Learning with Purpose

The Ph.D. in Education at UMass Lowell

Designed with *you* in mind~

- You aspire to a terminal degree from a *high quality institution*.
- *Affordability* is an important consideration.
- You're looking for a program sensitive to the scheduling constraints of a *working professional*.
- You want a program that values the *experiential expertise* of its students.
- You want to thrive in a *supportive cohort* of engaged students and caring faculty.
- You want access to faculty at the *cutting edge* of research that bridges local contexts and global challenges.
- You want a degree with *relevance* to a wide range of academic disciplines and organizational roles.
