiving the report. The signature indicates that the Educator received the Formative Evaluation report in a timely fashion. The signature does not indicate agreement or disagreement with its contents.

As a result of the Formative Evaluation report, the Evaluator may change the activities in the Educator Plan.

If the rating in the Formative Evaluation report differs from the last summative rating the Educator received, the Evaluator may place the Educator on a different Educator Plan, appropriate to the new rating.

**Evaluation Cycle: Summative Evaluation**

The evaluation cycle concludes with a summative evaluation report. For Educators on a one or two year Educator Plan, the summative report must be written and provided to the educator by May 15th.

The Evaluator determines a rating on each standard and an overall rating based on the Evaluator's professional judgment, an examination of evidence against the Performance Standards and evidence of the attainment of the Educator Plan goals.

The professional judgment of the primary evaluator shall determine the overall summative rating that the Educator receives.

For an educator whose overall performance rating is exemplary or proficient and whose impact on student learning is low, the evaluator’s supervisor shall discuss and review the rating with the evaluator and the supervisor shall confirm or revise the educator’s rating. In cases where the superintendent serves as the primary evaluator, the superintendent’s decision on the rating shall not be subject to review.

The summative evaluation rating must be based on evidence from multiple categories of evidence. MCAS Growth scores shall not be the sole basis for a summative evaluation rating.

To be rated proficient overall, the Educator shall, at a minimum, have been rated proficient on the Curriculum, Planning and Assessment and the Teaching All Students Standards of Effective Teaching Practice.

No less than four weeks before the due date for the Summative Evaluation report, which due date shall be established by the Evaluator with written notice provided to the Educator, the Educator will provide to the Evaluator evidence of family outreach and engagement, fulfillment of professional responsibility and growth, and progress on attaining professional practice and student learning goals. The educator may also provide to the Evaluator additional evidence of the educator’s performance against the four Performance Standards.
The Summative Evaluation report should recognize areas of strength as well as identify recommendations for professional growth.

The Evaluator shall deliver a signed copy of the Summative Evaluation report to the Educator face-to-face, by email or to the Educator’s school mailbox or home no later than May 15th.

The Evaluator shall meet with the Educator rated needs improvement or unsatisfactory to discuss the summative evaluation. The meeting shall occur by June 1st.

The Evaluator may meet with the Educator rated proficient or exemplary to discuss the summative evaluation, if either the Educator or the Evaluator requests such a meeting. The meeting shall occur by June 10th.

Upon mutual agreement, the Educator and the Evaluator may develop the Self-Directed Growth Plan for the following two years during the meeting on the Summative Evaluation report.

The Educator shall sign the final Summative Evaluation report by June 15th. The signature indicates that the Educator received the Summative Evaluation report in a timely fashion. The signature does not indicate agreement or disagreement with its contents.

The Educator shall have the right to respond in writing to the summative evaluation which shall become part of the final Summative Evaluation report.

A copy of the signed final Summative Evaluation report shall be filed in the Educator’s personnel file.

**Educator Plans - General**

Educator Plans shall be designed to provide Educators with feedback for improvement, professional growth, and leadership; and to ensure Educator effectiveness and overall system accountability. The Plan must be aligned to the standards and indicators and be consistent with district and school goals.

The Educator Plan shall include, but is not limited to:

- At least one goal related to improvement of practice tied to one or more Performance Standards;
- At least one goal for the improvement the learning, growth and achievement of the students under the Educator’s responsibility;

An outline of actions the Educator must take to attain the goals and benchmarks to assess progress. Actions must include specified professional development and learning activities that the Educator will participate in as a means of obtaining the goals, as well as other support that may be suggested by the Evaluator or provided by the school or district. Examples may include but are not limited to coursework, self-study, action research, curriculum development, study groups with peers, and implementing new programs.

It is the Educator’s responsibility to attain the goals in the Plan and to participate in any trainings and professional development provided through the state, district, or other providers in accordance with the Educator Plan.

**Educator Plans: Developing Educator Plan**

The Developing Educator Plan is for all Educators without PTS, and, at the discretion of the Evaluator, Educators with PTS in new assignments.

The Educator shall be evaluated at least annually.

**Educator Plans: Self-Directed Growth Plan**

A Two-year Self-Directed Growth Plan is for those Educators with PTS who have an overall rating of proficient or exemplary, and after 2013-2014 whose impact on student learning is moderate or high. A formative evaluation report is completed at the end of year 1 and a summative evaluation report at the end of year 2.

A One-year Self-Directed Growth Plan is for those Educators with PTS who have an overall rating of proficient or exemplary, and after 2013-2014 whose impact on student learning is low. In this case, the Evaluator and Educator shall analyze the discrepancy between the summative evaluation rating and the rating for impact on student learning to seek to determine the cause(s) of the discrepancy.

**Educator Plans: Directed Growth Plan**

A Directed Growth Plan is for those Educators with PTS whose overall rating is needs improvement.

The goals in the Plan must address areas identified as needing improvement as determined by the Evaluator.

The Evaluator shall complete a summative evaluation for the Educator at the end of the period determined by the Plan, but at least annually, and in no case later than June 10th.
For an Educator on a Directed Growth Plan whose overall performance rating is at least proficient, the Evaluator will place the Educator on a Self-Directed Growth Plan for the next Evaluation Cycle.

For an Educator on a Directed Growth Plan whose overall performance rating is not at least proficient, the Evaluator will rate the Educator as unsatisfactory and will place the Educator on an Improvement Plan for the next Evaluation Cycle.

**Educator Plans: Improvement Plan**

An Improvement Plan is for those Educators with PTS whose overall rating is unsatisfactory.

The parties agree that in order to provide students with the best instruction, it may be necessary from time to time to place an Educator whose practice has been rated as unsatisfactory on an Improvement Plan of no fewer than 30 calendar days and no more than one school year. In the case of an Educator receiving a rating of unsatisfactory near the close of one school year, the Improvement Plan may include activities that occur during the summer before the next school year begins.

The Evaluator must complete a summative evaluation for the Educator at the end of the period determined by the Evaluator for the Plan.

An Educator on an Improvement Plan shall be assigned a Supervising Evaluator (see definitions). The Supervising Evaluator is responsible for providing the Educator with guidance and assistance in accessing the resources and professional development outlined in the Improvement Plan. The primary evaluator may be the Supervising Evaluator.

The Improvement Plan shall define the problem(s) of practice identified through the observations and evaluation and detail the improvement goals to be met, the activities the Educator must take to improve and the assistance to be provided to the Educator by the district.

The Improvement Plan process shall include:

Within ten school days of notification to the Educator that the Educator is being placed on an Improvement Plan, the Evaluator shall schedule a meeting with the Educator to discuss the Improvement Plan. The Evaluator will develop the Improvement Plan, which will include the provision of specific assistance to the Educator.

The Educator may request that a representative of the Employee Organization/Association attend the meeting(s).

If the Educator consents, the Employee Organization/Association will be informed that an Educator has been placed on an Improvement Plan.

The Improvement Plan shall:

* Define the improvement goals directly related to the performance standard(s) and/or student learning outcomes that must be improved;
* Describe the activities and work products the Educator must complete as a means of improving performance;
* Describe the assistance that the district will make available to the Educator;
* Articulate the measurable outcomes that will be accepted as evidence of improvement;
* Detail the timeline for completion of each component of the Plan, including at a minimum a mid-cycle formative assessment report of the relevant standard(s) and indicator(s);
* Identify the individuals assigned to assist the Educator which must include minimally the Supervising Evaluator; and,
* Include the signatures of the Educator and Supervising Evaluator.

A copy of the signed Plan shall be provided to the Educator. The Educator’s signature indicates that the Educator received the Improvement Plan in a timely fashion. The signature does not indicate agreement or disagreement with its contents.

Decision on the Educator's status at the conclusion of the Improvement Plan.

All determinations below must be made no later than June 1. One of three decisions must be made at the conclusion of the Improvement Plan:

If the Evaluator determines that the Educator has improved his/her practice to the level of proficiency, the Educator will be placed on a Self-Directed Growth Plan.

In those cases where the Educator was placed on an Improvement Plan as a result of his/her summative rating at the end of his/her Directed Growth Plan, if the Evaluator determines that the Educator is making substantial progress toward proficiency, the
Evaluator shall place the Educator on a Directed Growth Plan.

In those cases where the Educator was placed on an Improvement Plan as a result of his/her Summative rating at the end of his/her Directed Growth Plan, if the Evaluator determines that the Educator is not making substantial progress toward proficiency, the Evaluator shall recommend to the superintendent that the Educator be dismissed.

If the Evaluator determines that the Educator’s practice remains at the level of unsatisfactory, the Evaluator shall recommend to the superintendent that the Educator be dismissed.

**21. Career Advancement**

A) In order to attain Professional Teacher Status, the Educator should achieve ratings of proficient or exemplary on each Performance Standard and overall. A principal considering making an employment decision that would lead to PTS for any Educator who
has not been rated proficient or exemplary on each performance standard and overall on the most recent evaluation shall confer with the superintendent by May 1. The principal’s decision is subject to review and approval by the superintendent.

B) In order to qualify to apply for a teacher leader position, the Educator must have had a Summative Evaluation performance rating of proficient or exemplary for at least the previous two years.

C) Educators with PTS whose summative performance rating is exemplary and, after 2013-14 whose impact on student learning is rated moderate or high, shall be recognized and rewarded with leadership roles, promotions, additional compensation, public commendation or other acknowledgment as determined by the district through collective bargaining where applicable.

22. Rating Impact on Student Learning Growth

ESE will provide model contract language and guidance on rating educator impact on student learning growth based on state and district-determined measures of student learning by July 15, 2012. Upon receiving this model contract language and guidance, the parties agree to bargain with respect to this matter.

23. Using Student feedback in Educator Evaluation

ESE will provide model contract language, direction and guidance on using student feedback in Educator Evaluation by June 30, 2013. Upon receiving this model contract language, direction and guidance, the parties agree to bargain with respect to this matter.

24. Using Staff feedback in Educator Evaluation

ESE will provide model contract language, direction and guidance on using staff feedback in Administrator Evaluation by June 30, 2013. Upon receiving this model contract language, direction and guidance, the parties agree to bargain with respect to this matter.

25. Transition from Existing Evaluation System

A) The parties may agree that 50% of more of Educators in the district will be evaluated under the new procedures at the outset of this Agreement, and 50% or fewer will be evaluated under the former evaluation procedures for the first year of implementation of the new procedures in this Agreement.

B) The parties shall agree on a process for identifying the Educator Plan that each Educator will be placed on during the Educator’s first year being evaluated under the new procedures, providing that Educators who have received ratings of unsatisfactory or its equivalent in the prior year will be placed on Self-Directed Growth or Improvement Plans at the sole discretion of the Superintendent.

C) The parties agree that to address the workload issue of Evaluators, during the first evaluation cycle under this Agreement in every school or department, the names of the Educators who are being placed on Self-directed Growth Plans shall be literally or figuratively “put into a hat.” The first fifty (50) percent drawn shall be on a 1-year Self-directed Growth Plan and the second fifty (50) percent shall be on a 2-year Plan.

D) The existing evaluation system will remain in effect until the provisions set forth in this Article are implemented. The relevant timeframe for adopting and implementing new systems is set forth in 603 CMR 35.11(1).

A. Only Educators who are licensed may serve as primary evaluators of Educators.

B. Evaluators shall not make negative comments about the Educator’s performance, or comments of a negative evaluative nature, in the presence of students, parents or other staff, except in the unusual circumstance where the Evaluator concludes that s/he must immediately and directly intervene. Nothing in this paragraph is intended to limit an administrator’s ability to investigate a complaint, or secure assistance to support an Educator.

C. The superintendent shall insure that Evaluators have training in supervision and evaluation, including the regulations and standards and indicators of effective teaching practice promulgated by ESE (35.03), and the evaluation Standards and Procedures established in this Agreement.

D. Should there be a serious disagreement between the Educator and the Evaluator regarding an overall summative performance rating of unsatisfactory, the Educator may meet with the Evaluator’s supervisor to discuss the disagreement. Should the Educator request such a meeting, the Evaluator’s supervisor must meet with the Educator. The Evaluator may attend any such meeting at the discretion of the superintendent.

The parties agree to establish a joint labor-management evaluation team which shall review the evaluation processes and procedures annually through the first three years of implementation and recommend adjustments to the parties.

Violations of this article are subject to the grievance and arbitration procedures. The arbitrator shall determine whether there was substantial compliance with the totality of the evaluation process. When the evaluation process results in the termination or non-
renewal of an Educator, then no financial remedy or reinstatement shall issue if there was substantial compliance.

G. Seniority

Seniority in the teachers’ unit is defined as total years of professional service in the Boston Public School system for which salary credit is given for step advancement, including years on maximum whether or not such teaching experience (120 days) results in a provisional contract in any year.

Time spent in authorized leave of absence granted for any reasons prior to September 1, 1980 will continue to count as seniority in the teachers unit. Paid leave of absence granted on or after September 1, 1980 including leave covered by workmen’s compensation, will continue to count as seniority in the teachers’ unit. Unpaid leave of absence granted on or after September 1, 1980 for any reason other than for union business under Section VIII(Q)(1) will not count as seniority in the teachers’ unit. Any time spent on an involuntary layoff prior to an offer of recall shall be counted as seniority in the teachers’ unit; however, such time shall not count towards career awards or other salary advancement. The Union will indemnify the Committee against any cost or damages arising out of any dispute or proceeding connected with the prior sentence.

The Union shall be supplied with a current seniority list of all members of the bargaining unit.

The settlement agreement contained in Appendix B shall apply to all similar situations where the Superintendent breaks a larger school into smaller schools or small learning communities. The seniority provisions referenced in Paragraph 3 of the appendix will continue in each circumstance for 16 full years commencing from the beginning of the September following the year this provision is implemented in a given school.

H. Certification/Program Areas

1. Program Areas

Employees shall be assigned to program areas in which they are qualified. Program areas are listed in Appendix A. The School Committee reserves the right to establish additional program areas, subject to any collective bargaining obligation as may be required by law.

2. Qualifications

Employees shall be deemed qualified in a program area by holding a valid state certificate or approval for such area and by meeting one of the following criteria:

(a) A state certificate not more than five (5) years old.

(b) A mean score on the National Teachers Examination, not more than ten (10) years old.

(c) Fifteen (15) course credits, graduate or undergraduate, approved as relevant to qualification, all of which are not more than five (5) years old.

(d) Two (2) years of teaching experience within ten (10) years. A creditable year is one in which at least 50% of the weekly schedule is in the subject area.

3. Ranking

Teachers shall be ranked by seniority (as defined in Section V(H) above) within each program area, including teachers on recall lists.

4. Schedule and Procedures

For the purposes of determining qualifications and placement in a program area, all valid credentials must be filed with the Personnel Department on or before January 15th of any year, unless the results of the NTE or PRAXIS exam are not available by January 15th, in which case, the application will be due by 2/15

Employees must respond to alleged erroneous placement or non-placement in a program area or to an error in their seniority
date within thirty (30) days of the receipt of such information from the School Department.

5. Leave of Absence; Promotion

Teachers on leave of absence for more than ten (10) years or who were promoted out of the bargaining unit shall be considered qualified in the program area in which they have taught immediately prior to such leave of absence or promotion in addition to any program area in which they are qualified under Section (2) above.

6. Recall

Teachers on recall shall be placed in program areas in which they are qualified under Section 2 above.

7. SPED Teachers

The following special provisions shall apply to SPED teachers, superseding any conflicting provision of the 1983 Settlement Agreement. All article references in this proposal refer to the Settlement Agreement.

(a) Employees shall be assigned to one of the SPED program areas or categories (see Appendix A).

(b) SPED teachers shall be deemed qualified in any such program area or category in any manner specified in IV C 17(b), subject to the specific additional requirements listed in Appendix A. In addition:

(1) Any SPED teacher, including an ETL, is deemed qualified in Program Area 12 and its categories (subject to special certification requirements).

(2) An ETL is considered qualified in the program area in which (s)he taught immediately prior to becoming an ETL.

(3) A SPED teacher hired on or after September 1, 1986 with an 003 certificate shall not be deemed qualified to teach in any specific program (e.g. LD, SAR, ESD) without evidence of satisfactorily completed coursework related to such program. The Department will accept evidence of enrollment as a valid credential, subject to completion of such courses on time line as mutually agreed by a teacher and the Department.

(c) Any SPED teacher may exercise layoff, transfer, recall and excessing rights, in accordance with the general provisions of Article VC15-19, in any program area in which such teacher is qualified, except that:

(1) No teacher who is targeted for excessing from a category other than 12f or 12g may displace a teacher in 12f or 12g (prior to being placed in the system-wide excess pool) without prior experience in such category;

(2) Teachers in Program Area 2 shall be exempted by category;

(3) Teachers laid off from Program Area 12 and currently teaching in category 12h or with prior experience in Category 12h (in compliance with Article VC 17-21) shall be considered qualified to displace junior teachers in Program Area 13 who are working in 502.4 cluster programs and to displace any provisional teacher in Program Area 13; but not to displace any junior tenured teacher at the McKinley School or in any other severe lab 502.4i program.

(d) Teachers currently teaching in category (a) of Program Area 2 and in Program Areas 5, 6, 7, and 8 shall be grandfathered and shall not be displaced or otherwise adversely affected by any additional requirements specified in this agreement; provided, however, they shall be affected by any new state-imposed requirements.

(e) For layoff, transfer, excessing, and reassignment rights, any teacher eligible to work within program area #13 shall also be eligible to work within program area #12.

8. Bilingual Teachers

Years taught in the bilingual program shall count as teaching experience in the corresponding Regular Education program area, provided that such teacher is state-certified and is proficient in the English language.
I. Transfers

1. General Procedures

These general procedures are subject to the provisions of Article III(C)(4)(c).

The Committee shall not be required to post for transfer any position held by a "provisional" teacher whom the Committee has made "permanent." Any position which is posted for transfer may be filled by a provisional teacher whom the Committee has made "permanent." Except as specified in the prior two sentences or elsewhere in this Agreement, all vacancies which under prior collective bargaining agreements were to be filled by transfer shall be filled in the manner set forth below:

(a) All vacancies shall be posted on the School Department website (www.boston.k12.ma.us) no later than April 15th. All applications for vacant positions must be submitted no later than 10 school days after posting on the website. The website shall be the only medium for posting vacancies.

Internal candidates must use the MYBPS intranet system for submission of applications, including data information form and resume. Human Resources will not accept paper applications.

Positions held by provisional teachers with a letter of reasonable assurance will not be posted provided that one BTU Building Rep. has granted written approval. The Department of Human Resources will send out letters of reasonable assurance to provisional teachers no later than April 15th. The School Department will provide a list of such positions to the union prior to initiating the "posting process." BTU members will have in-school access to a computer with internet capability and a printer.

(b) Open Postings:

The current practice regarding open postings will continue. Any school that wishes to open post a position must obtain a 60% vote of the faculty before February 15th or effective, 9/1/07, by including a stipend of $1250 to the posting.

(c) Transfer Eligibility:

All permanent teachers, including those on leave of absence, are eligible to apply for transfers during the month of March. Provisional teachers with a letter of reasonable assurance shall be eligible to apply for transfers to their own positions under the transfer process. However, any permanent teacher who seeks a position to which a provisional teacher has applied under this section will be granted an interview by the School Site Council Personnel Subcommittee.

Teachers may be considered for transfer in any subject area in which they recertify under the 1993 Massachusetts Educational Reform Act, even if they do not hold an active Boston program area; however, a school's Personnel Subcommittee shall not be required to select any such individual.

Any teacher who has received two interim overall unsatisfactory evaluations between September and February of that year may be rejected for transfer by the School Site Council Personnel Subcommittee.

Bilingual school psychologists shall be able to move to a monolingual school psychologist vacancy with notice to the administrator by February 1.

(d) If no permanent teacher applies for a position that appears in the April 15th posting, the personnel subcommittee may consider and select any qualified applicant who applies to the posting, so long as there is no permanent excessed teacher in that subject area.

In cases where there is only one applicant for a vacancy on the transfer posting, the personnel subcommittee will not be required to hire that single applicant, and the vacancy will go into the excess pool. If there is no permanent excessed teacher in that subject area, the personnel subcommittee may consider and select any qualified applicant who applies for the position.

(e) The BTU may challenge the omission of a vacancy from the April 15th posting. The challenge must occur within 10 days of the posting. The challenge may be overridden by a 60% vote of the faculty of the school where the vacancy is challenged. Should the challenge not be overridden, the vacancy shall be posted on the BPS web page prior to the running of the excess pools for 5 school days. Permanent teachers only are eligible to apply.
(f) Transfers will take effect the following September, unless the posting otherwise provides.

(g) Members of the bargaining unit shall have ten (10) school days to apply for transfer.

(h) In the event that a position sought through transfer no longer exists on the effective date of transfer, the person seeking the transfer shall remain in his/her former position as if the vacancy had not been posted.

(i) Upon rehiring after three (3) consecutive years of provisional service, provisional nurses shall attain the same rights and benefits relative to transfer as nurses who have been permanently appointed.

2. Application for Promotion

(a) Posting and Bidding on Promotions

A circular from the Superintendent shall be sent to all schools whenever vacancies occur or are about to occur on higher positions or more desirable positions within the bargaining unit or on levels above the bargaining unit, or when new positions of comparable status are to be established. This shall include the positions of Assistant Principal in any school where there are at least four classes, Assistant Headmasters (subject areas), Assistant Principals - Industrial Arts, Placement Teachers, and Supervising Nurses. Notice shall be posted on the appropriate bulletin board by the Principal, Headmaster, or Director. Copies shall be sent to the Union.

Qualifications, requirements, duties, salary, and other pertinent information should be categorically set forth in the foregoing notices.

All applications shall be considered.

A minimum of ten (10) school days shall be allowed for submission of an application, except that a posting within the last ten (10) school days of any school year will be posted for at least three (3) school days prior to the close of school and in such case applicants shall have fourteen (14) days after the close of school for submission of written applications. In the event that the posting reflects any change in qualifications for any position set forth in the first paragraph of this section without six (6) months’ advance notice, the successful applicant will be given a six (6) month grace period to meet the changed qualification. The posting shall contain a reference to bargaining unit placement if known.

(b) Filling Rated Positions

All rated positions filled on an acting basis shall be filled through the rating procedure within ninety (90) school days, except when the position is open due to sabbatical or other leave; provided however, as to any position where a six (6) months’ notice is required by the last paragraph of the preceding section, this period of ninety (90) school days shall begin the day after the six (6) months notice requirement has ended.

(c) Group II Lists

Effective September 1, 1969, all future lists established for appointment to a Group II position will be by rating.

(d) Eligibility

Any person in Group II who has served in the Boston School System through two (2) biennial ratings shall be eligible for any position above Group II.

(e) Transfers

All transfers shall be governed by the provisions set forth in section J(1) of this Article.

(f) Other Points on Promotion

(1) Outside supervisory experience shall be considered in ratings for administrative positions and appropriate credit given therefore in Block 3 (Personal Qualities) of the present rating form.
(2) Experience in teaching abroad may be submitted for credit for rating purposes.

(3) Industrial arts, special class, and physical education teachers shall be eligible to rate for assistant principal.

(g) Effect of an Unsatisfactory Evaluation

A teacher receiving an overall annual performance evaluation of unsatisfactory will have no voluntary transfer rights and no voluntary excessing rights for the following school year, subject to the terms of the interim agreement dated 2-16-89.

J. Excessing Procedure effective until September 1, 2012

1. This excessing procedure will not apply to "provisional" teachers, but will apply to "permanent" teachers and nurses with more than three (3) consecutive years of service. All permanent teachers who are unassigned after the March Transfers shall be invited to a mid-April Excess (reassignment) Pool. These pools shall not be held during the April school vacation week. No teacher shall be involuntarily excessed from her/his school or assignment after the running of these pools.

   The above paragraph is not intended to prohibit the School Department from excessing teachers in the fall to correct class size problems.

2. Excessing from a school building shall be first by volunteers within a program area, then by reverse seniority within a program area. An employee who holds seniority in a program area other than the one from which he/she has been excessed shall be offered a vacancy in the building in such other program area. If there is no such vacancy he/she will be placed directly onto a system-wide excess list.

3. In the event of excessing during the school year on or after November 1, in cases of class consolidation, the Department may elect to excess and reassign the junior teacher in one of the classes being consolidated rather than the least senior teacher in the program area within the building.

4. Not more than five (5) days notice shall be required for excessing during a school year.

5. Permanent or temporary vacancies within a program area will be filled from the system-wide excess list periodically by matching the aggregate number of such vacancies against an equal number of persons on the excess list by seniority within such program area, in accordance with the following procedure:

   Teachers will bid on listed vacancies in order of seniority. Each teacher must make three (3) bids, except that the next-to-last teacher must make two (2) bids and the most junior teacher must make one (1) bid. When a vacancy has received three (3) bids, bidding will be closed on that vacancy. Teachers will be assigned to one (1) of their bids.

   Teachers in the excess pool shall be limited on one (1) bid per school.

6. Vacancies will continue to be filled until late August, at which time teachers who are not matched against vacancies will be assigned in a suitable professional capacity, including substitute service, and will remain eligible to fill vacancies as they occur up to November 1. There shall be no bumping from the system-wide excess list.

   The Committee shall not be required to post in the teachers reassignment pool any position held by a non-tenured teacher who has been made "permanent" by the Committee.

7. An employee exercising a right to return to the teacher bargaining unit after layoff or demotion shall be carried on the system-wide excess list in the applicable program area.

8. An excessed employee who is excessed from his building and who is qualified in more than one (1) program area may elect annually to bid for assignment in one (1) program area other than the one from which he was excessed, in which case he will bid only within the newly elected program area; provided, however, such election may not be made into a program area in which there is an active recall list.

9. No teacher may voluntarily excess him/herself without the approval of the director of the Office of Human Resources.
10. All excessed teachers and nurses will by notified by April 15th.

11. No teacher receiving an overall annual performance evaluation of unsatisfactory will have bidding rights through the excess pools. Such teachers will be assigned to a teaching position by the Superintendent.

12. Any teacher who has received two or more overall interim unsatisfactory evaluations between September 1st and the date of the excess pool will not be allowed to participate in the excess pool. Such teachers may appeal (for purposes of participating in the excess pool only) his or her interim evaluations to a three member panel. One member of the panel will be selected by the Superintendent, one by the President of the BTU, and the third member will be selected by both the Superintendent and the BTU President. The teacher must appeal the decision to deny him/her access to the excess pool within five school days of such denial. The panel will hold a hearing within five working days from the day after the date the appeal is filed. The decision will be rendered at least two days before the running of the pool. No briefs will be submitted. The decision of the panel with regard to the teacher’s right to participate in the excess pool will be final and not subject to grievance and arbitration.

13. Any teacher who receives his or her third bid in an excess pool may exercise a one-time option of returning to the excess pool in the following year.

14. Subsequent to the running of the excess pools the School Department shall post on the BPS webpage all remaining and new vacancies. Such postings will be updated every two weeks through the close of school and at least weekly during the summer through August 31st. The Boston Teachers Union shall be notified of all postings.

15. Disputes concerning the interpretation or application of this excessing policy will be processed as grievances under the contractual grievance and arbitration procedure as modified herein:

(a) all intermediate steps are hereby waived;

(b) counsel for the B.T.U. and the Committee shall cooperate in obtaining the services of a referee who shall be available to arbitrate the dispute within one week after a grievance is communicated by the Union;

(c) arbitration will be conducted on an expedited bases without written briefs and with oral or written awards to be rendered not later than three days following the date of hearing not to exceed one day.

It is the intent of the parties that wherever possible remedial relief of any violation shall not delay implementation of an excessing procedure nor require the undoing of sequentially filled vacancies made in good faith.

16. These excessing procedures are subject to all applicable state and federal laws and lawful orders pursuant thereto.

17. The parties will cooperate in addressing any special problems that may exist in any school in relation to this policy.

18. Rule of one will apply if pools not completed prior to July 1st. Rule of two will apply if excess pools completed by workday prior to July 1st. Rule of three will apply if excess pools completed by the 4th work day before the end of school year.

Rule of One: The selection of assignments is conducted by strict seniority.

Rule of Two: The teacher will make two selections and will receive one.

Rule of Three: The teacher will make three selections and will receive one.

19. Reassignment pool vacancies will be listed on the BPS website five school days before each pool. BTU members will have in-school access to a computer with internet capability and a printer.

20. All seniority lists will be placed on the BPS website, and the BTU will be provided access to them. The School Department shall provide a copy of the seniority list to the BTU before conducting the mock pool. BTU members will have in-school access to a computer with internet capability and a printer.

21. No personnel subcommittee shall be required after completion of the first teacher posting.
The parties acknowledge that this Article shall not affect or be applicable to the current placement/assignment process of Related Service Providers, School Psychologists, Pupil Adjustment Counselors, and other non-classroom personnel.

1. This PTPP procedure will not apply to "provisional" teachers, but will apply to "permanent" teachers and the following employees with more than three (3) consecutive years of service; school nurses, student support coordinators.

2. All voluntarily and involuntarily excessed teachers shall participate in the Post-Transfer Placement Process (PTPP). Each teacher who intends to voluntarily excess himself/herself from his/her position must do so on or before February 1st.

All eligible vacancies as well as the vacancies created by those teachers who have voluntarily excessed themselves shall be included and listed in the PTPP. BPS shall transmit to the BTU a list of all employees who are participating in the PTPP, prior to the beginning of the PTPP process. For purposes of this section eligible vacancies shall not include positions held by provisional teachers with letters of reasonable assurance, nor shall it include positions held by teachers who have been made permanent by the Superintendent. The BTU shall receive a list of provisional teachers with letters of reasonable assurance and teachers whom the Superintendent have made permanent prior to the beginning of the transfer process.

The above paragraph is not intended to prohibit the School Department from exiting teachers in the fall to correct class size problems.

3. Excessing from a school building shall be first by volunteers within a program area, then by reverse seniority within a program area. An employee who holds seniority in a program area other than the one from which he/she has been excessed shall be offered a vacancy in the building in such other program area. If there is no such vacancy he/she will participate in the PTPP.

4. Voluntary Excessing: Teachers with professional status shall be eligible to voluntarily excess themselves provided that: 1) any teacher who has received two or more overall "Does Not Meet Standards" evaluations between September 1st and February 1st (under the evaluation system in effect prior to the new system resulting from the 2011 change in regulations) or has an overall rating of "Needs Improvement," or "Unsatisfactory" as of February 1st shall not be able to voluntarily excess himself/herself; 2) no teacher may voluntarily excess himself/herself more than once in the prior two (2) school years; and 3) no more than 20% of the teachers in a school (rounding up for fractions) may voluntarily excess themselves in any one school year (this 20% limitation shall not include a senior teacher(s) who voluntarily excesses himself/herself in lieu of a more junior teacher being involuntarily excessed pursuant to paragraph 2 above). In instances where more than 20% of teachers submit requests to voluntarily excess themselves on or before February 1st, the teachers with the most seniority shall be permitted to voluntarily excess themselves until the 20% cap has been reached. With the approval of the Assistant Superintendent of Human Resources, the 20% limitation may be exceeded.

5. Expression of Interest: Participants in the PTPP shall express his/her interest in five vacancies within his/her primary program area (Teachers in the PTPP may express interest in vacancies in an alternate program or in a PPA, but not in both). Teachers may not bid in an APA if there is a layoff list in that area or if there are projected to be insufficient vacancies in that area into which the person seeks to change. Participants in the PTPP shall make selections electronically from a list of vacancies produced by the Office of Human Resources. If there are not at least five vacancies available within the teacher's primary program area, he/she shall select all of the vacancies within that primary program area. All selections shall be done online within five school days after the list of vacancies has been posted. BPS shall provide the BTU with access to the selections submitted by participants in the PTPP. Those teachers who do not submit selections during the PTPP posting period in accordance with this paragraph shall forfeit their rights to participate in the process and shall be placed in a position(s) by the Office of Human Resources.

7. Not more than five (5) days notice shall be required for involuntary excessing during a school year.

8. Filling Vacancies: Each Principal/Headmaster, with the help of personnel subcommittee, shall review the list of interested candidates and fill the vacancy/vacancies in such Principal's/Headmaster's school by selecting from among the teachers who expressed
interest in such vacancy/ies during the PTPP process. The Principal/Headmaster shall convene the school’s personnel subcommittee pursuant to Article III, Section B.2(b) and the personnel subcommittee shall be constituted as stated in Article III, Section C.4(c). However, where the vacancy occurs in a high school, the personnel subcommittee shall also include a student representative. The PTPP has concluded when all positions for which qualified teachers have submitted expressions of interest have been filled; no position shall be left unfilled if a qualified teacher has submitted an expression of interest in that position and was unsuccessful in obtaining other positions.

Vacancies will continue to be filled until late August, at which time teachers who are not matched against vacancies will be assigned in a suitable professional capacity, including substitute service, and will remain eligible to fill vacancies, as they occur, up to November 1st. There shall be no bumping from the system-wide excess list.

9. Remaining Teachers and Positions: Teachers who participated in the PTPP in accordance with paragraph 4 above but did not obtain a position during the PTPP, shall be offered the remaining vacancies, for which they are qualified, in order of seniority, by the Office of Human Resources. Such teachers shall select one of the remaining vacancies offered by the Office of Human Resources within two business days of receiving notice (this notice may be via email or telephone) from the Office of Human Resources when notice occurs during the school year. In instances where this notification is scheduled to occur after the end of the school year, teachers shall provide the Office of Human Resources with one preferred method of communication (email address, phone number, text message number, or proxy) for which to receive notice of available vacancies, and shall have three (3) calendar days to respond. Prior to the end of the school year, teachers shall be notified of their responsibility to notify the Office of Human Resources of their preferred method of contact. Teachers who fail to respond to the offer by the Office Human Resources in accordance with this paragraph shall be assigned to a position by the Office of Human Resources.

10. An employee exercising a right to return to the teacher bargaining unit after layoff or demotion shall be carried on the system-wide excess list in the applicable program area, but shall be eligible to participate in the PTPP.

11. All involuntarily excessed teachers and nurses will be notified by April 15th.

12. Disputes concerning the interpretation or application of the PTPP will be processed as grievances under the contractual grievance and arbitration procedure as modified herein:

(a) all intermediate steps are hereby waived;

(c) arbitration will be conducted on an expedited basis without written briefs and with oral or written awards to be rendered not later than three days following the date of hearing not to exceed one day.

It is the intent of the parties that wherever possible remedial relief of any violation shall not delay implementation the PTPP nor require the undoing of sequentially filled vacancies made in good faith.

13. These excessing procedures are subject to all applicable state and federal laws and lawful orders pursuant thereto.

14. The parties will cooperate in addressing any special problems that may exist in any school in relation to this policy.

15. All seniority lists will be placed on the BPS website, and the BTU will be provided access to them. The School Department shall provide a copy of the seniority list and vacancy lists to the BTU no later than five days prior to the start of the PTPP. 1. Layoff and Recall Procedures

1. Layoffs

(a) This layoff and recall procedure will not apply to "provisional" teachers, but will apply to "permanent" teachers and to nurses or other persons permanently appointed.
For the purpose of this section, all nurses with more than 3 consecutive years of service are deemed to be "permanently appointed" and nursing service will be considered a separate program area.

(b) An employee will be given written notice of layoff by June 1 of the professional work year preceding the professional work year in which the layoff is to take place. For example, an employee to be laid off effective in September must be given written notice on or before the prior June 1.

(c) Employees will be laid off in reverse order of seniority within a program area. A senior employee within a program area with notice of layoff may exercise seniority by displacing the most junior teacher in all of the other program areas in which he or she is qualified.

(d) A person promoted out of their bargaining unit on or after 9/1/80 will retain full seniority rights in all areas in which he or she holds state certification, but shall not accrue seniority while outside of the bargaining unit. For purposes of this section a teacher "on assignment" outside of the bargaining unit for more than sixty (60) days is not considered to have been "promoted" and may continue to accrue seniority within this bargaining unit.

Any person promoted out of this bargaining unit prior to September 1, 1980 shall not accrue additional bargaining unit seniority for service outside the bargaining unit after August 31, 1983.

For the purpose of this section, an employee with notice of layoff may exercise her or his seniority rights in the order specified in subsection (c).

(e) There shall be a seniority-based layoff system for Clinical Social Workers.

2. Recall

(a) Persons on recall will be given first preference in filing permanent vacancies within the bargaining unit which arise prior to March 15 and in filling temporary full-year vacancies (to remain vacant for the rest of the year) arising prior to December 1st.

(b) A recall will be by seniority to a vacancy in a program area in which a person is qualified at the time of recall subject to the provisions of IVC17 (d) of the Settlement Agreement.

(c) Seniority shall not accrue to an employee while on recall.

(d) A teacher who is offered recall to a full-year vacancy must accept or reject the offer within three (3) days excluding Saturday, Sunday, or a holiday after receipt of the offer and, upon acceptance, must be prepared to begin work no later than the Monday second next following acceptance of the offer, provided, however, a later reporting date will be allowed if a teacher is required to give up two (2) weeks’ notice to a current employer.

(e) Teachers who reject a recall offer made on or before March 15 of any year for a teaching assignment to commence at the beginning of the next school year shall relinquish all recall rights.

(f) Employees who continued to be employed in seniority areas outside the ones in which they were teaching immediately prior to layoff shall be eligible to fill future vacancies in such program areas, in order of seniority, once the recall list for any such areas have been exhausted.

(g) Severance Payment: Teachers returning from recall shall not become eligible for severance pay, under Article VIII(K), unless they complete the work year.

(h) Teachers currently on the recall list because they were laid off in 1981 and 1982 will be required annually beginning in November, 1989 to confirm in writing (within 45 days of notification) their interest in remaining on the recall list. Teachers not complying or no longer qualified will be dropped from the list. The School Department will mail this notification to the teacher’s last known address, and provided it does so, the Union will not grieve a failure or delay of actual notice.

(i) Effective in the 1994-95 school year, all teachers shall have recall rights for four years from the effective date of layoff.
(j) Teachers currently on the recall list are entitled to four years on the recall list from the date of this Agreement.

3. Resolution of Disputes

Same as Article V(K)(9) of this Agreement, except delete “excessing.”

4. Effect of Laws

This layoff and recall procedure is subject to all applicable State and Federal laws and lawful orders pursuant thereto. The parties will cooperate in addressing any special problems that may exist in any school in relation to this policy.

M. Withdrawal of Resignation, Subsequent Reemployment

Teachers who resign in June and subsequently are reemployed in September of the same year shall be placed in the appropriate salary step of this agreement and shall be credited with the sick leave reserve and sabbatical leave rights which they held at the time of resignation. Re-entrants shall be placed on re-entrant list for appointment after successfully passing the major in the subject area.

Nurses who resign in June and subsequently are reemployed in September of the same year shall be placed in the appropriate salary step of this agreement and shall be credited with the sick leave reserve which they held at the time of resignation.

N. Residency

The parties agree to reopen negotiations if the state law regarding residency changes.

O. Notice Following Interview

The Superintendent will send a memorandum to all principals and headmasters directing them to send timely, written notice to any teacher who has interviewed for a position indicating whether or not the teacher received the position.

Article VI

Professional Development

A. Governing Philosophy

One crucial factor in creating and maintaining an excellent public school system is the professional development of teachers and paraprofessionals. Professional development is the process by which teachers, individually and jointly, increase, enhance, improve, and update their existing knowledge base and skills.

While the major responsibility for defining, developing, and implementing a plan for professional growth lies with the individual teacher or paraprofessional, the School Department and the Union agree that it is in their best interest to work together to jointly define developmental needs and to facilitate, support, and provide resources and opportunities for teachers to exercise that responsibility.

Professional development will increase teacher effectiveness, confidence, morale, commitment, and ability to improve the quality of education offered to students in the Boston Public Schools.

Professionalization will also improve the School Department’s ability to attract, develop, and retain excellent teachers.

The central issues that should determine the structure and content of professional development opportunities are what teachers, mentors, and evaluators identify as needs and as the most effective, efficient way to meet those needs. Among the ways such opportunities might be structured are:

– granting teachers a sabbatical to pursue an advanced degree program at a university or college
– providing staff support and resources for a teacher-designed, school-based workshop held on a single afternoon
– zone-sponsored mini-sabbaticals spread over several months
– exchange programs for math, science, and computer teachers with business, industry, and government
- courses or seminars designed and tailored to respond to needs identified by Boston teachers and offered at school sites around the city
- courses, seminars, and workshops available over educational television.
- in-school collaboration for a period of weeks or months with a specialized professional

The range of possibilities for the content of such professional development opportunities might include:

- strategies for growing and nurturing parent involvement with a school and support for their children’s education;
- dealing with children who are acting out, taking the behavior as a symptom of underlying problems and addressing both;
- courses or seminars designed and tailored to respond to the ever-changing educational needs of the population of children being served by the Boston Public Schools, including, for example, multiculturalism;
- courses that are designed to update classroom teachers with new data, research, and topics that are being explored in their field of teaching.

B. **Sabbaticals**

The Superintendent and the School Committee in consultation with the Center For Leadership Development shall decide whether and how many sabbaticals there shall be in a given year, if any, and determine procedures for their allocation. Both teachers and paraprofessionals shall be eligible for sabbaticals.

C. **Educational Conference Days**

There will be 2000 days annually across the system budgeted for educational conference days that may be used for educational conferences, for visiting other schools locally, for teacher conferences, and for similar professional activities. The Career In Teaching Panel will be responsible for determining how such days will be allocated among schools.

D. **New Teacher Developers**

A. A system that mentors and provides support and training development to novice teachers and provides an orientation program for other incoming teachers will be implemented. To meet this need, the position of New Teacher Developer (NTD) will be created to work with novice teachers. The NTD will be paired where possible by content area, subject areas, and grade level with novice teachers for such activities as conducting observations, demonstrations, mentoring, coaching, and providing induction support and professional development.

B. The position of full-time New Teacher Developer (NTD) shall be created and will allow for one (1) NTD to work with 14 novices and will be paid an additional 5% above their base annual salary. The work year for a full-time NTD will be 183 days, an additional 18 hours per year, and an additional 2.5 hours per week commencing on or about the second week in August through approximately June 15th, or when the NTD completes his or her work year, of each school year: however, full-time NTDs will be paid from September 1 through August 31 of each respective school year. All pay shall be retirement worthy. Full-time NTDs will be hired through a central hiring process. A team of three (3) members from the Boston Teachers Union and three (3) representatives from the Boston Public Schools will conduct the screening and selection of full-time NTDs using the job description and Dimensions of Effective Teaching as criteria.

C. Part time NTDs shall be assigned to work on a 1:1 ratio at 5% for an additional 2.5 hours per week or 1:2 ratio (NTD to novice(s)) at 10% for an additional five (5) hours per week. A part-time NTD can be assigned up to two (2) novice teachers, but it is desirable that the ratio be kept 1:1. The work year shall be the same as the standard work year. The additional pay shall be retirement worthy and the 5% additional salary (10% for two) shall be guaranteed for the entire school work year, contingent upon the NTD’s successful completion of his or her responsibilities, with the understanding that NTDs assigned after the beginning of the school year will provide the balance of time as additional hours. Part-time NTDs shall be hired by each school’s “personnel subcommittee.”

D. The parties hereby agree that in 2006-7, all part-time NTD training will be conducted during school time, except that all part-time NTDs will work on Saturday, 9/16. Time spent on Saturday, 9/16, will be paid at the contractual hourly rate. Part-time NTDs will also receive two in-service credits for working on Saturday, 9/16. The in-service credits will be transmitted no later than 10/30. Teachers who do not complete the training program by the end of the school year will forfeit the in-service credit until completion of the program. In 2007-8 and 2008-9, all part-time NTD training will be conducted during the normal school day and no in-service credits will be provided.

E. **Center for Leadership Development**
The Boston Public Schools and the Boston Teachers Union are committed to establishing the Boston Public School Center for Leadership Development (CLD) which will provide educational leadership development opportunities to BPS parents, teachers, paraprofessionals, substitutes, and administrators. The Boston Public Schools Center for Leadership Development will be a service-based operation designed to integrate and facilitate the coordination of training programs for parents, teachers, and staff in the BPS. It will be the institution primarily responsible for facilitating and coordinating the support and training necessary for implementation of school reform in Boston.

1. Leadership Development for the Entire School Community

The Center for Leadership Development will be the coordinating body for all teacher-related professional development. The Boston Public Schools Center for Leadership Development will provide the following services to teachers, administrators, and parents:

(a) Systemwide Leadership Development

Each school will be able to secure services from the BPS Center for Leadership Development to meet the professional development needs of its own school-based reform initiatives.

(c) Individual Professional Development

Individual teachers will be able to use the BPS Center for Leadership Development to develop their own professional development plans. The School Department, through the Center for Leadership Development, shall conduct an annual survey of teachers to assess what courses, workshops, and seminars they need in specific content areas to enable them to recertify under the 1993 Massachusetts Educational Reform Act.

The CLD shall make available to BTU bargaining unit members courses, workshops, and seminars, including ones that focus on content areas, prior to 1999 to enable them to recertify under the Massachusetts Educational Reform Act.

(e) BPS School Department

The BPS Center for Leadership Development will be available to provide training and professional development programs for BPS administrators, principals, and staff.

(f) SBM/SDM Support and Training

Beginning in the 1995-96 school year, the BPS Center for Leadership Development will be available to train parents, teachers, and administrators on School Site Councils and involved in school-based parent organizations. During the 1994-95 school year, it will work with the SBM/SDM staff and the SBM/SDM Consortium to provide training to the School Site Councils.

(g) Dissemination of Best Practices

Another role of the BPS Center for Leadership Development will be to coordinate the dissemination of the "best practices" from the BPS teachers and administrators as well as from other school districts. This includes disseminating the best practices of the BPS Pilot Schools. It will sponsor workshops and publications which help to accomplish this as well as the training of lead teachers in these practices, so that they can then train teachers in other schools.
2. Types of Leadership Development Opportunities Provided

The BPS Center for Leadership Development (CLD) will provide the following types of leadership development opportunities:

(a) Workshops and Courses

The CLD will develop and sponsor courses and workshops in response to systemwide and school-based education reform needs. The CLD will provide an annual catalogue of all courses and workshops to parents, teachers, and administrators. The CLD will seek to become a Continuing Education Unit ("CEU") approved provider.

Effective 9/1/07, the CLD shall post an online list of courses, workshops, and seminars offered. Professional development programs shall never be scheduled during religious holidays recognized by the Collective Bargaining Agreement. A joint committee of teachers and management, with teachers in the majority, shall be convened within two months of the signing of this agreement to survey the course offerings and to make recommendations to the superintendent.

(b) On-Site Workshops

The CLD will also provide on-site workshops that meet the specific needs of particular schools. This may include School-Based Management training for parents and teachers, or training geared to the needs of the local parent center, or professional development opportunities for groups of teachers.

(c) Individualized Support

The CLD will train BPS Lead Teachers who will provide mentoring and consulting services to individual teachers in the BPS.

(d) Peer Coaching and Observation

The CLD will also make available opportunities for teachers to observe other teachers model “best practices.” This may be in the classrooms of the BPS Lead Teachers or in the BPS Pilot Schools.

(e) Collaboration with Boston Higher Education Partnership

The CLD will work to access greater training support from the Boston Higher Education Partnership. Such training support will include, but not be limited to, courses and workshops by higher education faculty.

3. Organizational Structure

(b) CLD Advisory Committee

The CLD advisory committee will include representatives from the following organizations: Boston Teachers Union, Higher Education Partnership, the Boston COMPACT, the Boston Plan for Excellence, and the parent organizations. Additional members may be added by the Boston School Committee. The CLD Advisory Committee will, through the CLD Executive Director, report to the Superintendent and School Committee.

The CLD Advisory Committee will be responsible for:

- providing advice and input about the overall direction of the CLD;
- assisting in coordination between the participating organizations;
- spearheading fundraising for the CLD; and
- monitoring the CLD’s progress in achieving its goals.
4. Funding of CLD

The BPS Center for Leadership Development will be funded through multiple sources.

(a) The BPS will provide a foundation budget of $250,000 for the 1994-95 School Year to the BPS Center for Leadership Development designed to facilitate the implementation of the systemwide reform initiatives.

(b) The BTU will contribute a to-be-determined amount of in-kind services to the BPS Center for Leadership Development to support the professionalization of Boston Public School teachers.

(c) The CLD Advisory Board in collaboration with the BPS grants office and the BTU will be responsible for ongoing fundraising from public and private sources.

F. Career Ladder

The BPS is committed to improving the profession of teaching—a profession that offers opportunities for professional growth, involvement in decision-making, communication and collaboration, and increased responsibilities and accountability. By implementing systemic educational reform, teachers will be increasingly assuming greater responsibility for the success of the reform effort. Accordingly, they should be given opportunities to develop these leadership skills and to earn correspondingly higher salaries. The development of a professional teacher career ladder is one way to provide these incentives to attract and keep quality teachers in the profession. The BPS shall establish a Career in Teaching Program that will be governed by a Career in Teaching Plan (the "plan") administered by the Career in Teaching Panel. The Career in Teaching Program will have the following components.

1. TeachBoston

Lead teachers shall receive a stipend of $2,250. The personnel subcommittee shall make recommendations to the building administrator for the selection of the lead teacher and the building administrator shall determine the duties of the lead teacher(s) in consultation with the lead teacher(s).

3. National Board for Professional Teaching Standards

Teachers who successfully complete the certification process of the National Board for Professional Teaching Standards (NBPTS) shall be reimbursed by the BPS for the costs of the application fees. Although not a requirement, successful completion of the NBPTS certification requirements may be considered as a special qualification for Lead Teacher eligibility.

Teachers who receive reimbursement for the NBPTS certification process shall commit to remain in the BPS system for at least two years after receipt of such reimbursement.

All National Board Certified Teachers shall receive additional compensation in the amount of 4% of their annual base salary as long as they hold National Board Certification. Such payment will be part of the teachers’ annualized salary for retirement purposes.

Provisional teachers, who have completed at least one year of service in the Boston Public Schools, shall be eligible for tuition reimbursement provided there has not been a break in service. Payment will not exceed $500 per provisional teacher, per school year who satisfies the above-mentioned prerequisites. The total expenditure for tuition reimbursement under this provision shall not exceed $350,000 per fiscal year. However, the following reimbursement for provisional

Individually crafted performance and teaching goals for the participating teacher will be aligned with the BPS Dimensions of Effective Teaching and the teacher performance evaluation tool.

The management of the Peer Assistance program will be the responsibility of the Peer Assistance Committee (PAC) which is to be comprised of both BPS and BTU members.

equal to M+60 plus $1,400. The Doctorate lane shall be equal to M+60 plus $2,200. On 9/1/05, the parties agree to the following sequence of salary changes, from the previous year: A 1% raise will be enacted across the board. The M75 lane will be implemented as described as will the new doctorate lane. Another 1% raise will be enacted after the implementation of the Masters 75 increase.

D. Column Placement

1. Column A

Column A applies to holders of a Bachelor's degree or other certification.

2. Column B

Column B applies to those persons who:

(b) Have served ten years under one of the following certificates: Certificate IV High School, Certificate XI-Special, Valid in Day High School Elementary and/or Middle, or Certificate XXVIII - Boston Business School, or Certificate XXXI High School Women, or Certificate XXXI or XXXI-B Day and Evening Industrial Schools, or Certificate XXXVI-School Librarian;

(e) Are serving under Certificate XI-Special Assistant Director Music;

(f) Are a Trades teacher and have earned 30 credits at the college level; or

Anyone hired after August 31, 1986 shall not be subject to subsections (b), (c), (d), and (e) of this Section.

3. Column C

Column C applies to those members of the bargaining unit who possess a Master's degree and have earned a total of thirty (30) additional graduate credits or a law degree from an institution of higher learning accredited by the Committee and approved for credit by a representative of the Committee provided, however, that this language shall not displace any rights to which any teacher may be entitled in the 1971-72 Agreement between the parties; or the person is a Trades teacher who has earned a Bachelor's degree; or the person is now serving under Certificate IV, High School, Women, or Certificate XXXI or XXXI-B, Day and Evening Industrial Schools was a prerequisite, holds a Master's degree, and is currently not serving in the Industrial Arts Section of the Department of Vocational Education and Industrial Arts. Anyone hired after August 31, 1986 shall not be subject to the last clause, “or the person is now serving … industrial arts.”

4. Column D

Column D applies to those persons in Group I who hold an earned Doctor's degree from an institution of higher learning accredited by the Committee; or a Trades teacher who has earned a Master's plus 30 credit.

5. Lane Advancement

(a) For Group I and Group II, credit towards the “Bachelor's and 15 credits” lane, the “Master's and 15 credits” lane, the “Master's and 45 credits” and the “Master's and 60 credits” lane shall be granted on the same basis as that for which credits have been granted for the 30 added credits required for the “Master's and 30 credits” lane.

(b) Lane placement on an equivalency basis shall be granted to Trades teachers so that they achieve Master's plus 45 upon earning
a Master’s degree.

(c) In accordance with past policy, credit shall be granted for salary purposes for in-service courses and all graduate courses taken at an institution of higher learning accredited by the Committee. Credit in the excess of ten (10) but not in excess of thirty (30) shall be granted for salary purpose for in-service courses earned after September 1, 1980.

The School Department reserves the right to disapprove for salary credit courses that are unrelated to the field of education in the Boston Public Schools, or to subjects taught therein, or which do not enhance advancement up the educational career ladder for bargaining unit personnel. Law credits or degrees shall be creditable for employees who were in law school on or before the date of ratification of the 1983-86 Agreement and who acquire their law degree on or before June 30, 1985. Other employees with a law degree will always be placed one lane on the salary scale advanced from where they would otherwise be. Requests for pre-approval of any courses shall be responded to by the Human Resource Department promptly.

A teacher hired after September 1, 2013 shall not advance a lane on the salary grid beyond the Masters +15 lane in Art. VIII, Section C unless he or she takes course(s) that have received prior approval for lane advancement from the Assistant Superintendent of Human Resources.

(d) With the School Department approval of subject matter and provider, fifteen (15) contact hours of continuing education shall equal one (1) in-service credit for nurses, speech and language pathologists, school psychologists, pupil adjustment counselors, guidance counselors, occupational and physical therapists, vision teachers, and lead sign language interpreter.

6. Academic Advancement Ladder

There shall be created a new “credit” for academic lane advancement, called an Academic Ladder Credit “ALC.”

The school department shall be able to set an appropriate number of ALCs for each course or strand of courses. The school district shall be allowed to assign ALCs for a “strand” of courses available upon completion of the entire strand without allowing individual course credit for partial strand completion. So, for example, the district may set up a strand of five math courses – of the district’s own design – for elementary teachers, with the understanding that all five must be completed for any credit to be given.

All courses or strands of courses will be tuition-free.

All ALCs shall be interchangeable with in-service credits for lane advancement without being subject to the current in-service cap of 30. ALCs shall be awarded on a ratio of one (1) credit to twelve (12) hours of ALC instruction.

The school district shall be able to place whatever conditions it wishes on the attainment of ALCs whether for a course(s) or strand(s) completion. As an example, homework and research papers can be assigned, provided that the conditions are stated in a syllabus distributed at the beginning of the course/strand.

Employees may use combinations of graduate credits, in-service credits and ALCs for lane advancement. However, a teacher must possess a Master’s degree to advance to the Master’s lanes and must possess a Doctorate degree to advance to the Doctorate lane.

L. Retirement Plan–State Boston Retirement System

Permanently appointed persons have a percentage of their salaries deducted each pay day according to law. The amount you must contribute is as follows:

Eleven percent of your regular compensation if appointed on or after July 1, 2001;
Nine percent of your regular compensation if appointed on or after July 1, 1996;
Eight percent of your regular compensation if appointed on or after January 1, 1984;
Seven percent if appointed on or after January 1, 1975 yet prior to January 1, 1984;
Five percent if appointed prior to January 1, 1975.
In addition to the above, for all employees employed between January 1, 1979 and June 30, 2001, an additional 2% contribution is required on salary above $30,000.

One must be under age sixty-five, upon entering service, to become a member. Special allowances are granted veterans and those disabled. Generous allowances are made to dependents of those who die on the job after two years of service. Teachers who enter Boston Service may make up ten years of out-of-state service by contributing to our fund.

Pensions are based on the average of one's three highest paid years of service, their total years of service, and their age. One cannot receive more than 80% of the average of their three (3) highest years.

The following Percentage Table is used.

   ii. In the event that the legislature takes not action on the above mentioned matter by June 30, 2008, the Union will support the adoption of Section 18, in its current form, by the Boston City Council.
   iii. Upon adoption by the Boston City Council, the City will meet with the Union and bargain over the impact that the adoption will have on current members upon their retirement. It is the intention of the parties to meet and bargain over the impact of the adoption of Section 18 during the contract period. In the event the impact of said adoption does not conclude during the contract period, the City reserves its right to maintain that the impact of Section 18 shall continue to be an impact bargaining issue. Likewise, the Union reserves its right to maintain that the impact of Section 18 should be addressed as part of successor bargaining. This agreement shall not be construed as an agreement by either party as to whether or not this matter must be subject to impact bargaining or successor bargaining. In the event that this matter does become subject to successor bargaining, the parties will address the matter separate and aside from other matters being negotiated at the main bargaining table. O. Health and Welfare Fund

The Committee and the Union have established a Trust Fund designated as “The Boston Teachers Union Health and Welfare Fund” to provide such benefits as are set forth in the Health and Welfare Fund Agreement heretofore executed between the parties and incorporated herein by this reference as if set out fully at this point except that the Health and Welfare Fund shall be administered solely by five (5) trustees appointed by the Union and three (3) appointed by the Committee.

The Union agrees to comply with the reporting and disclosure requirements contained in Article IV, Sections 4.7, 4.8, and 4.9 of the Agreement and Declaration of Trust for the Boston Teachers Union Health and Welfare Fund, dated December 23, 1968.

Any bargaining unit member for whom a contribution is made to the Health and Welfare Fund in any school year shall remain covered by the Fund for the duration of that school year so long as he/she remains in the employ of the Committee in an acting position. No prorated credit shall be due the Committee for such employees. Should a bargaining unit member leave the bargaining unit for the balance of any school year and not remain in the employ of the Committee in an acting position, the Committee shall receive a prorated credit on the July payment to the Fund for those months of the school year beginning with the first full month after notice of service has been sent to and received by the Fund. Contributions to the Fund for employees granted provisional contracts shall be prospective, except pursuant to a grievance settlement or if required by a retroactive award ordered by an arbitrator.

Contributions shall be prorated for employees hired during the school year based on the number of months worked in relation to ten months. A month shall count as worked if any day in such month is worked.

The payment required annually on behalf of each person employed within the bargaining unit shall be made at the time required under the predecessor agreement in the following amount:

The annual contribution for Teachers and Paraprofessionals will increase by $150.00 effective September 1, 2007. This amount will be added to the base contribution prior to application of the 3% general rate increase granted for the 2007-2008 school year.

P. Compensation Obligations

The Committee shall not be obligated to compensate bargaining unit members for services delivered unless the Committee authorizes such activities.

Q. Leaves of Absence and Sick Leave

1. Leave for Union Officers
Not more than the aggregate of twelve (12) employees in the bargaining unit for teachers and paraprofessionals, who are officers of the Union or who are appointed to its staff shall upon proper application, be given leave of absence without pay during the school year for the purpose of performing legitimate duties for the Union. Employees given leaves of absence without pay shall receive credit toward annual salary increments on the schedules appropriate to their rank.

The Committee agrees to recommend to the Pension System that the time spent on leave of absence pursuant to this section be granted as a service credit for retirement purposes and that the employees receiving such leave be permitted to pay regular monthly contributions based upon their earnable salaries as members of the teaching staff for the period of such leave.

Provided also that for special purposes leaves without pay under the above conditions shall be granted from time to time for shorter periods than one year but not less than three months as requested by the Union for special study or research or similar relevant purposes to enhance the knowledge and competency of the Union in administering its responsibilities under this contract. All leaves under this short term stipulation would not exceed a total of twelve months per school year.

2. Leave for Personal Reasons

Teachers granted leave with pay shall be permitted to continue to establish creditable service towards retirement while on such leave.

3. Sick Leave

All members of the bargaining unit shall be granted an annual leave for fifteen (15) days without loss of pay, for absence caused by illness or by injury, or by exposure to contagious disease.

Sick leave may accumulate from year to year without limitation.

Each September, fifteen days of sick leave shall be added to the reserve of each person in actual service on or before October 1 of that school year.

A person appointed after October 1 of any school year shall be granted sick leave for that school year on the following basis:

(a) A person appointed after October 1 but before January 1 shall be granted twelve (12) days sick leave for that school year.

(b) A person appointed after January 1 but before April 1 shall be granted eight (8) days of sick leave for that school year.

(c) A person appointed after April 1 shall be granted four (4) days leave for that school year.

Up to thirty (30) days of accumulated sick leave in each school year may be used for family illness or for adopting a child. Effective September 1, 2004, up to forty (40) days of accumulated sick leave in each school year may be used for adopting a child. Additional leave for these purposes is subject to the approval of the Director of the Office of Human Resources.

Permanent members of the bargaining unit who resign without obtaining severance pay shall have their prior accumulated sick leave restored upon returning to the bargaining unit and obtaining permanent status.

4. Absence Due to Injury in the Course of Employment

Persons injured in course of employment shall be granted leave in accordance with the provisions of this subsection, and such persons and substitute teachers will receive other Workmen’s Compensation benefits as provided in General Laws, Chapter 152.

(a) A bargaining unit member whose industrial accident claim has been accepted and who is receiving workers’ compensation pursuant G.L.c.152 will have restored all sick leave used after initial date of injury related to said claim and prior to receipt of workers’ compensation pursuant to G.L. c.152. Such employee may, after acceptance of said claim, use such of his or her sick leave accrued prior to acceptance of claim, as may result in the payment of full salary. Any absence due to an injury compensated under G.L. c.152 shall be
counted as creditable service for purposes of determining an employee’s career award entitlement, seniority and salary step advancement once the employee has returned to work, provided however, that additional personal days and sick leave days shall not accrue to employees during the period after the employee has been accepted and is receiving workers’ compensation and until such employee returns to work. Nothing herein is intended to diminish or reduce any rights or employees pursuant to G.L. c.152.

(b) Notwithstanding the provisions of the foregoing paragraph, a bargaining unit member who is absent due to physical bodily injury as a direct result of a physical assault and battery which occurs during the course of his/her employment and who, as a result of this injury has been accepted for and is receiving Workers’ Compensation payment pursuant to G.L. c.152, shall have restored any sick leave used to supplement his/her workers’ compensation payment, and which when added to his/her workers’ compensation payment is equal to his or her full weekly salary. The provisions in this section shall be limited to forty-five calendar days after a bargaining unit member has been accepted and is receiving Workers’ Compensation.

5. Personal Leaves and Miscellaneous Paid Leave

Requests for personal leave other than in an emergency shall be submitted to the building administrator as early as possible prior to the day for which leave is requested. In no event will personal leave be granted during a school emergency.

Effective September 1, 2003, employees shall be entitled to use up to four (4) personal days “per school year.” Any personal days not used in the year for which they are granted shall be added to the employee’s sick leave entitlement for use in subsequent years.

(b) Limit on Number of Persons Taking Leave at the Same Time

Except at the discretion of the building administrator, not more than five (5) percent of the teachers in a building shall be eligible for personal leave on the same day.

(c) Limit on Personal Days Before and After School Vacations

No teacher may take a personal day on both the day immediately preceding and the day immediately following a school vacation, including the Thanksgiving recess.

(d) Religious Holidays

The Committee shall provide up to two (2) days without loss of pay or personal leave for observance of the Jewish Holy Days, Rosh Hashanah and Yom Kippur, and for observance of the Muslim religious holidays, Eidul-Fitr and Eidul-Adha.

(e) Death in the Immediate Family

In the event of a death in the immediate family, including mother-in-law or father-in-law or anyone residing in the same household with the teacher, up to five (5) days without loss of pay shall be provided. Days are consecutive school days immediately preceding, following or including the day of death. Holidays, vacations or suspended sessions shall be considered school days under this provision. One (1) day without loss of pay shall be provided for a niece, nephew, uncle, aunt, and in-law other than above.

Three (3) days without loss of pay shall be provided for the death of a grandchild or grandparent.

**(g) Union Convention Leave**

Up to 150 person-days per year without loss of pay for teachers and paraprofessionals will be provided for attending union conventions and conferences scheduled on teacher work days. Names of individuals to attend will be submitted to the Personnel Department ten (10) school days in advance of the leave. The BTU Health and Welfare Fund will reimburse the Department for its actual cost of substitutes filling in for persons on leave to attend a health and welfare-related conference or convention.

**(h) Maternity and Child Care Leave**

Any teacher who becomes pregnant shall give the Superintendent and her principal headmaster or immediate superior immediate notice of the pregnancy and the expected date of delivery.

Any teacher shall be eligible to use accumulated sick leave for disability caused by pregnancy or childbirth and recovery thereof. The certificate or statement of a doctor that such teacher was not in fit condition for service shall be necessary following an absence of six or more successive school days under sick leave.

Any teacher who is pregnant shall, upon request, be given a maternity leave of absence without pay; provided, that a teacher shall be eligible to use accumulated sick leave for such portion of the maternity leave of absence for which her physician certifies that she was not in fit condition for service due to disability caused by pregnancy or childbirth and recovery thereof.

No pregnant teacher shall be permitted to work later than the date recommended by her physician.

The pregnant teacher shall notify her principal, headmaster, or immediate superior no less than two weeks before her anticipated date of departure of the day she will leave.

The teacher, after delivery or if the pregnancy is of shorter duration than expected, may be permitted by the Superintendent to return to work at any time. She shall, however, be permitted to return to work upon notifying, in writing, no less than two weeks in advance of her return, the Superintendent and her principal, headmaster or immediate superior. The Superintendent may require the certificate or statement of a doctor that such teacher is in fit condition for service.

No maternity leave of absence combined with any sick leave for disability caused by pregnancy or childbirth and recovery thereof shall exceed eighteen months, except in accordance with the next paragraph.

If, before the expiration or termination of an absence under sick leave for disability caused by pregnancy or childbirth or recovery thereof, or a maternity leave of absence, a teacher shall become aware that she is pregnant again, the absence for her prior pregnancy shall immediately terminate and she shall be subject anew to this leave of absence.

A teacher who wishes leave without pay to care for his child after the mother will have recovered from pregnancy, must first have given the Superintendent and his headmaster, principal or director notification in writing, at least three months prior to the time he expects to be absent that he will take such leave and its expected duration. No less than two weeks before actual departure, he will notify the Superintendent and his headmaster, principal or director in writing of the day he will start the leave.

The teacher may be permitted to return to work before termination of his leave. He shall be permitted to return to work upon notification given two weeks in advance to the Superintendent and to his headmaster, principal or director. The teacher shall send the Superintendent a copy of the birth certificate within fifteen days of birth.

The duration of the leave, all of which is unpaid, shall not extend beyond eighteen months.

If, before expiration of the leave, the teacher learns that he is again to become a father, he may terminate the first leave of absence and arrange for a new one for a period up to eighteen months.

Teachers shall be credited for each day of sick leave for disability caused by pregnancy or childbirth and recovery thereof and of maternity leave of absence (days in which school is in session) up to forty (40) days of credit in each school year and; if teaching service and credited service totals at least one hundred twenty (120) days, shall be credited with one year's teaching experience for salary purposes.
Unpaid leave under this section shall be available for the purpose of adopting a child. Such leave will not exceed eight (8) weeks unless the child being adopted is less than twenty-four (24) months old, in which case no such leave shall exceed eighteen (18) months.

The January 15 deadline will be waived in case of circumstances arising after January 15 and beyond the teacher's control (e.g., unexpected family illness).

(d) A teacher on leave of absence for more than six (6) months including leave under Section VIII(R)(5)(h) above, may not return during a school year except to fill a vacancy. For the purpose of this section, a vacancy includes a position held by a substitute teacher, per diem or long term, but not by a non-tenured teacher under contract.

(e) Failure to Respond to the January 15th Deadline:

Teachers on leave of absence who fail to notify the Office of Human Resources in writing postmarked by January 15th whether or not they will be returning from leave (or who fail to explain in writing why a definitive answer is not possible at that time) shall forfeit their attachment rights shall re-enter the system via the excess pool.

For those who respond by January 15th as to why they cannot make a decision at that time, they must send a response, postmarked no later than May 1st, as to whether or not they will return in September. If they fail to respond by May 1st, they shall forfeit their attachment rights, their excess pool rights, and shall be subject to reassignment by the Superintendent.

(f) The Boston Teachers Union's Role: The BTU, through its officers, shall advise and encourage its members to communicate with their principals and the Office of Human Resources prior to January 15th concerning their intention to retire or resign or to take, extended, or terminate a leave of absence.

(g) The School Department's Role: The Superintendent and the Office of Human Resources shall require that principals and headmasters post all vacancies at their schools in a timely manner.

The parties believe the collective bargaining method is workable and competent and will add dignity and increase professionalism in the best sense to the joint effort of the Union and the Committee to reach agreement. In entering upon this responsibility, the parties declare their intention to cooperate fully in what must be the joint objective of both parties, the best education possible for Boston’s children.

B. Fair Practices

1. Non-Discrimination

As sole collective bargaining agent, the Union will continue its policy of accepting into voluntary membership and will continue to represent equally all eligible persons in the unit without regard to race, color, creed, national origin, sex, marital status, sexual preference, age, or handicap.

Said service fee shall be a sum equal to the amount required to become a member and remain a member in good standing in the Union and shall be paid over promptly to the Treasurer of the Union on a monthly basis.

(b) The Union certifies that it has established a procedure required by law under which any employee so demanding may obtain a rebate of such part, if any, of an agency service payment representing a pro rata share of expenditures for political action.

Article X
Dispute Resolution

A. General

It is the declared objective of the parties to encourage the prompt resolution of disputes arising under this Agreement. The parties recognize the importance of prompt and equitable disposition of any complaint at the lowest organizational level possible.

Whatever means are used to resolve a dispute arising under this Agreement, a resolution should be sought that provides fair redress of grievances while giving due consideration to the best interests of schoolchildren.

Any person(s) or the Union shall have the right to present a dispute and have it promptly considered on its merits. Staff covered by this Agreement shall not suffer a loss of pay for time spent in conferring and meeting on a grievance; provided, however, that conferences and meetings will not normally take place during periods when the individuals involved have classroom duties, except as otherwise provided herein. A grievance of a continuing nature alleging that it uniformly affects a class of bargaining unit employees need only be filed once and shall be considered to include all subsequent violations.
Any discipline in relation to collective bargaining unit members shall be for just cause.

B. Definitions

A "grievance" shall mean a complaint

(1) that there has been as to a member of the bargaining unit a violation, misinterpretation, or inequitable application of any of the provisions of this agreement or

(2) that a member of the bargaining unit has been treated unfairly or inequitably by reason of any act or condition which is contrary to established policy or practice governing or affecting employees, except that the term "grievance" shall not apply to any matter as to which the Committee is without authority to act. As used in this Article, references to a single employee shall include also a group of employees having the same grievance.

C. Availability of Mediators

The Steering Committee shall choose up to twenty-four (24) employees of the Boston Public School system to be trained as mediators for the system. All persons chosen shall be acceptable to both the Union and the Committee. Employees chosen for this position should have demonstrated excellent interpersonal skills, creativity, and an orientation toward collaborative problem-solving in carrying out their duties in the system. The candidates chosen should as a group be highly representative of the racial and ethnic diversity of the school system. They should receive formal training in problem-solving mediation. Appointments as a mediator should be voluntary. Appointments should be reviewed annually and terminable at the discretion of the Superintendent with or without cause.

These mediators shall be available in addition to their regular duties to confer with employees of the system involved in contract-related disputes on a confidential basis seeking to assist the parties in resolving such difficulties. They may talk in person or by phone. Mediators shall be called on to mediate a building-level discussion of a grievance in Step 1 of the dispute resolution process outlined in the following section. However, no mediator shall mediate a building-level discussion of a grievance that they have previously discussed with an employee, unless all parties to the mediation so request in writing. Mediation will be available for grievances filed at Step 2 or Step 3 if both parties agree.

The School Department will circulate at least annually to all employees a list of mediators and their phone numbers. School Department policy shall be to encourage employees to seek help from a mediator to resolve work-related difficulties informally.

Mediator stipends will be retirement worthy and become part of one's annualized salary.

D. Dispute Resolution Process for Grievances

Grievances of employees within the bargaining unit shall be presented and adjusted in the following manner:

1. General Procedures

(a) Step 1: School Level

An employee or his or her Union representative may either orally or in writing present a grievance to the Principal, Headmaster, or Director within a reasonable time, normally thirty (30) school days after knowledge by the employee of the facts giving rise to the act or condition which is the basis of her or his grievance.

The Principal, Headmaster, or Director of the school shall confer with the employee at the time of the complaint or within five (5) school days with a view to arrive at a mutually satisfactory resolution of the grievance. At that conference, the employee may present the grievance personally or he or she may be represented by a Union representative; but where the employee is represented, he/she must be present. Whenever a grievance is presented by the employee personally, the Principal, Headmaster, or Director shall give the Union representative the opportunity to be present and state the views of the Union.

The Principal/Headmaster or Director shall communicate his/her decision orally or in writing to the aggrieved employee and to any Union representative who participated in this Step within five (5) school days after receiving the complaint or within five (5) school days after the conference, whichever is earlier.
If the grievance is unresolved, a mediator shall be assigned within three (3) school days to assist the parties in attempting to resolve the complaint. If the dispute is not resolved within three (3) school days following the assignment of a mediator, the grievance may be appealed to the next step.

The parties shall observe the grievance procedure pertaining to Steps 1, 2, and 3 without regard to the mediation process specified herein until the utilization of mediators contemplated by this Agreement is made operational by the School Department and written notice of that implementation is provided to the Union.

(b) Step 2: Cluster Leader or Manager for Employee Relations

If the grievance is not resolved at Step 1, the aggrieved employee or the Union may appeal by forwarding the grievance in writing to the appropriate Cluster Leader within five (5) school days after he or she has received the Step 1 decision. The appeal shall include:

1. The name and position of the Complainant.
2. A statement of the grievance and the facts involved.
3. The corrective action requested.
4. Name of Union Representative at Step 1; if any.
5. Signature of each complaining employee or Union representative.

The Cluster Leader will conduct a grievance hearing with the aggrieved employee, and his or her Union representative shall be given at least two (2) school days’ notice of the hearing. The aggrieved employee shall be given the opportunity to be present at the hearing. The Headmaster/Principal or applicable administrator may also be present at this hearing to state his or her views. For grievances filed at step 1, mediators shall not be present at step 2 grievance hearings. For grievances filed at step 2, a mediator shall be used if requested by both parties.

The Cluster Leader shall issue a written decision on the grievance as soon as possible, but not later than ten (10) school days after the receipt of the appeal or five (5) school days after the hearing, whichever is earlier. A copy will be sent to the aggrieved employee and the Union.

The following grievances shall be presented to the Manager for Employee Relations with the procedures and time requirements set forth above:

1. A grievance alleging that the person was placed on the wrong step of the salary schedule.
2. A grievance alleging the person’s wages were improperly paid.
3. A grievance alleging the person was improperly denied an increment.
4. A grievance alleging the person’s absence deduction was improperly calculated.
5. A grievance alleging the person was improperly denied a sabbatical leave.
6. A grievance alleging the person was improperly denied a leave of absence without pay.
7. A grievance filed on behalf of a person who is not assigned to a level.
8. A grievance that, by mutual agreement of the Cluster Leader and Union, should be heard directly at Central Administration.

(c) Step 3: Superintendent

A decision at Step 2 may be appealed in writing by the employee or the Union to the Superintendent of Schools within ten (10) school days after the decision by the appropriate administrator at Step 2 has been received. The Superintendent or his or her designated representatives shall meet with the aggrieved employee and the Union representative with a view to arriving at a mutually satisfactory resolution of the complaint. The aggrieved employee and the Union representative will receive at least two (2) school days’ notice of the meeting and shall be given an opportunity to be heard. The Headmaster/Principal or Director and the Cluster Leader or Manager of Employee Relations may also be present at the meeting and state their views.

The Superintendent or her or his designated representatives shall communicate her or his written decision together with supporting reasons to the aggrieved employee and to the Union as soon as possible, but not later than ten (10) school days after receipt of the appeal or five (5) school days after the conference, whichever is earlier.

(d) Alternative Procedure for Certain Grievances

All grievances involving in whole or in part violations of section I(F) of this Agreement, “Handling of New Issues,” shall be
submitted to the following procedure in lieu of proceeding through Steps 1 through 3 of the grievance procedure described above. Either party may initiate a grievance in writing by requesting that it be made the subject of a meeting between a representative of the General Counsel’s office and a representative of the Union. The parties shall meet and confer upon the matter within ten (10) school days following the request for a meeting in an attempt to resolve the grievance. If the parties agree on a resolution, they shall reduce this agreement to writing and sign it. The representative of the General Counsel’s office shall be authorized to take appropriate corrective action to redress such grievances. If no agreement is reached within ten (10) school days, nothing in this clause shall affect the rights or either party to proceed to arbitration.

2. Initiation of Grievances at Step 2 or Step 3

(a) Grievances arising from the action of officials other than the Principal, Headmaster, or Director may be initiated with and processed in accordance with the provisions of Step 2 of this dispute resolution process. Where the action is initiated by the Superintendent of Schools, the grievance may be initiated at Step 3.

(b) Conferences held under this procedure at Step 2 or Step 3 shall be conducted at a time and place that will afford a fair and reasonable opportunity for all persons entitled to be present to attend. When such conferences are held during day school hours, all persons who participate shall be excused with pay.

3. Time Limits and Application

(a) The time limits specified in any step of this procedure may be extended in any specific instance, by mutual agreement.

(b) A grievance filed at an inappropriate step of the grievance procedure will be considered as properly filed, but the time limits for answering the complaint shall not begin until the grievance is referred to the appropriate step.

(c) In the event that the immediacy of the grievance requires an employee to meet with his/her Principal or Headmaster suddenly (on a non-scheduled occasion) he/she shall be allowed to have his/her Union representative present at the meeting, provided he/she first makes this request of the Principal or Headmaster.

(d) A failure by a teacher or the Union to process the grievance from one step to the next step, within the time limits provided for will result in an automatic appeal of the grievance to the next step. A failure of a Committee representative to answer a grievance at any step of the grievance procedure within the time limits provided shall be considered a denial of the grievance at that step.

E. Arbitration

1. Arbitration Defined

A grievance which was not resolved at Step 3 under the grievance procedure may be submitted by the Union to arbitration. The arbitration may be initiated by filing with the Committee and the American Arbitration Association a request for arbitration. The notice shall be filed within thirty (30) school days after denial of the grievance at Step 3 under the grievance procedure, provided, however, if the Union did not receive a written reply from the Superintendent at Step 3, then said time limit shall be extended to sixty (60) school days after the Step 3 hearing. The voluntary labor arbitration rules of the American Arbitration Association shall apply to the proceeding.

The Union will make a reasonable effort to use no more than two (2) witnesses during the same school hours in arbitration cases.

2. Power of the Arbitrator

Notwithstanding anything to the contrary, no dispute or controversy shall be a subject for arbitration unless it involves the meaning, interpretation, or application of an express provision of this Agreement. The arbitrator shall have no power to alter, add to, subtract from, or modify any provision of this Agreement. The parties are agreed that no restrictions are intended on the powers of the Committee except those set forth in the language of this Agreement.

3. Decision of the Arbitrator

The arbitrator shall issue his/her written decision not later than thirty (30) days from the date of the close of the hearings or, if oral hearings have been waived, then from the date of transmitting the final statements and proofs to the arbitrator. The decision of the arbitrator will be accepted as final by the parties to the dispute and both will abide by it.
4. Arbitration Award Application

The Committee agrees that it will apply to all substantially similar situations the decision of an arbitrator sustaining a grievance and the Union agrees that it will not bring or continue, and that it will not represent any employee in any grievance which is substantially similar to a grievance denied by the decision of the arbitrator. The arbitrator’s fee will be shared equally by the parties to the dispute.

5. Alternate Arbitration Procedure

Notwithstanding any contrary provision of this Article, unresolved grievances at Step 3 may be submitted by the Union to a closed panel of arbitrators and not the American Arbitration Association, under an alternate arbitration procedure mutually agreed between the parties.

6. Staffing Clause

Notwithstanding any contrary provision of this Agreement, no provision of this Agreement shall be deemed to require the School Committee to hire any particular number or kind of teachers or other personnel or to maintain any level of staffing, nor shall any arbitrator have the power to order the hiring of any kind or number of teachers or other personnel as a consequence of any violation of this Agreement. This provision shall not be deemed to restrict any arbitrator from ordering the reinstatement of any employee in any case dealing with the question of just cause for dismissal.

7. Implementation

The Committee will use its best efforts to implement a settlement agreement or an arbitrator’s award within 30 days after approval of such settlement or receipt of such award and determination not to contest it.

Such efforts shall include, but not be limited to, establishment of a payment system under which specified employees of the School Department are to be held accountable for compliance with this section.

F. Resolution of Differences by Peaceful Means

The Union and Committee agree that differences between the parties shall be settled by peaceful means as provided within this Agreement. The Union, in consideration of the value of this Agreement and its terms and conditions and the Legislation which engendered it, will not engage in, instigate, or condone any strike, work stoppage, or any concerted refusal to perform normal work duties on the part of any employee covered by this Agreement.

Local 66, AFT-Mass., AFL-CIO

Preamble

WHEREAS: in a secret ballot election conducted at the request of the School Committee of the City of Boston (hereinafter referred to as the “Committee”) by the Labor Relations Commission of the Commonwealth of Massachusetts on April 6, 1972, the Boston Teachers Union, Local 66, American Federation of Teachers, AFL-CIO (hereinafter referred to as the “Union”) received a majority of votes cast, and

WHEREAS: on May 9, 1972, the Committee pursuant to the above election results recognized the Union as the exclusive collective bargaining agent for all persons described in Article I of this Agreement,

THEREFORE, it is agreed as follows:

Article I
Purpose and Scope of Agreement

A. Recognition and Duration
This Agreement is made and entered into on the 16th day of October, 2012 by and between the School Committee of the City of Boston and the Boston Teachers Union. The Committee recognizes the Union as the exclusive bargaining representative for all teacher paraprofessionals employed by the Committee, including clerical paras, teacher paras, library paras, tool keepers, bilingual paras, security paras, community liaison paras, community field coordinators, and all other paras, but excluding lunch hour monitors and bus monitors.

The jurisdiction of the Union shall include those individuals employed by the Committee who now or hereafter perform the duties of paras as described in Article IV Section A of this agreement and currently performed by persons in the bargaining unit as set forth in the preceding paragraph.

This Agreement and each of its provisions, unless otherwise indicated, shall be effective September 1, 2010 and shall continue in full force and effect through August 31, 2016. Negotiations for a subsequent agreement will commence on or after January 2, 2016 upon the request of either party.

This agreement and each of its provisions shall be in full force and effect from the period of September 1, 2010 to August 31, 2016 and continuing thereafter until such time as the parties have a successor to the 2010-2016 agreement.

B. Purpose

The purpose of this Agreement is to promote the parties’ joint goal of achieving the best possible education of the children in the Boston Public Schools by structuring an effective and professional working relationship between the parties. That relationship should help the school system achieve maximum benefit from the combined expertise and coordinated efforts of the parties. It should also ensure fair and equitable compensation and fair and professional treatment for those employees represented by the Union.

C. Scope

The Committee and the Union agree that they have a common public and educational area of concern in addition to economic matters such as salary and working conditions. This wider area of concern is to be approached constructively toward the goal of educational excellence.

To this end, the Union will from time to time present to the Committee or its designated representatives views and suggestions on certain school problems clearly within its knowledge and province as the agency in the School system having the closest overall contact with the paras. Subjects considered to be within the scope of such initiation and discussion are: operation of difficult schools, standards of physical and housekeeping environment and amenities on school premises, all matters relating to school-based management, and an increasingly effective curriculum. Periodic consultation will take place without trespass or interference upon the distinct and special powers and duties of either party in the process. It is hoped that this continuing consultation throughout the school year will contribute to the enhancement of public education in the City of Boston.

D. Management Rights

Except as otherwise provided in this Agreement, the Committee and the Superintendent retain all powers, rights, duties, and authority which they had prior to entering into the Agreement. Such rights of the Committee include but are not limited to the right:

- to establish educational policy;
- to establish the standards and qualifications for hire and promotion;
- to determine the size of the work force consistent with the terms of this Agreement;
- to establish job duties for new or substantially changed positions;
- to determine which textbooks shall be used in the schools;
- to prescribe curriculum and rules governing student discipline; and
- to establish educational programs and to determine the number, age, and qualifications of pupils to be served by any such programs.

E. Continuing Negotiations

The Committee and the Union may, by mutual consent, reopen negotiations on the issue of religious observance at any time during the contract period.
F. Handling of New Issues

Matters of collective bargaining import not covered by this Agreement may, during the life of the Agreement, be handled in the following manner:

By the Committee: Except as any change may be commanded by the law, the Committee will continue its policies as outlined herein. With respect to matters not covered by this Agreement that are mandatory subjects for collective bargaining, the Committee agrees it will make no changes without prior consultation and negotiation with the Union.

By the Union: In any matter not covered in this Agreement that is a mandatory subject for collective bargaining, the Union may raise such issues with the Committee for consultation and negotiation; except that the Union shall not renew or to seek to renew any questions introduced, debated, and settled, either negatively or affirmatively, during the bargaining prior to final settlement. This restriction shall not apply to the areas outlined in section I(C) as subject for continuing consultation.

Being a mutual Agreement, this instrument may be amended at any time by mutual consent.

G. Savings Clause

If any provision of this Agreement is or shall at any time be contrary to law, then such provision shall not be applicable or performed or enforced, except to the extent permitted by law, and substitute action shall be subject to appropriate consultation and negotiation with the Union.

In the event that any provision of this Agreement is or shall at any time be contrary to law, all other provisions of this Agreement shall continue in effect.

H. Preservation of Existing Laws and Regulations

The School Department shall identify by February 1 of each year those bargaining unit members who are affected by the School Committee’s policy on the employment of relatives. The Department and the Union shall meet to discuss the appropriate reassignment of affected members.

school personnel, except that paras shall not perform the work of custodial or cafeteria workers.

2. Paras Files

A para’s files shall be maintained under the following circumstances:

(a) No material derogatory to a para’s conduct, service, character, or personality shall be placed in the files unless the para has had an opportunity to read the material. The para shall acknowledge that he/she has read such material by affixing his/her signature on the actual copy to be filed, with the understanding that such signature merely signifies that he/she has read the material to be filed. Such signature does not necessarily indicate agreement with its content.

(b) The para shall have the right to answer any material filed, and the answer shall be reviewed by the Assistant Superintendent or Director of the program in which the para is employed and attached to the file copy.

(c) Upon request by the para, the para shall be given access to the para’s file without delay.

(d) Upon receipt of a written request, the para shall be furnished a reproduction of any material in the para’s file.

3. Assistance in Assault Cases

(a) Principals shall report all cases of assault suffered by paras in connection with their employment to the Director of Personnel.

(b) Whenever it is alleged that a para has assaulted an individual or that an individual has assaulted a para, the Principal and Director of Personnel shall cooperate with the para involved in the investigation of the incident. The Director of Personnel shall comply with any reasonable request from the para for relevant information in the Committee’s possession, not privileged under law, concerning the individual or individuals involved. The Committee shall indemnify a para in its employ for expenses or damages sustained by the para by reason of an action or claim against the para arising out of the negligence of such para or other act of his/her resulting in accidental bodily injury to or the death of any individual or in accidental damage to or destruction of property, while acting as such para, and may indemnify a para in its employ for expenses or damages sustained by the para by reason of an action or claim against the para arising out of any other acts done by the para while acting as such para; provided, in either case, that after investigation it shall appear to the Committee that such para was at the time the cause of action or claim arose acting within the scope of his/her employment and provided, further, that the defense of indemnification sought under this provision shall have been made by the Corporation Counsel, upon the request of the Committee, or if such Corporation Counsel fails or refuses to defend such action or claims, by an attorney employed by such para. The Committee shall appropriate funds for this purpose in the same manner as appropriations for General School Purposes.

4. Information to the Union

The Union shall be supplied with a current seniority list of all members of the bargaining unit.

5. In-Service Courses

Paras shall be eligible to participate in the in-service courses offered to teachers. Whether or not the certificate, upon completion of a course, provides a credit, the identical type of certificate given teachers is to be awarded paras. Paraprofessionals shall be allowed to accumulate up to 30 in-service credits for salary purposes.

6. Substitute for Teacher

(a) In the event there is no substitute teacher as a replacement in the case of a teacher reported absent, a para is not to serve as a substitute teacher, but may be assigned solely for security purposes until a teacher or a substitute arrives; however, an instructional para may continue with duties that are pursuant to the teacher’s instruction.

(b) In the event the Committee, after a good faith effort, is unable to hire a substitute for a classroom teacher who regularly works with a paraprofessional, that paraprofessional may be requested to serve as a substitute teacher under the following conditions:
1. The paraprofessional has a teaching certificate or ten or more years of service. Effective 9/1/07, the paraprofessional has a teaching certificate or five or more years of service;

2. the paraprofessional is requested to substitute only in those classes in which he or she normally works;

3. the paraprofessional is paid $6.00 per hour in addition to his or her regular salary.

(c) The Committee will use its best efforts to hire a substitute paraprofessional whenever the regular paraprofessional in a 502.4 classroom is absent. This clause in no way limits or waives any rights the Union had prior to entering into this Agreement.

7. Para Evaluation

Paras will be evaluated during this Agreement. The building administrator outside of the bargaining unit or his/her designee will be responsible for the evaluation. Evaluation procedures shall be the subject of continuing negotiation.

Effective 9/1/07, the BPS and BTU agree to form a joint subcommittee that will develop a process for evaluating paraprofessionals with a new document to be implemented in the 2008-2009 school year.

8. Training

(a) At the beginning of the school year and thereafter as may be necessary, paraprofessionals and newly employed paraprofessionals shall receive training in the use of machinery and equipment that they will be expected to use or be familiar with as part of their job.

(b) Paraprofessional Training Program: The School Department and the Union shall jointly administer a Paraprofessional Training Program utilizing paras who have successfully completed the eight week program to train other paras. The School Department shall allocate $25,000 annually to provide stipends for the trainers. The length and design of the program and the stipend amount shall be determined by the joint committee.

(c) Paraprofessional Training: In addition to the annual $25,000 to provide a Paraprofessional Training Program, the School Department shall provide $25,000 for training paraprofessionals who are moving to a new program. The BTU and the BPS shall develop the training program.

9. Just Cause

Paraprofessionals who have completed their probationary period shall not be disciplined or discharged without just cause.

10. Tutorial Program

The outside tutorial program at the Umana School and elsewhere throughout the system may continue in force subject to the following conditions:

(a) no paraprofessional will be laid off as a result of the implementation of this program;
(b) the number of tutorial person-hours shall not exceed 22,000 per year.

11. School-Based Management

Paraprofessionals are eligible to serve in the faculty slots on a School Site Council.

In principle, it is agreed that paraprofessionals will be eligible for all professional development activities available to teachers. In practice, the Professional Development Committee may recommend some exceptions or modifications to this general principle in specific cases. Also recommended is a career development program for paraprofessionals supportive of their attaining teacher certification and “reduced” or “no cost” courses for teachers and paraprofessionals.

12. Educational Contracts

The Union shall have input into all contracts with outside educational contractors that directly affect the teaching-learning
situation in the classroom. The Union shall receive sufficient notification of such proposed contracts to enable it to have effective input.

13. Severance Pay

Paraprofessionals shall be eligible for severance pay as allowed in the teacher’s contract.

14. Equitable Assignments

All duties and emergency assignments within a school are to be shared among all the paras on an equitable basis.

15. Cluster Paraprofessional Substitutes

The School Department shall hire 18 cluster paraprofessional substitutes.

16. Job Sharing

Effective September 1, 2005, up to 20 paraprofessionals who so elect shall be given an opportunity to job share.

Superintendent’s Schools

Paraprofessional working in designated “Superintendent Schools” shall participate in the extended school day and professional development at their full rate of pay.

B. Seniority Rights, Layoffs, Recall, Summer Work

1. Establishment of Seniority

Seniority shall be based on length of service as a para in the system. Seniority shall be measured from the first day of such employment after completion of a probationary period of thirty (30) school days. The sick leave provisions of this contract shall be implemented in accordance with the arbitration award of Abraham Siegel. In the event a para’s assignment is changed, the para shall maintain his/her seniority.

2. Retention of Seniority

An employee in the bargaining unit who is laid off shall retain the seniority the employee had before being laid off, for a period of up twenty-four (24) months. Paras on layoff shall be obligated at all times to provide the Director of Personnel their current address and telephone number.

Paraprofessionals who have lost seniority as the result of a break in service of two or more years shall have that seniority (for time worked) fully restored upon the completion of 90 days of work following their return to a paraprofessional position.

3. Layoff

(a) For purposes of layoff, paras shall be categorized as falling within one (1) of the following program areas within which the Department determines they are qualified.

(1) Bilingual.

(2) 502.4 i SPED and physically disabled and multiply handicapped.

(3) Instructional.

Paras will be deemed qualified in a program areas by reason of prior satisfactory Boston work experience. Work experience outside of Boston or special studies deemed equivalent by the Director of Personnel will also be accepted as equivalent qualifications.

(b) Paras qualified in program areas 1 or 2 will be deemed qualified in program area 3, but not vice versa. A para with experience in 502.4 i SPED must demonstrate qualification in handling the physically disabled and multiply handicapped and vice versa.
(c) The Department will endeavor to provide training for instructional paras to qualify in a SPED program area.

(d) A laid-off para who seeks to exercise seniority to displace a less senior para who has been trained to work in a library will be required to satisfactorily complete a sixteen (16)-hour training course provided by the Department.

(e) Paras shall be laid off by inverse system-wide seniority within a program area. A para who holds seniority in program areas other than the one from which the para is being laid off may displace the least senior para in all other program areas.

4. Recall

A para on layoff status shall be recalled by system-wide seniority to a vacancy in a program area in which such para was qualified at time of layoff.

A para who refuses an opportunity for recall without reasonable grounds shall be placed at the bottom of that para’s seniority list for recall. Upon refusal of another opportunity for recall for any reason, the para shall lose all seniority and recall rights. A para who has reasonable grounds for refusing a recall opportunity (more than simply not wanting the offered assignment) shall retain their placement in the seniority list for recall. Upon refusal of another recall opportunity for any reason, the para shall be placed at the bottom of that para’s seniority list for recall. Upon refusal of another opportunity for recall for any reason, the para shall lose all seniority and recall rights.

If a specific para program is abolished and then reinstated, paras who were forced to transfer by abolishment of the program shall have the right to return to their former position in accordance with their seniority, and on or before December 1.

Paras employed in a program in which funding is terminated at the end of a school year shall have first priority, in order of their seniority, to return to their position if the program is refunded during the next school year.

5. Excessing and Transfer

The School Department will henceforth give the Union nine (9) days’ notice by mail to the Union hall of para excess pools and with the notice will provide one copy of a complete list of names, seniority dates, and vacancies. Para vacancies shall henceforth be posted for transfer. Selection of in-transferring paras shall be at the discretion of the hiring school. If a para is Excessed and there is a vacancy at the school, the para can transfer to the vacancy if the para and Headmaster/Principal agree, provided this does not cause the layoff or prevent the recall of another para. Paraprofessional excess pools shall be conducted in the same manner as the teacher excess pools, i.e., paras shall choose in seniority order three vacancies and shall be guaranteed one of their selections.

Any paraprofessional who has received an evaluation with an overall rating of ‘Does Not Meet Standards’ in the prior or current school year will have no voluntary transfer rights and no bidding rights through excess pools.

A paraprofessional who voluntarily excesses himself/herself to an excess pool cannot claim an attachment right for his or her own position. However, during the normal process of the pool, a paraprofessional may select their prior assignment when they reach that position in seniority order in the pool.

There shall be no distinction between those paras who work in bilingual kindergarten classrooms and any other paraprofessionals in terms of layoff, excessing, transfer, and other assignment rights.

6. Summer Work

The opportunity for paras to have summer work in a program in their classification not limited to a particular school or district shall be based on seniority in their classification, provided that the senior employee has demonstrated that they can satisfactorily perform the available work.

C. Posting of Vacancies

1. Miscellaneous

Vacancies in the positions of Community Field Coordinator, Community Liaison Paraprofessional, Security Paraprofessional, One-to-One Paraprofessional, Library Paraprofessional, Health Paraprofessional or any other bargaining unit position paying more than the basic paraprofessional rate will be posted.
2. Teacher Vacancies

Paraprofessionals who qualify as teachers shall be given first consideration in the hiring process for new teachers.

3. Paraprofessional First Consideration

A Paraprofessional who has received his/her teaching certification, is recommended for employment by his/her building administrator, and who applies for teaching positions will receive four interviews provided that there are four vacancies for which the paraprofessional is qualified, three interviews provided that there are three vacancies for which the paraprofessional is qualified, two interviews provided that there are two vacancies for which the paraprofessional is qualified, and one interview provided that there is one vacancy for which the paraprofessional is qualified.

Article III
Compensation and Benefits

A. Payment of Salaries

Paras shall be paid twice a month. When a normal date for the payment of salaries falls on a weekend or during a holiday or vacation period, the Committee will do everything possible to have those salaries paid on the school day previous to said weekend, holiday, or vacation.

No paraprofessional shall be required to apply for a step increase; such increases shall be automatic.

If 200 paraprofessionals choose the option, a paraprofessional shall have the option of being paid bi-weekly over 26 paychecks.

B. Training Pay

Training, other than that accomplished during the regular school day and school year, shall be compensated for at the rates listed herein.

C. Holidays, Vacations, and Suspended Session

### G. Retirement Plan–State-Boston Retirement System

Permanently appointed persons have a percentage of their salaries deducted each pay day according to law. The amount you must contribute is as follows:

- Eight percent of your regular compensation if appointed on or after January 1, 1984;
- Seven percent if appointed on or after January 1, 1975 yet prior to January 1, 1984;
- Five percent if appointed prior to January 1, 1975.

In addition to the above, for all employees employed on or after January 1, 1979, an additional 2% contribution is required on salary above $30,000.

One must be under age sixty-five, upon entering service, to become a member. Special allowances are granted veterans and those disabled. Generous allowances are made to dependents of those who die on the job after two years of service. Paras who enter Boston Service may make up ten years out of state service by contributing to our fund.

Pensions are based on the average of one’s three highest paid years of service; their total years of service, and their age. One cannot receive more than 80% of the average of their three (3) highest year.

The following Percentage Table is used:

(1) Such leave can be provided without hiring a substitute.

(2) Notice is given to the principal or headmaster not later than the school day prior to the date of the intended personal leave.

(3) In emergency situations, the administrative head of a school shall have the prerogative of postponing a para’s absence for a personal day until the emergency is over, provided that the Faculty Senate and/or Building Representative agree(s) that an emergency exists. (d) College Degree: to receive degree at college: 1 day, no loss.

(e) Up to 150 person-days per year without loss of pay for teachers and paraprofessionals will be provided for attending union conventions and conferences scheduled on teacher work days. The BTU Health and Welfare Fund will reimburse the Department for its actual cost of substitutes filling in for persons on leave to attend a health and welfare-related conference or convention.

(f) Graduation: Members of immediate family, including niece and nephew: 1 day, no loss.

Employees given leaves of absence without pay shall receive credit toward salary increments on the schedule appropriate to their rank.

9. Sabbaticals

Paraprofessionals shall be eligible for sabbaticals.

Article IV
Collective Bargaining

A. Governing Philosophy

The parties believe the collective bargaining method is workable and competent and will add dignity to the joint effort of the Union and the Committee to reach agreement. In entering upon this new responsibility, the parties wish to declare their intention to cooperate fully in what must be the joint objective of both bodies, the best education possible for Boston’s children.

B. Fair Practices

1. Non-Discrimination

As sole collective bargaining agent, the Union will continue its policy of accepting into voluntary membership and will continue to represent equally all eligible persons in the unit without regard to race, color, creed, national origin, sex, marital status, sexual preference, age, or handicap.

The Committee agrees to continue its policy of not discriminating against any person on the basis of race, creed, color, national origin, sex, marital status, sexual preference, age, handicap, or participation in or association with the activities of any employee organization.

Furthermore, the Union and the Committee shall cooperate in developing and implementing effective affirmative action.

2. Protection of Individual and Group Rights

Nothing contained herein shall be construed to prevent the Committee, a member of the Committee, or its designated representatives from meeting with any para for expression of the para’s views. In the area of collective bargaining, no changes or modifications shall be made, except through consultation and negotiation with the Union. Nothing contained herein shall be construed to
permit an organization other than the Union to appear in an official capacity in the processing of a grievance. Nothing contained herein shall be construed to prevent any person from informally discussing any dispute with his or her immediate superior, or processing a grievance on his or her own behalf in accordance with the Grievance Procedure, as set forth in Article V.

C. Privileges

1. Payroll Deductions for Union Dues

The Union may secure authorizations for payroll deductions for Union dues. Such authorizations may be revocable as provided by law. The Committee will request the Treasurer of the City of Boston to submit such sums in total to the Union Treasurer no later than thirty (30) days after such deduction was made.

2. Payroll Deduction of Agency Service Fee

(a) Pursuant to Chapter 903 of the Acts of 1977, effective the first full month following ratification of this Agreement, an agency service fee shall be deducted each month by the Collector Treasurer of the City from the salary of each employee in the bargaining unit other than those paying dues pursuant to Section C(1) above. Said service fee shall be a sum equal to the amount required to become a member and remain a member in good standing in the Union, and shall be paid over promptly to the Treasurer of the Union on a monthly basis.

(b) The Union certifies that it has established a procedure required by law under which any employee so demanding may obtain a rebate of such part, if any, of an agency service payment representing a pro rata share of expenditures for political action.

(c) The Union agrees to indemnify the City for damages or other financial loss which the City may be required to pay or suffer by an administrative agency or Court of competent jurisdiction as a result of the City’s compliance with Section 1 above.

3. Union Meetings Within Individual Schools

Union meetings may be held on school property by faculty members of individual schools, provided there is no interference with any school activity.

4. Grievance Time For Building Representative

A para who is elected to serve as Building Representative in an elementary school, middle school, or high school shall be allowed the equivalent of one administrative period per week for conferring with members of the bargaining unit on grievances or associated matters.

5. C.O.P.E.

If at any time during the duration of this collective bargaining agreement the General Court adopts a bill allowing for a C.O.P.E. check-off for public employees, the School Department shall cooperate with the Union in establishing a voluntary C.O.P.E. check-off system in compliance with such legislation.

D. Responsibilities

1. No Union Activity on School Time

Except as provided herein the Union agrees that no para will engage in Union activity during the time he is assigned to teaching or other duties.

2. Authorized Union Representatives

The Union shall furnish the Committee with a list of its officers, and authorized Union representatives, and shall as soon as possible notify the Committee in writing of any change. No Union representative shall be recognized by the Committee except those designated in writing by the Union.
Article V
Dispute Resolution

A. General

It is the declared objective of the parties to encourage the prompt resolution of disputes arising under this Agreement. The parties recognize the importance of prompt and equitable disposition of any complaint at the lowest organizational level possible.

Whatever means are used to resolve a dispute arising under this Agreement, a resolution should be sought that provides fair redress of grievances while giving due consideration to the best interests of schoolchildren.

Any person(s) or the Union shall have the right to present a dispute and have it promptly considered on its merits. Paras subject to this Agreement shall not suffer a loss of pay for time spent in conferring and meeting on a grievance; provided, however, that conferences and meetings will not normally take place during periods when the individuals involved have classroom duties, except as otherwise provided herein. A grievance of a continuing nature alleging that it uniformly affects a class of bargaining unit employees need only be filed once and shall be considered to include all subsequent violations.

Any discipline in relation to collective bargaining unit members shall be for just cause.

B. Definitions

A “grievance” shall mean a complaint (1) that there has been as to a para a violation, misinterpretation, or inequitable application of any of the provisions of this agreement or (2) that a para has been treated unfairly or inequitably by reason of any act or condition which is contrary to established policy or practice governing or affecting employees, except that the term “grievance” shall not apply to any matter as to which the Committee is without authority to act. As used in this Article, the term “person” or “para” shall mean also a group of paras having the same grievance.

C. Availability of Mediators

The provisions of Section X(C) of the teachers’ contract concerning the availability of mediators to help resolve disputes arising under this contract are incorporated herein by reference.

D. Dispute Resolution Process for Grievances

Grievances of employees within the bargaining unit shall be presented and adjusted in the following manner:

1. General Procedures

(a) Step 1: School Level

A para or his or her Union representative may either orally or in writing present a grievance to the Principal, Headmaster, or Director within a reasonable time, normally thirty (30) school days after knowledge by the para of the facts giving rise to the act or condition which is the basis of her or his complaint.

The Principal, Headmaster, or Director of the school shall confer with the para at the time of the complaint or within five (5) school days with a view to arrive at a mutually satisfactory resolution of the grievance. At that conference, the para may present the grievance personally or he or she may be represented by a Union representative; but where the para is represented, he/she must be present. Whenever a grievance is presented by the para personally, the Principal, Headmaster, or Director shall give the Union representative the opportunity to be present and state the views of the Union.

The Principal/Headmaster or Director shall communicate his/her decision orally or in writing to the aggrieved employee and to any Union representative who participated in this Step within five (5) school days after receiving the complaint or within five (5) school days after the conference, whichever is earlier.

If the grievance is unresolved, a mediator shall be assigned within three (3) school days to assist the parties in attempting to resolve the complaint. If the dispute is not resolved within three (3) school days following the assignment of a mediator, the grievance may be appealed to the next step.
The parties shall observe the grievance procedure pertaining to Steps 1, 2, and 3 without regard to the mediation process specified herein until the utilization of mediators contemplated by this Agreement is made operational by the School Department and written notice of that implementation is provided to the Union.

(b) Step 2: Cluster Leader or Manager for Employee Relations

If the grievance is not resolved at Step 1, the aggrieved paraprofessional or the Union may appeal by forwarding the grievance in writing to the appropriate Cluster Leader within five (5) school days after he or she has received the Step 1 decision. The appeal shall include:

1. The name and position of the grievant.
2. A statement of the grievance and the facts involved.
3. The corrective action requested.
4. Name of Union Representative at Step 1; if any.
5. Signature(s) of grievants or Union representative.

The Cluster Leader will conduct a grievance hearing with the aggrieved para and his or her Union representative, each of whom shall be given at least two (2) school days’ notice of the hearing. The aggrieved para shall be given the opportunity to be present at the hearing.

The Headmaster/Principal or applicable administrator may also be present at this hearing to state his or her views. For grievances filed at Step 1, mediators shall not be present at Step 2 grievance hearings. For grievances filed at Step 2, a mediator shall be used if requested by both parties.

The Cluster Leader shall issue a written decision on the grievance as soon as possible, but not later than ten (10) school days after the receipt of the appeal or five (5) school days after the hearing, whichever is earlier. A copy will be sent to the aggrieved para and the Union.

The following grievances shall be presented to the Manager for Employee Relations at Step 2 who shall act in accordance with the procedures and time requirements set forth above:

1. A grievance alleging that the person was placed on the wrong step of the salary schedule.
2. A grievance alleging the person’s wages were improperly paid.
3. A grievance alleging the person was improperly denied an increment.
4. A grievance alleging the person’s absence deduction was improperly calculated.
5. A grievance alleging the person was improperly denied a leave of absence without pay.
6. A grievance filed on behalf of a person who is not assigned to a level.
7. A grievance that, by mutual agreement of the Cluster Leader and Union, should be heard directly at Central Administration.

(c) Step 3: Superintendent

A decision at Step 2 may be appealed in writing by the para or the Union to the Superintendent of Schools within ten (10) school days after the decision by the appropriate administrator at Step 2 has been received. The Superintendent or his or her designated representative shall meet with the aggrieved para and the Union representative with a view to arriving at a mutually satisfactory resolution of the complaint. The aggrieved employee and the Union representative will receive at least two (2) school days’ notice of the meeting and shall be given an opportunity to be heard. The Headmaster/Principal or Director and the Assistant Superintendent or Director of Personnel may also be present at the meeting and state their views.

The Superintendent or her or his designated representatives shall communicate her or his written decision together with supporting reasons to the aggrieved para and to the Union as soon as possible, but not later than ten (10) school days after receipt of the appeal or five (5) school days after the conference, whichever is earlier.

(d) Alternative Procedure for Certain Grievances

All grievances involving in whole or in part violations of section I(F) of this Agreement, "Handling of New Issues," shall be submitted to the following procedure in lieu of proceeding through Steps 1 through 3 of the grievance procedure described above. Either party may initiate a grievance in writing by requesting that it be made the subject of a meeting between a representative of the General Counsel’s office and a representative of the Union. The parties shall meet and confer upon the matter within ten (10) school days following the request for a meeting in an attempt to resolve the grievance. If the parties agree on a resolution, they shall reduce this agreement to writing and sign it. The representative of the General Counsel’s office shall be authorized to take appropriate corrective
action to redress such grievances.

If no agreement is reached within ten (10) school days, nothing in this clause shall affect the rights or either party to proceed to arbitration.

2. **Initiation of Grievances at Step 2 or Step 3**

(a) Grievances arising from the action of officials other than the Principal, Headmaster, or Director may be initiated with and processed in accordance with the provisions of Step 2 of this dispute resolution process. Where the action is initiated by the Superintendent of Schools, the grievance may be initiated at Step 3.

(b) Conferences held under this procedure at Step 2 or Step 3 shall be conducted at a time and place that will afford a fair and reasonable opportunity for all persons entitled to be present to attend. When such conferences are held during day school hours, all persons who participate shall be excused with pay.

3. **Time Limits and Application**

(a) The time limits specified in any step of this procedure may be extended in any specific instance, by mutual agreement.

(b) A grievance filed at an inappropriate step of the grievance procedure will be considered as properly filed, but the time limits for answering the complaint shall not begin until the grievance is referred to the appropriate step.

(c) In the event that the immediacy of the grievance requires a para to meet with his/her Principal or Headmaster suddenly (on a non-scheduled occasion) he/she shall be allowed to have his/her Union representative present at the meeting, provided he/she first makes this request of the Principal or Headmaster.

(d) A failure by a para or the Union to process the grievance from one step to the next step within the time limits provided for will result in an automatic appeal of the grievance to the next step. A failure of a Committee representative to answer a grievance at any step of the grievance procedure within the time limits provided shall be considered a denial of the grievance at that step.

E. **Arbitration**

1. **Arbitration Defined**

A grievance which was not resolved at Step 3 under the grievance procedure may be submitted by the Union to arbitration. The arbitration may be initiated by filing with the Committee and the American Arbitration Association a request for arbitration. The notice shall be filed within thirty (30) school days after denial of the grievance at Step 3 under the grievance procedure, provided, however, if the Union did not receive a written reply from the Superintendent at Step 3, then said time limit shall be extended to sixty (60) school days after submission of the grievance to the Superintendent at Step 3. The voluntary labor arbitration rules of the American Arbitration Association shall apply to the proceeding. The Union will make a reasonable effort to use no more that two (2) witnesses during the same school hours in arbitration cases.

2. **Power of the Arbitrator**

Notwithstanding anything to the contrary, no dispute or controversy shall be a subject for arbitration unless it involves the meaning, interpretation, or application of an express provision of this Agreement. The arbitrator shall have no power to alter, add to, subtract from, or modify any provision of this Agreement.

The parties are agreed that no restrictions are intended on the powers of the Committee, except those set forth in the language of this Agreement.

3. **Decision of the Arbitrator**

The arbitrator shall issue his/her written decision not later than thirty (30) days from the date of the close of the hearings or, if oral hearings have been waived, then from the date of transmitting the final statements and proofs to the arbitrator. The decision of the arbitrator will be accepted as final by the parties to the dispute and both will abide by it.

4. **Arbitration Award Application**

The Committee agrees that it will apply to all substantially similar situations the decision of an arbitrator sustaining a grievance
and the Union agrees that it will not bring or continue, and that it will not represent any employee in any grievance which is substantially similar to a grievance denied by the decision of the arbitrator. The arbitrator’s fee will be shared equally by the parties to the dispute.

5. Alternate Arbitration Procedure

Notwithstanding any contrary provision of this Article, unresolved grievances at Step 3 may be submitted by the Union to a closed panel of arbitrators and not the American Arbitration Association, under an alternate arbitration procedure mutually agreed between the parties.

6. Implementation

The Committee will use its best efforts to implement a settlement agreement or an arbitrator’s award within 30 days after approval of such settlement or receipt of such award and determination not to contest it.

F. Resolution of Differences by Peaceful Means

The Union and Committee agree that differences between the parties shall be settled by peaceful means as provided within this Agreement. The Union, in consideration of the value of this Agreement and its terms and conditions and the Legislation which engendered it, will not engage in, instigate, or condone any strike, work stoppage, or any concerted refusal to perform normal work duties on the part of any employee covered by this Agreement.

The Committee agrees that no reprisals will be made against any individual bargaining unit member as a result of their failure to report to work on October 27, 1993.
2010-2016 AGREEMENT
Between the School Committee of the City of Boston and the Boston Teachers Union, Local 66, AFT, AFL-CIO
Substitute Teachers and Nurses
Effective from September 1, 2010 through August 31, 2016

Article I
Purpose and Scope of Agreement

A. Recognition and Duration

This Agreement is made and entered into on the 16th day of October, 2012, by and between the School Committee of the City of Boston (hereinafter referred to as the “Committee”) and the Boston Teachers Union, Local 66, American Federation of Teachers, AFL-CIO (hereinafter referred to as the Union”). The Committee recognizes the Union as the exclusive bargaining representative for substitute teachers and nurses who meet the qualifications for membership in the bargaining unit set forth in Section I(B) of this Agreement.

This Agreement and each of its provisions shall become effective upon signature by both parties following ratification, and shall be in full force and effect from September 1, 2010 through August 31, 2016. Negotiations for a subsequent agreement will commence on or after January 2, 2016 upon the request of either party.

This agreement and each of its provisions shall be in full force and effect from the period of September 1, 2010 to August 31, 2016 and continuing thereafter until such time as the parties have a successor to the 2010-2016 agreement.

B. Qualifying as a Member of the Bargaining Unit

1. Annual Qualification

For the purpose of becoming a bargaining unit member, substitute teachers/nurses must complete sixty (60) workdays in the same school year. All substitutes who work sixty (60) workdays or more in a given school year shall be considered bargaining unit
members on the first day of their re-employment in each subsequent school year. However, if after reaching bargaining unit status in a particular school year, a substitute teacher/nurse is not re-employed in the next school year following, but returns in a subsequent year, he/she must work sixty (60) days in that year to be reinstated as a member of the bargaining unit.

2. Removal and Reinstatement

A substitute teacher/nurse who has obtained bargaining unit membership and works fewer than sixty (60) workdays in the following school year shall be removed from membership in the bargaining unit on the first day of the next school year. Such person shall be reinstated as a bargaining unit member upon the completion of the sixtieth (60) workday as a substitute in the next school year following removal.

C. Purpose

The purpose of this Agreement is to promote the parties’ joint goal of achieving the best possible education of the children in the Boston Public Schools by structuring an effective and professional working relationship between the parties. That relationship should help the school system achieve maximum benefit from the combined expertise and coordinated efforts of the parties. It should also ensure fair and equitable compensation and fair and professional treatment for those employees represented by the Union.

D. Scope

The parties intend that matters which were raised during the life of this Agreement but withdrawn will not be negotiated as a supplement to this Agreement, but rather may be addressed in the negotiation of the successor Agreement. The Committee shall not be deemed to have agreed to any past practice not specifically protected by this Agreement.

E. Management Rights

Except as otherwise provided in this Agreement, the Committee and the Superintendent retain all powers, rights, duties, and authority which they had prior to entering into the Agreement. Such rights of the Committee include but are not limited to the following rights:

- to establish educational policy;
- to establish the standards and qualifications for hire and promotion;
- to determine the size of the work force consistent with the terms of this Agreement;
- to establish job duties for new or substantially changed positions (except that changing the duties of existing positions shall be subject to collective bargaining to the extent required by law);
- to determine which textbooks shall be used in the schools;
- to prescribe curriculum and rules governing student discipline; and
- to establish educational programs and to determine the number, age, and qualifications of pupils to be served by any such programs.

F. Savings Clause

If any provisions of this Agreement are or shall at any time be contrary to law, the remainder of this Agreement shall continue in force. The provisions of any federal order shall preempt and supersede any conflicting provision of this Agreement.

G. Definitions

1. Per Diem Substitute

A "per diem" substitute is any person subject day-to-day assignments or reassignments to fill positions on an interim basis.

2. Long Term Substitute

A "long term" substitute teacher/nurse is any person with proper qualifications who is assigned to fill a position of teacher which is a temporary vacancy and serves continuously in the same assignment in the same school. A temporary vacancy is one which is anticipated to be vacant for more than twenty (20) consecutive workdays but less than a full school year, or one in which an assigned substitute actually serves continuously for more than twenty (20) consecutive days.
3. Cluster Substitute

A “cluster” substitute teacher is any person with proper qualifications (including, but not limited to a satisfactory performance evaluation as a long term substitute teacher in a prior year) who is assigned to a cluster office for a full year to rotate in the various cluster schools, as needed, on a daily basis.

Article II
Working Conditions

A. Work Schedule and Duties

Substitute teachers will generally be required to perform the work schedules and duties, in and out of the classroom, of the regular teacher who is being covered by the substitute; provided, however, the teacher assignment procedures, teacher program guidelines, and teaching load provisions of the teachers’ contract shall not be considered as established policy or binding contractual commitment. No long term substitute teacher may be assigned teaching periods or administrative duties in excess of the maximum allowed for other teachers in the building.

Long term and cluster substitutes shall participate in professional days along with regular teachers/nurses and shall be compensated therefore.

All substitutes will receive a duty free lunch, consistent with the school schedule.

Effective 9/1/07, retired teachers who return to substituting shall not be required to take or pass any test.

B. Method of Assignment

1. General

The School Department shall, when assigning substitute teachers, attempt to take into consideration the expressed geographic and grade level preference of the substitute teacher, their qualifications, their teaching experience, areas of state certifications(s), and educational background, while staffing in accordance with the needs of the system, the particular district(s) and school(s).

The School Department in deploying substitutes to long-term assignments, will first seek to place persons holding certification in the particular area, provided that all other needs of the system and the particular school or classroom will be met.

Retired teachers who return to substituting shall not be required to take or pass any test.

2. Cluster Substitutes

The Central Office will attempt to assign all cluster substitute teachers to their respective cluster offices by November 1 in each school year. However, cluster substitute teachers may be assigned to any cluster throughout the school year depending upon the needs of the various clusters.

Cluster substitutes will be assigned to a Cluster Office by the School Department. Daily assignments to specific schools within the cluster will be made by the appropriate Cluster Leader or designee. Cluster substitutes must be assigned first to schools within their cluster. However, when necessary, cluster substitutes may be assigned to other schools. Cluster substitutes, when not assigned to a school, shall report to the cluster office on a daily basis.

Persons serving as cluster substitute teachers shall not be eligible to receive a teacher contract, nor shall they have claims to tenure status if they hold the position of cluster substitute for more than 3 years. However, such persons may be eligible for a teacher contract in vacancies filled by them that later materialize into non-tenured teacher positions, provided, however, that all other conditions (including, but not limited to, Federal Court Orders and the current teachers’ collective bargaining agreement) have been satisfied.

Effective September 1, 2000, the Office of Human Resources shall assign a minimum of 12 cluster substitutes to each of the ten Clusters.
3. Long Term Substitutes

A Long Term Substitute shall be granted a provisional contract on or before December 1, if the assignment in which he or she is serving becomes vacant for the remainder of the school year, provided that such provisional contract does not negate the rights of a teacher on the recall list. Provisional contracts granted under this Section shall be prospective.

C. Performance Evaluation

All substitute teachers will be subject to evaluation after fifteen (15) consecutive work days in the same assignment in the same school, and may be subsequently re-evaluated periodically by the building administrator or their designee outside of the bargaining unit. Cluster substitute teachers shall be evaluated by the responsible administrator of the school when serving at the school for more than fifteen (15) days. A cluster substitute teacher shall be given two (2) overall performance evaluations for the academic year by the appropriate Cluster Leader or their designee outside of the bargaining unit.

An overall mark of unsatisfactory shall be expunged following a subsequent year in which a substitute receives an overall mark of "Meets Expectations" or "Exceeds Expectations."

No evaluation mark may be grieved except an overall unsatisfactory. An overall mark for a long-term substitute teacher is the overall mark received from the building administrator during the final performance evaluation while serving in the same assignment for more than fifteen (15) consecutive days.

Substitute teachers who are subject to disciplinary action, including dismissal, will be afforded progressive disciplinary measures pursuant to the policies and procedures of the Committee set forth in the Deputy Superintendent circular.

D. Professional Development

(1) Commencing August 1, 1999, new substitute teachers may be required to attend up to three days of training to prepare them for teaching in the Boston Public Schools.

(2) The Center for Leadership Development will establish a program to assist substitute teachers with certification.

(3) Commencing September 1, 1999, long term and cluster substitutes will be required to attend the eighteen hours of professional development required of teachers. This professional development is scheduled beyond the school day and long term and cluster substitutes will be paid for this time.

E. Application for Teaching Positions

Those substitute teachers who are certified, recommended as a result of central interview, have a letter of recommendation from a Boston Public Schools administrator and who apply for teaching positions will be guaranteed up to four interviews.

2. Pay for Long Term Assignments

A long-term substitute assignment must be approved by the Director of Personnel or their designee. A long-term substitute shall be paid prospectively at the daily rate for long-term substitute assignment beginning with the eleventh (11th) consecutive workday, or beginning such earlier date upon approval of the Director of Personnel and or their designee.

In the event that the assigned substitute serves continuously in a temporary vacancy for more than ten (10) consecutive workdays in a situation when the vacancy was not anticipated or expected to last so long, such substitute will be paid as of the eleventh (11th) day at the long-term substitute daily rate, from the date of approval by the Director of Personnel or their designee.

Sick leave will be cumulative from year to year, provided that the substitute teacher remains a bargaining unit member. Accumulated sick leave cannot be used while serving as a per diem substitute.

All substitutes shall be eligible for professional development activities under guidelines established by the Professional Development Committee.

Substitutes shall carry over earned sick leave upon becoming teachers or paraprofessionals.

C. Health Insurance

The Committee’s contribution to all group hospitalization insurance premiums shall be as follows:

- 75% of the total monthly premiums for the policy selected by the employer, including master medical or the equivalent benefits.
- 90% of the total monthly premiums for all approved and authorized health maintenance organizations.

The employer contribution to the life insurance portion of the group insurance plan ($5,000 policy) shall be 50% with a provision for level and long-term substitute teachers to purchase more life insurance at a low rate.

Substitute teachers’ eligibility for health insurance is determined by statutory requirements, as may be amended. In 1999 the statutory requirements are as follows: An employee must work a minimum of twenty (20) hours per week on a regular basis, and cannot be a seasonal or emergency employee to be eligible for health insurance.

The parties agree to comply with the Memorandum of Agreement between the City of Boston and the Public Employee Committee attached hereto as Appendix “C”.

D. Health and Welfare Fund

Cluster Substitutes shall be included in the Paraprofessional Health and Welfare Fund Benefit.

Those individuals who served as per diem substitutes for 150 days or more during the school year will receive a bonus of $1,500 in June of that year. Effective 9/1/07, the following sentences are deleted: However, in no event shall the cost of this item exceed $100,000 annually. If the cost will exceed $100,000, the amount of the bonus will be reduced so as not to exceed $100,000 in any year.
F. Cluster Substitute Bereavement Leave

Cluster Substitute teachers shall be granted bereavement leave as follows:

(1) Death in the immediate family, including mother-in-law, father-in-law, and anyone residing in the same household with the substitute teacher: 5 days, no loss.

(2) Death of niece, nephew, uncle, aunt, or in-law other than above: 1 day, no loss.

(3) Death of grandchild or grandparent: 3 days, no loss.

Article IV
Collective Bargaining

A. Payroll Deduction of Union Dues or Agency Service Fee

Substitute teachers who are members of the bargaining unit shall be subject to payroll deduction for Union dues or payroll deduction of agency service fees as set forth in Sections IX(c)(2) and IX(C)(3) of the 1994-1997 teachers’ agreement.

B. Non-discrimination and Affirmative Action

As sole collective bargaining agent, the Union will continue its policy of accepting into voluntary membership and will continue to represent equally all eligible persons in the unit without regard to race, color, creed, national origin, sex, marital status, sexual preference, age, or handicap.

The Committee agrees to continue its policy of not discriminating against any person on the basis of race, creed, color, national origin, sex, marital status, sexual preferences, age, handicap, or participation in or association with the activities of any employee organization.

This section shall not interpreted as a barrier to affirmative action.

Any affirmative action plan adopted by the Committee shall be negotiable as contemplated by law. Furthermore, the Union and the Committee shall cooperate in developing and implementing effective affirmative action in the areas of promotion, teacher assignments, coaching positions, and paid and unpaid extra-curricular activities.

Article X
Dispute Resolution

A. General

It is the declared objective of the parties to encourage the prompt resolution of disputes arising under this Agreement. The parties recognize the importance of prompt and equitable disposition of any complaint at the lowest organizational level possible.

Whatever means are used to resolve a dispute arising under this Agreement, a resolution should be sought that provides fair redress of grievances while giving due consideration to the best interests of schoolchildren.

Any person(s) or the Union shall have the right to present a dispute and have it promptly considered on its merits. Staff subject to this Agreement shall not suffer a loss of pay for time spent in conferring and meeting on a grievance; provided, however, that conferences and meetings will not normally take place during periods when the individuals involved have classroom duties, except as otherwise provided herein.

A grievance of a continuing nature alleging that it uniformly affects a class of bargaining unit employees need only be filed once and shall be considered to include all subsequent violations. Any discipline in relation to collective bargaining unit members shall be for just cause.
B. Definitions

Agrievance” shall mean a complaint

(1) that there has been as to a member of the bargaining unit a violation, misinterpretation, or inequitable application of any of the provisions of this agreement or

(2) that a member of the bargaining unit has been treated unfairly or inequitably by reason of any act or condition which is contrary to established policy or practice governing or affecting employees, except that the term grievance” shall not apply to any matter as to which the Committee is without authority to act. As used in this Article, the term teacher” shall mean also a group of teachers having the same grievance.

C. Availability of Mediators

The Steering Committee shall choose up to fifteen (15) employees of the Boston Public School system to be trained as mediators for the system. All persons chosen shall be acceptable to both the Union and the Committee. Employees chosen for this position should have demonstrated excellent interpersonal skills, creativity, and an orientation toward collaborative problem-solving in carrying out their duties in the system. The candidates chosen should as a group be highly representative of the racial and ethnic diversity of the school system. They should receive formal training in problem-solving mediation. Appointments as a mediator should be voluntary.

Appointments should be reviewed annually and terminable at the discretion of the Superintendent with or without cause.

These mediators shall be available in addition to their regular duties to confer with employees of the system involved in contract-related disputes on a confidential basis seeking to assist the parties in resolving such difficulties. They may talk in person or by phone. Mediators shall be called on to mediate a building-level discussion of a grievance in Step 1 of the dispute resolution process outlined in the following section. However, no mediator shall mediate a building-level discussion of a grievance that they have previously discussed with an employee, unless all parties to the mediation so request in writing.

The School Department will circulate at least annually to all employees a list of mediators and their phone numbers. School Department policy shall be to encourage employees to seek help from a mediator to resolve work-related difficulties informally.

D. Dispute Resolution Process for Grievances

Grievances of employees within the bargaining unit shall be presented and adjusted in the following manner:

1. General Procedures

(a) Step 1: School Level

An employee or his or her Union representative may either orally or in writing present a grievance to the Principal, Headmaster, or Director within a reasonable time, normally thirty (30) school days after knowledge by the employee of the facts giving rise to the act or condition which is the basis of her or his grievance.

The Principal, Headmaster, or Director of the school shall confer with the employee at the time of the complaint or within five (5) school days with a view to arrive at a mutually satisfactory resolution of the grievance. At that conference, the employee may present the grievance personally or he or she may be represented by a Union representative; but where the employee is represented, he/she must be present. Whenever a grievance is presented by the employee personally, the Principal, Headmaster, or Director shall give the Union representative the opportunity to be present and state the views of the Union.

The Principal/Headmaster or Director shall communicate his/her decision orally or in writing to the aggrieved employee and to any Union representative who participated in this Step within five (5) school days after receiving the complaint or within five (5) school days after the conference, whichever is earlier.

If the grievance is unresolved, a mediator shall be assigned within three (3) school days to assist the parties in attempting to resolve the complaint. If the dispute is not resolved within three (3) school days following the assignment of a mediator, the grievance may be appealed to the next step.
The parties shall observe the grievance procedure pertaining to Steps 1, 2, and 3 without regard to the mediation process specified herein until the utilization of mediators contemplated by this Agreement is made operational by the School Department and written notice of that implementation is provided to the Union.

(b) **Step 2: Cluster Leader or Manager for Employee Relations**

If the grievance is not resolved at Step 1, the aggrieved employee or the Union may appeal by forwarding the grievance in writing to the appropriate Cluster Leader within five (5) school days after he or she has received the Step 1 decision. The appeal shall include:

1. The name and position of the complainant.
2. A statement of the grievance and the facts involved.
3. The corrective action requested.
4. Name of Union Representative at Step 1; if any.
5. Signature of each grievant or Union representative.

The Cluster Leader will conduct a grievance hearing with the aggrieved employee, and his or her Union representative shall be given at least two (2) school days' notice of the hearing. The aggrieved employee shall be given the opportunity to be present at the hearing. The Headmaster/Principal or applicable administrator may also be present at this hearing to state his or her views. A mediator may be present if requested by either party.

The Cluster Leader shall issue a written decision on the grievance as soon as possible, but not later than ten (10) school days after the receipt of the appeal or five (5) school days after the hearing, whichever is earlier. A copy will be sent to the aggrieved employee and the Union. The following grievances shall be presented to the Manager for Employee Relations at Step 2 who shall act in accordance with the procedures and time requirements set forth above:

1. A grievance alleging that the person was placed on the wrong step of the salary schedule.
2. A grievance alleging the person's wages were improperly paid.
3. A grievance alleging the person was improperly denied an increment.
4. A grievance alleging the person's absence deduction was improperly calculated.
5. A grievance alleging the person way improperly denied a sabbatical leave.
6. A grievance alleging the person was improperly denied a leave of absence without pay.
7. A grievance filed on behalf of a person who is not assigned to a level.
8. A grievance that, by mutual agreement of the Cluster Leader and Union, should be heard directly at Central Administration.

(c) **Step 3: Superintendent**

A decision at Step 2 may be appealed in writing by the employee or the Union to the Superintendent of Schools within ten (10) school days after the decision by the appropriate administrator at Step 2 has been received.

The Superintendent or his or her designated representatives shall meet with the aggrieved employee and the Union representative with a view to arriving at a mutually satisfactory resolution of the complaint. The aggrieved employee and the Union representative will receive at least two (2) school days’ notice of the meeting and shall be given an opportunity to be heard. The Headmaster/Principal or Director and the Assistant Superintendent or Director of Personnel may also be present at the meeting and state their views.

The Superintendent or her or his designated representatives shall communicate her or his written decision together with supporting reasons to the aggrieved employee and to the Union as soon as possible, but not later than ten (10) school days after receipt of the appeal or five (5) school days after the conference, whichever is earlier.

2. **Initiation of Grievances at Step 2 or Step 3**

(a) Grievances arising from the action of officials other than the Principal, Headmaster, or Director may be initiated with and processed in accordance with the provisions of Step 2 of this dispute resolution process.

Where the action is initiated by the Superintendent of Schools, the grievance may be initiated at Step 3.

(b) Conferences held under this procedure at Step 2 or Step 3 shall be conducted at a time and place that will afford a fair and
reasonable opportunity for all persons entitled to be present to attend. When such conferences are held during day school hours, all persons who participate shall be excused with pay.

**3. Time Limits and Application**

(a) The time limits specified in any step of this procedure may be extended in any specific instance, by mutual agreement.

(b) A grievance filed at an inappropriate step of the grievance procedure will be considered as properly filed, but the time limits for answering the complaint shall not begin until the grievance is referred to the appropriate step.

(c) In the event that the immediacy of the grievance requires an employee to meet with his/her Principal or Headmaster suddenly (on a non-scheduled occasion) he/she shall be allowed to have his/her Union representative present at the meeting, provided he/she first makes this request of the Principal or Headmaster.

(d) A failure by a teacher or the Union to process the grievance from one step to the next step, within the time limits provided for will result in an automatic appeal of the grievance to the next step. A failure of a Committee representative to answer a grievance at any step of the grievance procedure within the time limits provided shall be considered a denial of the grievance at that step.

**E. Arbitration**

1. **Arbitration Defined**

A grievance which was not resolved at Step 3 under the grievance procedure may be submitted by the Union to arbitration, except that the following matters shall not be arbitrable:

- performance evaluations-procedures and marks;
- methods of assignment;
- non-renewals, non-assignment disciplinary actions and dismissals;
- claims of unfair or inequitable treatment allegedly contrary to policy or past practice;
- grievances filed by or on behalf of per diem substitutes.

The arbitration may be initiated by filing with the Committee and the American Arbitration Association a request for arbitration. The notice shall be filed within thirty (30) school days after denial of the grievance at Step 3 under the grievance procedure, provided, however, if the Union did not receive a written reply from the Superintendent at Step 3, then said time limit shall be extended to sixty (60) school days after submission of the grievance to the Superintendent at Step 3. The voluntary labor arbitration rules of the American Arbitration Association shall apply to the proceeding.

The Union will make a reasonable effort to use no more that two (2) witnesses during the same school hours in arbitration cases.

2. **Power of the Arbitrator**

No dispute or controversy shall be a subject for arbitration unless it involves the meaning, interpretation, or application of an express provision of this contract. Notwithstanding anything to the contrary, the arbitrator shall have no power to determine the meaning and scope of the matters expressly excluded from arbitration in Section V(E)(1) above. Furthermore, the arbitrator shall have no power to alter, add to, subtract from, or modify any provision of this Agreement. The parties are agreed that no restrictions are intended on the powers of the Committee except those set forth in the language of this Agreement.

3. **Decision of the Arbitrator**

The arbitrator shall issue his/her written decision not later than thirty (30) days from the date of the close of the hearings or, if oral hearings have been waived, then from the date of transmitting the final statements and proofs to the arbitrator. The decision of the arbitrator will be accepted as final by the parties to the dispute and both will abide by it.

4. **Arbitration Award Application**

The Committee agrees that it will apply to all substantially similar situations the decision of an arbitrator sustaining a grievance, and the Union agrees that it will not bring or continue and that it will not represent any employee in any grievance that is substantially
similar to a grievance denied by the decision of the arbitrator. The arbitrator’s fee will be shared equally by the parties to the dispute.

5. **Alternate Arbitration Procedure**

Notwithstanding any contrary provision of this Article, unresolved grievances at Step 3 may be submitted by the Union to a closed panel of arbitrators and not the American Arbitration Association, under an alternate arbitration procedure mutually agreed between the parties.

6. **Staffing Clause**

Notwithstanding any contrary provision of this Agreement, no provision of this Agreement shall be deemed to require the School Committee to hire any particular number or kind of teachers or other personnel or to maintain any level of staffing, nor shall any arbitrator have the power to order the hiring of any kind or number of teachers or other personnel as a consequence of any violation of this Agreement. This provision shall not be deemed to restrict any arbitrator from ordering the reinstatement of any employee in any case dealing with the question of just cause for dismissal.

7. **Implementation**

The Committee will use its best efforts to implement a settlement agreement or an arbitrator’s award within 30 days after approval of such settlement or receipt of such award and determination not to contest it. Such efforts shall include, but not be limited to, establishment of a payment system under which specified employees of the School Department are to be held accountable for compliance with this section.

F. **Resolution of Differences by Peaceful Means**

The Union and Committee agree that differences between the parties shall be settled by peaceful means as provided within this Agreement. The Union, in consideration of the value of this Agreement and its terms and conditions and the Legislation which engendered it, will not engage in, instigate, or condone any strike, work stoppage, or any concerted refusal to perform normal work duties on the part of any employee covered by this Agreement.

Appendix C

MEMORANDUM OF AGREEMENT

WHEREAS, the City of Boston ("City") is a public employer providing certain health insurance coverage to its subscribers (i.e., employees, retirees, surviving spouses and dependents); and

WHEREAS, all individual bargaining units of the City of Boston and the Boston Public Schools, all of whom are signatories to this agreement, hereby agree to become a Public Employee Committee ("PEC") upon the acceptance of Chapter 32B Section 19 by the Boston City Council and, upon its creation the PEC will be the authorized exclusive bargaining representative for the coalition of public employee bargaining units and retirees of the City of Boston with respect to health insurance coverage; and

WHEREAS, the City and the PEC (collectively "the parties") have concluded negotiations regarding health insurance benefits for the City’s subscribers for the time period from June 1, 2011 through June 30, 2015; and

WHEREAS, it is the express intent of the parties to create an enforceable, durable, binding agreement for the duration stated herein, subject to the conditions set forth herein, regardless of any potential or actual legislative changes to G.L. ch. 32B, § 19, any provision of G.L. ch. 150E, any other section of the General Laws, and/or special law, including, but not limited to the Acts of 2011; and

WHEREAS, the parties agree that all “bridge agreements” so called and any successor collective bargaining agreements negotiated with any bargaining units shall continue in full force and effect, except as expressly modified by this MOA; and

NOW, THEREFORE, the parties agree that, upon acceptance of M.G.L. c. 32B, § 19 ("Section 19") by majority vote of the City Council and approval of the Mayor, and an agreement between the City and the PEC to approve the terms of this MOA as the PEC Agreement pursuant to Section 19, the parties hereto have entered into this MOA and said collective bargaining agreements and the terms and conditions of employment shall be modified as follows:

1. Acceptance of Section 19 by the City: Upon execution of this MOA, the Mayor shall recommend to the City Council acceptance of the provisions of Section 19, which the Mayor approves.

2. Approval of MOA as PEC Agreement by City and PEC: Provided the City Council accepts Section 19, the City and the PEC shall convene a meeting as soon as possible to approve the terms of this MOA as the PEC Agreement pursuant to Section 19. The City and all of the collective bargaining units and retiree representatives that are signatories to this MOA acknowledge and agree to waive any 30 day notice requirement for the convening of the initial meeting between the City and the PEC.

3. Section 19 Supersedes Collective Bargaining Agreements: Any and all provisions of any collective bargaining agreement relative to health insurance, including but not limited to health insurance plans, contribution rates, or policies between the City, the Boston School Committee and any of the bargaining units who are signatories to this MOA shall be superseded by the PEC Agreement, as it is the parties' understanding that all health insurance matters will thereafter be subject to the provisions and procedures of Section 19 and decisions made between the City and the PEC shall determine said matters, which are therefore not a proper subject of bargaining for individual bargaining units. Notwithstanding the aforementioned, dental and
vision benefits, and any health insurance “opt-out” clause related to any individual union shall not be part of this MOA or the PEC Agreement and shall continue to be negotiated between the City and each of the collective bargaining units pursuant to M.G.L. c.150E.

4. **Expiration of PEC Agreement and Revocation of Section 19:** The parties agree that the PEC Agreement shall constitute both a vote by the PEC to enter into a Section 19 agreement as well as a vote by the PEC to revoke the Section 19 agreement on June 30, 2015. Therefore, Section 19 shall be and be deemed revoked on June 30, 2015, and said revocation shall not require a subsequent agreement between the City and the PEC or subsequent vote by the City Council and approval by the Mayor. If it is later determined that a distinct vote by the City Council is required to revoke Section 19 then this agreement shall be deemed to be support by the City and the PEC for such revocation.

5. **Bargaining After Section 19 Revocation:** When Section 19 is revoked pursuant to paragraph #4, above, the PEC will be dissolved and the City of Boston and the Boston Public Schools shall, unless otherwise agreed to by any or all bargaining units, negotiate with each bargaining unit individually with respect to health insurance coverage. Said negotiations, and any available health insurance coverage, shall be in accordance with Chapter 150E of the General Laws and/or any other applicable law regarding public employee health insurance.

6. **Binding Effect:** This MOA will be effective upon ratification of its terms by representative of the employee groups who are signatories hereto, upon the execution of the agreement by the legally required percentage of unions and upon acceptance by the City Council and approval by the Mayor, provided, however, that this agreement shall become null and void if no legislative change occurs affecting public employee health insurance and/or plan design change prior to December 31, 2011.

7. **Nullification:** If this Agreement becomes null and void, then all premium splits and/or plan designs shall revert to or remain at the levels they were at as of April 15, 2011, and employees shall be reimbursed for any increased premium they have paid up to that time and the parties shall engage in bargaining in accordance with provisions of paragraph 5 hereof.

8. **Health Insurance Coverage:** The health insurance coverage for subscribers from July 1, 2011 through June 30, 2015 shall be in accordance with Appendix A of this MOA.

9. **Severability:** The terms and provisions of this Agreement are not severable. If any term(s) or provision(s) of this Agreement shall be held to be invalid or unenforceable for any reason by a court of competent jurisdiction, the remaining terms and provisions shall be invalid and unenforceable, provided however, that in the event that amendments to G.L.c. 32B S19, or any other law remove some class or unit of employees, retirees, or other subscribers from the scope of the PEC, the agreement will continue in full force and effect as to all remaining classes or units of employees within the PEC.

10. **Signatories.** The signatories are authorized to bind their principals.

    For the City of Boston: For the Coalition of Unions:

**Appendix D**

**WITHDRAWAL OF PROGRAM DIRECTORS ARBITRATION**

The Union agrees to withdraw its demand for arbitration in Boston Teachers Union and Boston School Committee, American Arbitration Association Case No. 11390-00804-06 (Gr. Program Directors) upon the execution of this agreement and funding of the parties’ successor agreement(s) to their 2003-2006 collective bargaining agreement. The Union also agrees that it will not grieve/arbitrate any claim based on the facts in the above captioned arbitration and will not renew any substantially similar grievance alleging violations of the collective bargaining agreement based on the school department’s prospective assignment to program directors of the duty of teaching up to two classes or up to fifty percent (50%) of a teacher’s normal teaching load, provided however, that no member of the Union’s bargaining unit shall be excessed as the result of any such assignment.

**Appendix E**

**LABOR RELATIONS COMMISSION, et al. v. BTU, LOCAL 66, et al., CIVIL ACTION No. 07-0587-F**

The School Committee agrees that in the negotiations leading to final agreement the Union has given good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged. The School Committee therefore agrees that if the Union appeals the Superior Court’s contempt ruling dated February 27, 2007 in Labor Relations Commission, et al. v. BTU, Local 66, et al., Civil Action No. 07-0587-F, it will take no position on the appeal of the contempt ruling. The School Committee further agrees that if the Union
files a motion in the Superior Court seeking remittitur of a contempt fine or vacation of the contempt finding, the School Committee will not file an opposition to such motion, and that the School Committee will not file the motion or affidavits authorized in the order on contempt, p.7. The School Committee's agreement herein is limited to a challenge based on the issue of contempt. The School Committee expressly reserves its right to oppose any challenge by the Union or by the other defendants, direct or indirect, to the legality, validity, scope, or jurisdiction of the Superior Court’s injunction order entered on February 13, 2007, of the underlying Labor Relations Commission orders entered on January 18, 2007 and February 6, 2007, or of the orders denying stay entered on February 14, 2007. This includes the right to oppose any such challenge which is made in the context of a motion or appeal which also challenges the contempt ruling.

Appendix F

NO CHILD LEFT BEHIND

Effective June 30, 2007, paraprofessionals shall achieve highly qualified status in compliance with the No Child Left Behind Act as condition of employment.

Effective June 30, 2007, teachers shall maintain highly qualified status in compliance with the No Child Left Behind Act as a condition of employment.

The above language, as proposed by the School Committee is withdrawn without prejudice. In withdrawing this proposed language, the School Committee does not relinquish any obligations or rights it has under federal or state law including, but not limited to, the No Child Left Behind Act.

The School Committee and the Union are committed to insuring that all teachers and paraprofessionals are highly qualified and agree to continue working together to achieve this goal.

Appendix G

BOSTON TEACHERS UNION-BOSTON PUBLIC SCHOOLS
EXTENDED LEARNING TIME INITIATIVE
May 23, 2006

Overview

All parties have agreed that providing students and teachers in Boston additional learning and teaching time is an important strategy of many for improving student achievement. There is also agreement that teachers are integral to the development of each schools’ extended learning time plan. It is further agreed that each school will develop a working group of all constituencies for on-going review and evaluation of the program.

For the 2006 – 2007 school year, the Edwards and Umana/Barnes middle schools will be implementing an extended day schedule and the Timilty Middle School will expand its current extended day schedule.

The following agreement in support of the Extended Learning Time Initiative has been reached between the Boston Public Schools and the Boston Teachers Union. On the issue of compensation, the parties agree to review this issue during the course of the school year.

No Permanent Teacher shall be mandated to work an extended day.

Anyone may volunteer to work an extended day.

The compensation for teachers working extended day hours will be the contractual hourly rate and shall be retirement-worthy.

Vacancies at an extended day school shall be posted in accordance with contractual provisions.

If a vacancy at an extended day school is ‘open’ posted, it shall be posted in accordance with contractual provisions, provided, however, a stipend attached to the position shall be for duties independent of the extended day work, which will compensated as stated in accordance with section 3 above. It is the intent of section 5 that vacancies requiring additional time can only be posted as ‘open postings’ and only then, in accordance with normal contractual provisions. And if they are so posted, paragraph 5 is applicable.
The Timilty Extended Day program will continue to fall under Article V A 6, except that participants in the Timilty program shall not have their hours capped at two.

The BTU and the Boston Public Schools agree that a provisional who becomes permanent can opt out of the extended day program for an upcoming school year with notice to the administrator before January 1st of the current school year.
