

TALK to TEN

Want to help us keep the cap on charter schools? You can help us put votes in the bank today. Pick up your phone and call ten Massachusetts voters—friends, family, neighbors—and talk to them about the proposed ballot question in November.

Save Our Public Schools is a grassroots campaign, whereas our opponents intend to spend \$18 million on their fall campaign. They may outspend us, but they will never out organize us.

That's where you come in! You can be very influential with your personal network by helping voters understand that we need to #keepthecap on charters schools to prevent hundreds of millions of dollars being siphoned away from public schools.

Let us know which of your family, friends, coworkers and neighbors have already pledged to vote NO on the ballot question in November.

Send us an email with each voter's:

- first and last name
- address
- city, town
- Zip code
- Include an email address if they wish to be added to our email list

Be sure to include your name and contact information so we can properly thank you for TALKING to TEN.

This information can also be submitted online at www.btu.org/SOPS or you can use the form on the back. Just fill it out, scan it, and email it back to us at talktoten@gmail.com.

If you've already spent some time educating them on what's at stake in November you'll save us (and them) a phone call or a door knock. Tweet at @SOPublicSchools to let us know that you will be TALKING to TEN and signing them up to Save Our Public Schools!
