

Tech Goes Home Distance Learning

Tech Goes Home strives to ensure that all residents of Greater Boston are equipped with the tools, training, and access to support 21st century skill development.

TGH Distance Learning Program

TGH Distance Learning Program is a FREE program that delivers 15 hours of instruction focused on fundamental digital skills. Courses are open to adults and seniors.

Courses focus on fundamental digital skills such as:

- Using popular applications and the internet as a resource.
- Communicating with loved ones virtually.
- Accessing essential goods and services online.
- Staying up to date with healthy and safety information.
- Other programs and resources for school, work, and play!

What is included for TGH Learners?

- 18 hours live online course with trainers
- A curriculum designed to help you access powerful online resources
- A brand-new Chromebook for FREE
- Assistance in signing up for low-cost Internet

Each class will have a maximum of 20 participants on a first come first serve basis.
