CONSORTIUM DINNER & DISCUSSION

The Boston University Consortium at the Wheelock College of Education & Human Development aims to support the professional learning of educators in participating district members. On Thursday, December 5, 2019, the Consortium will host a Dinner & Discussion event as part of our commitment to fostering collaborative projects between BU Wheelock faculty and Consortium members. This event will include short presentations by BU Wheelock faculty and prior Consortium grant awardees to share their work. Attendees will also receive information about applying for the 2020-2021 Consortium Grant Program, which can provide up to \$5,000 for projects that support the learning and growth of educators and students. Each registered guest will receive a boxed dinner.

WILL ATTEND THE DINNER & DISCUSSION?

The Boston University Consortium consists of eight public school districts: Boston, Brookline, Chelsea, Concord, Framingham, Lexington, Newton, and Somerville. All educators from these districts are welcome to attend. BU Wheelock Faculty and prior grant awardees, representing a wide range of research interests, will be in attendance to share their work and engage in discussion.

** Due to space limitations, we must cap the event at 45 attendees. Beyond this limit, a waiting list will be created.*
