CRIP CAMP

A DISABILITY REVOLUTION

Down the road from Woodstock, a revolution blossomed in a ramshackle summer camp for teenagers with disabilities, transforming their lives and igniting a landmark movement.

As we continue to advocate for a safe reopening by fighting for the schools our students deserve, join us as we look back on history, often overlooked, and dream, together, about **what it means to build inclusive communities and schools for all.**

Join us for a virtual Zoom event:

6-8: Watch CRIP CAMP live streamed (**OR** watch on your own Netflix account)

8-8:30: Hear from panel members (students, families, teachers, and community members)

8:30-9: Reflect and share with the panel and other participants over Zoom about the film

"**Crip Camp** is both a gripping look at the history of the disability rights movement and a timely call to action, urging us to explore our own duty to fight for the dignity of all people."
