Ask your dentist to submit a pre-treatment estimate to Delta Dental for any procedure that exceeds $300. This will help you estimate any out-of-pocket expenses you may incur and will confirm that the services are covered under your dental coverage.

*Non-participating dentists may balance bill. Subscribers are responsible for the difference between the non-participating maximum plan allowance and the full fee charged by the dentist.

Easy Access and Great Value – Your Delta Dental Networks

As a Delta Dental PPO Plus Premier subscriber, you have access to two of Delta Dental’s extensive national networks—Delta Dental PPO, with more than 283,000 participating dentist locations and Delta Dental Premier, the largest dental network in the country with more than 358,000 dentist locations. Three out of four dentists nationwide participate in one or both of these networks.

You will enjoy great benefits when you receive your dental care from a participating dentist in either the Delta Dental PPO or Delta Dental Premier networks.

- Both networks offer discounted fees and a no balance billing policy.
- You will receive good value from Delta Dental Premier network dentists who generally accept discounted fees.
- You will enjoy the greatest savings when visiting Delta Dental PPO network dentists due to even deeper discounts.
- If you choose to receive services from a non-participating dentist, you will have higher out-of-pocket costs as the Delta Dental contract rates and the no balance billing policy do not apply.

Delta Dental members can also take advantage of expanded discounts on many covered services, even after they have used up their benefit dollars, visit limits and other situations. Get the details at http://www.deltadentalma.com/members/discounts-on-covered-services/
