Diversity in BPS

The Office of Recruitment, Cultivation & Diversity Programs (RCD) combines talent acquisition and cultivation, pipeline development, and diversity programs to better support candidates and employees from recruitment throughout their careers. RCD is committed to recruiting, hiring, developing, and retaining a racially, ethnically, culturally, and linguistically diverse group of highly effective and culturally proficient teachers and staff members every year. In addition, the Boston Public Schools encourages applications from members of other historically marginalized groups, such as people with disabilities and people who identify as LGBTQ+.
