BTU SCHOLARSHIP INFORMATION

April 8, 2020

Dear High School Building Representative,

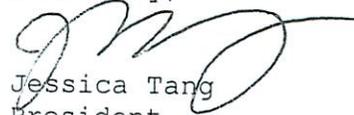

The Boston Teachers Union is awarding one scholarship for high schools with sixty or less seniors and two scholarships to high schools that have over sixty seniors. These scholarships, for \$2,000 each, may be awarded to any student who plans to attend an accredited college, junior college or vocational school. For those schools who are split up into different academies or schools, the Union is only awarding two scholarships for the whole building or complex.

The selection process is the responsibility of the BTU Building Representatives. Please insure that the process used involves academic accomplishments, student need and overall contributions to the school.

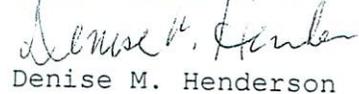

The enclosed form must be filled out and returned to Jeannie Turner at the BTU office by May 8, 2020.

We appreciate your time constraints at this time in your school year but feel that this is a most worthwhile cause and deserves your immediate attention.

Sincerely,

  
Jessica Tang  
President

Boston Teachers Union

PS: This letter is being sent to all building reps. in your school so please work together when making your selection(s).
